

**SOUTHERN GEORGIA
WORKFORCE INVESTMENT AREA
2016 COMPREHENSIVE 4-YEAR LOCAL PLAN
2018 Plan Update**

Prepared by the

Introduction

The Southern Georgia Workforce Development Area (SGWDA) (Workforce Area #18) consists of 18 counties in predominantly rural southern Georgia (Atkinson, Bacon, Ben Hill, Berrien, Brantley, Brooks, Charlton, Clinch, Coffee, Cook, Echols, Irwin, Lanier, Lowndes, Pierce, Tift, Turner, and Ware Counties), coterminous with the 18-county region served by the Southern Georgia Regional Commission. This document serves as the Comprehensive Four-Year Local Plan for the SGWDA, in accordance with WIOA § 108. This plan was developed in partnership with the Southern Georgia Area Chief Local Elected Officials, Southern Georgia Workforce Development Board (SGWDB), and local Georgia Department of Labor, Georgia Department of Vocational Rehabilitation Services and Adult Literacy partners.

Strategic Elements, Governance, and Structure

- 1. Identification of the Fiscal Agent** – Provide an identification of the entity responsible for the disbursement of grant funds described in WIOA § 107(d)(12)(B)(i)(III) as determined by the chief elected officials.

The Southern Georgia Regional Commission shall serve as the fiscal agent and shall be responsible for the disbursement of grant funds.

- 2. Description of Strategic Planning Elements** – Provide a description of the strategic planning elements listed below. A complete answer will rely on a variety of data sources and employer input. Also describe how the information was gathered and what partners and employers were consulted.
 - a. Regional Economic Conditions** – provide an analysis of the regional economic conditions including existing and emerging in-demand industry sectors and occupations; and the employment needs of employers in those industry sectors and occupations. Include the listing of occupations in demand within the region and describe how the list was developed citing source data.

The 18-county Southern Georgia region is predominantly rural in terms of its land area and approximately half rural and half urban in terms of its population (51.4% of the population resides in rural areas and 48.6 in urban areas and urban clusters according to 2010 Census data). The region's largest urban area is Valdosta, and other major urban clusters include Douglas, Fitzgerald, Tifton, and Waycross. Historically, the region's major industries were agriculture (both crops and livestock) and forestry, including the extraction of turpentine from pine trees. However, in recent decades, in keeping with national trends, the region has shifted from a production economy to a service economy. Although the majority of the region's land area is still used for agriculture and forestry, more jobs are now in service-providing industries than in goods-producing industries.

Information in this section was gathered from the Georgia Department of Labor, Workforce Information and Analysis, and Labor Insight/Burning Glass. Information was also gathered through discussion with Chambers of Commerce, Economic Development professionals, and business representatives from the Workforce Development Board. After data analysis was completed the following in-demand occupation list was established for the SGWDA.

Healthcare and Technical Occupations	Human Services
Cardiovascular Technologists and Technicians	Counseling Psychologists/School Psychologists
Critical Care Nurses	Mental Health Counselors
Dietitians and Nutritionists	Health Educators
Dental Hygienist/Assistants	Social and Community Service Managers
Home Health Aides	Social Workers, All
Licensed Practical and Licensed Vocational Nurses	Personal Care Aides
Medical and Health Services Managers	
Medical & Clinical Laboratory Technologists & Technicians	Marketing Managers
Medical Assistants	Marketing Managers
Medical Records and Health Information Technicians	Sales Managers
Medical Secretaries	Market Research Analysts and Marketing Specialists
Medical Transcriptionists	First-Line Supervisors of Retail Sales Workers
Nurse Anesthetists	Parts/Retail Salespersons
Nursing Assistants	Sales Representatives
Occupational Therapists/Assistants	
Opticianry	Transportation, Distribution, and Logistics
Pharmacy Technicians	Ambulance Drivers
Phlebotomists	Automotive Master Mechanics, Technicians, & Body Related Repairs
Physical Therapist/Assistants	Automotive Specialty Technicians
Psychiatrists	Bus and Truck Mechanics and Diesel Engine Specialists
Registered Nurses	Commercial Truck Driving
Respiratory Therapists/Technicians	Mobile Heavy Equipment Mechanics, Except Engines
Sonographers/Radiologic Technicians	Logistics Managers
Speech-Language Pathologists	Transportation Managers
Surgical Technologists	Heavy and Tractor-Trailer Truck Drivers
	Light Truck or Delivery Services Drivers
Building, Grounds, Maintenance Occupations	
Landscaping and Grounds Keeping Workers	Hospitality & Tourism
	First-Line Supervisors of Housekeeping & Janitorial Workers
Government & Public Planning	Chefs and Head Cooks
Urban & Regional Planners	First-Line Supervisors of Food Preparation/Serving Workers
Occupational Health & Safety Specialists	Food Service Managers

