RE: Regional Plan Annual Implementation Program Report Submittal

The Southern Georgia Regional Commission has completed an annual update of its regional plan and is submitting it with this letter for review by the Georgia Department of Community Affairs.

I certify that we have held one required public hearing on August 27, 2020 and have involved regional stakeholders in development of the annual report in a manner appropriate to our region's dynamics and resources and in accordance with the Standards and Procedures for Regional Planning, Chapter 110-12-6. Documentation of the required public hearing has been included with our submittal.

I certify that appropriate regional staff and decision-makers have, at a minimum, reviewed the following planning documents and taken them into consideration in formulating our annual report:

- Georgia's Statewide Comprehensive Outdoor Recreation Plan,
- 2017 Suwanee-Satilla Regional Water Plan,
- 2018 - 2022 Southern Georgia Comprehensive Economic Development Strategy,
- Valdosta-Lowndes MPO 2040 Transportation Vision Plan, and
- The Regional Plan of Coastal Georgia, Heart of Georgia-Altamaha Regional Plan, River Valley Regional Plan, and Southwest Georgia Regional Agenda.

If you have any questions concerning our submittal, please contact Elizabeth Backe, Planning Director at 229.333.5277/ebacke@sgrc.us.

Sincerely,

Joyce Evans

REGIONAL PLAN ANNUAL REPORT AND UPDATE 2020

sgirc SOUTHERN GEORGIA
REGIONAL COMMISSION

INTRODUCTION

The Southern Georgia Region is a vast, rural region spanning the Upper and Lower Coastal Plains of south-central Georgia. The mostly forested and agricultural region is comprised of approximately 7,810 square miles, with a 2019 Census Bureau population estimate of 415,624, encompassing 18 counties and 45 municipalities. Counties included are Atkinson, Bacon, Ben Hill, Berrien, Brantley, Brooks, Charlton, Clinch, Coffee, Cook, Echols, Irwin, Lanier, Lowndes, Pierce, Tift, Turner, and Ware. The Region contains one entire metropolitan statistical area (Valdosta), one partial metropolitan statistical area (Brantley County is part of the Brunswick MSA), and four micropolitan statistical areas (Douglas, Fitzgerald, Tifton, and Waycross). The Region contains some unique natural features, including the Okefenokee Swamp, which, at 438,000 acres, is the largest “blackwater” swamp in North America. There are also four state parks. Agriculture, forestry, manufacturing, and retail trade are all essential pillars of the Region’s economy. The Region is home to 18 colleges and university campuses, including a major state university in Valdosta. In the western part of the Region, much of the population and economic activity is broadly concentrated around the Interstate 75 corridor.

IMPLEMENTATION PROGRAM

Minimum Standards are essential activities local governments must undertake for consistency with the Regional Plan. The intent is to ensure a consistent and predictable basic level of local requirements across the Region.

Minimum Standards encompass specific ordinances, programs, or requirements that may be implemented by local governments to realize the Regional Vision and address the Regional Needs and Opportunities.

Minimum Standards to be achieved by All Governments in the Region.

1. All elected City and County Officials must obtain minimum certification by Regional Commission through UGA Carl Vinson Institute or an equivalent Certification Program.
2. All County and City Clerks obtain certification through UGA Carl Vinson Institute or equivalent Certification Program.
3. All Planning Commission Board members must attend planning commission training within one year of appointment.
4. Update and adopt the Hazard Mitigation Plan as required by State guidelines.
5. Develop, update, maintain and implement zoning standards or land development regulations.
6. Develop, update, maintain and implement at a minimum the International Building Code including applicable administrative procedures, and put a program in place that a certified Building Inspector does all inspections.
7. Participate in comprehensive planning efforts including the development of Community Work Programs.
8. Annually update the local Community Work Program in coordination with SGRC to assess progress in implementing the local comprehensive plans.

9. Active participation in Best Practices Workshops and other training sessions offered by the SGRC, and develop skills to participate in the census.
10. Participate and submit in annual surveys administered by DCA.
11. Maintain QLG by submitting all required reports, certifications, and other updates as needed by DCA.

Local Government Performance Standards Update

The following list of governments have not achieved the regional commission's established regional plan minimum performance standards.

Local Government	Minimum Performance Standard(s) Not Met	Specific Action Steps taken to Assist Government (Optional: Identify resources that may aid LG achievement)
Bacon County	#6 A certified building inspector is not currently completing inspections.	During the regular Planning Assistance meeting, the RC suggested the County could work with the City of Alma for building inspections. It appears this was the regular practice in previous years.
Broxton	#10, 11 RLGF	The City has been encouraged by the RC to submit the delinquent RLGF.
Cecil	#10, 11 RLGF	The City has been encouraged by the RC to submit the delinquent RLGF reports.
Du Pont	#5	The RC has offered technical assistance to the City to create land development regulations.
Enigma	#10,11 GOMI	The RC has met with and spoken over the phone with the City on multiple occasions to encourage the submittal of this report.
Nahunta	#10, 11 RLGF	The City has been encouraged by the RC to submit the delinquent RLGF.
Quitman	#10, 11 RLGF	The City has been encouraged by the RC to submit the delinquent RLGF.
