Community & Economic Development

Community & Economic Development

Mission

- *Promote regional community and economic development*
- *Identify funding to meet local governments' needs*
- *Facilitate private investment and jobs creation*
- *Enhance the standard of living for area residents*

Grant Partners & Programs

Community Development Block Grant (CDBG)

- Annual Competition
- Employment Incentive Program (EIP)
- Redevelopment Fund (RDF)
- Immediate Threat & Danger (ITAD)

Grant Partners & Programs

- OneGeorgia Equity Grant/Loan
- EDA Public Works Grant
- Transportation Alternatives Program(TAP) (formerly TE)
- FEMA Assistance to Firefighters Grant (AFG)
- USDA Community Facilities Grant/Loan

FEMA

Grants 101

Determine the Need

- ✓ Is it a component of a local plan? (Comp, STWP, CEDS, etc.)
- ✓ Look for funding to meet the need
- ✓ Determine eligibility

Determine Beneficiaries

- ✓ Low to Moderate Income
- ✓ New/Retained Employees
- ✓ General Population
- ✓ First Responders

Show Me the Money

- ✓ Local Government Funds
- ✓ Private Investment

Is the Project Competitive?

CDBG Program

- CDBG funds are provided to the State of Georgia by the Department of Housing and Urban Development (HUD) and are regulated by federal statutes
- CDBG funds MUST benefit low to moderate income people

Funding Limits

- **Single-Activity: Up to \$1,000,000**
- **Multi-Activity: Up to \$1,250,000**

CDBG Program – Eligible Activities

- Street Paving & Drainage
- Water & Sewer
- Buildings
 - Senior Centers
 - Health Departments
 - Behavioral Health
 - Head Start
- Neighborhood Revitalization

No Grant \$\$ for Private-for-Profit

Available ONLY to Units of Local Government to ASSIST private-for-profit with infrastructure (rail spurs, roads, sewer, water)

Economic Development Programs are driven by two factors:

- Job Creation/Retention
- Capital Investment

Two types of ED projects

- Public Infrastructure Grant
- Direct Loan to Company

CDBG-EIP Project

\$385,078 CDBG-EIP Grant to Bacon County for the construction of street paving and drainage improvements to safely accommodate increased truck traffic generated by an expansion of Beach Timber.

This project resulted in the creation of 34 new fulltime jobs, and a \$1.8 million private investment in building construction and machinery/equipment.

CDBG-EIP Direct Loan Project

\$284,211 CDBG-EIP Direct Loan funds to the City of Alma to assist Titan Modular Systems, Inc. in its purchase of land and building. This project resulted in the creation of 140+ jobs and \$900,000 in private investment.

Additional financing in this project included SBA 504 and 7a loans that were packaged and submitted by the SGRC Loan Division.

Added Benefit of EIP Direct Loan

Local governments may choose to recapture the principle and interest payments in order to either establish or recapitalize a local revolving loan fund (RLF) program

The RLF funds can then be loaned to other expanding or new businesses that are in need of gap financing

OneGeorgia Equity Grants

For capacity building to develop new or expand industrial parks through property acquisition and/or the construction of street, water, sewer, and/or rail system improvements

OneGeorgia Projects

- ❖ SE GA Regional Development Authority - \$500,000
- ❖ Waycross & Ware County Development Authority (X2) - \$500,000
- ❖ Bacon County Development Authority - \$500,000
- ❖ Valdosta - Lowndes County Industrial Development Authority - \$300,000
- ❖ Fitzgerald-Ben Hill County Development Authority - \$500,000
- ❖ Douglas-Coffee County Industrial Authority (X2) - \$500,000
- ❖ Berrien County Development Authority - \$499,744
- ❖ Clinch County Development Authority - \$500,000

EDA Projects

\$1,927,012 EDA Public Works Grant to Ben Hill County for the construction of street and drainage improvements to allow for the expansion of Modern Dispersions South. This project will result in the creation of 60 jobs and a \$13 million private investment

\$2,553,190 EDA Public Works Grant to the City of Douglas for the construction of multi-infrastructure improvements to serve existing and future industries. This project will result in the creation of 64 jobs and a \$45 million private investment