Business Management	Education, Training, & Library Occupations
Administrative Service Managers Business Operators/Administration Bookkeeping, Accounting, and Auditing Clerks Customer Service Representatives/Specialist First-Line Supervisors of Office/Administration Support Workers Office and Administrative Support Workers, All Other Patient Representatives Computer and Information Systems Managers General and Operations Managers Managers, All Other	Administrators, Elementary/Secondary/Post-Secondary Educational, Guidance, School, & Vocational Counselors Teachers, Preschool – Post-Secondary, GED Teachers, Vocational Education Teacher Assistants/Substitutes Librarians, Technicians, & Assistants Coaches and Scouts Nursing Instructors and Teachers, Post-Secondary
Manufacturing	Law, Public Safety, & Corrections
Electrical/Electronics Installers & Repairers First-Line Supervisors of Mechanics, Installers, & Repairers Heating & Air Conditioning Mechanics/Installers Lineman Maintenance and Repair Workers, General Medical Equipment Repairers First-Line Supervisors of Production and Operating Workers Production Workers, All Other Solders & Brazers Welders, Cutters, and Welder Fitters	Correctional Officers and Jailers Criminal Justice Emergency Medical Technicians and Paramedics First-Line Supervisors of Police and Detectives Municipal Firefighters Police Patrol Officers Probation Officers/Correctional Treatment Specialists Private Detectives/Private Investigators/Criminal Investigators Sheriffs and Deputy Sheriffs Transit and Railroad Police
Finance	Information Technology
Accountants Loan Officers Tellers Financial Managers, Branch of Department Tax Preparers Insurance Sales Agents Personal Financial Advisors Risk Management Specialists	Computer Systems Engineers/Architects Computer User Support Specialists Database Administrators Information Security Analysts Network and Computer Systems Administrators Computer Systems Analysts Software Developers, Applications
STEM	Architecture & Construction
Architectural and Engineering Managers Chemical/Electrical/Industrial Engineers Industrial Safety and Health Engineers Industrial Systems Technology Locomotive Engineers Manufacturing Engineers Mechanical Engineers	Construction Supervisors Carpenters Painters Pipefitters & Steamfitters Plumbers Millwrights Electricians

From 2014 to 2024 (the most current projections available), the five industries that are projected to see the greatest absolute growth (highest number of jobs added) are:

- Ambulatory Health Care Services (3,020 jobs added)
- General Merchandise Stores (1,900 jobs added)
- Educational Services (930 jobs added)
- Professional, Scientific, and Technical Services (830 jobs added)
- Building Material and Garden Equipment and Supplies (780 jobs added)

During the same time period, the five industries projected to see the greatest relative growth (percent increase in total number of jobs) are:

- Ambulatory Health Care Services (48.94%)
- General Merchandise Stores (42.05%)
- Building Material and Garden Equipment and Supplies (32.84%)
- Construction of Buildings (30.81%)
- Professional, Scientific, and Technical Services (30.38%)

An overview of industry projections for 2014 to 2024 is provided in Table 1.

Table 1. Industry Projections for Multiple Industries in Southern Georgia Workforce Investment Area in 2014-2024

#	NAICS CODE	INDUSTRY TITLE	2014 BASE YEAR EMPLOYMENT	2024 PROJ. YEAR EMPLOYMENT	TOTAL CHANGE IN EMPLOYMENT	PERCENT CHANGE IN EMPLOYMENT	PROJ. ANNUAL GROWTH RATE
1	6210	Ambulatory Health Care Services	6,160	9,180	3,020	48.94%	4.07%
2	4520	General Merchandise Stores	4,520	6,420	1,900	42.05%	3.57%
3	6110	Educational Services	14,420	15,350	930	6.42%	0.63%
4	5410	Professional, Scientific, and Technical Services	2,760	3,590	830	30.38%	2.66%
5	4440	Building Material and Garden Equipment and Supp	2,350	3,130	780	32.84%	2.91%
6	7220	Food Services and Drinking Places	12,010	12,740	730	6.10%	0.59%
7	9993	Local Government, Excluding Education and Hosp	6,430	6,830	400	6.28%	0.61%
8	4410	Motor Vehicle and Parts Dealers	2,180	2,520	340	15.20%	1.46%
9	7130	Amusement, Gambling, and Recreation Industries	1,170	1,490	320	27.26%	2.45%
10	2360	Construction of Buildings	900	1,180	280	30.81%	2.75%
11	7210	Accommodation, including Hotels and Motels	1,170	1,440	270	22.76%	2.10%
12	1110	Crop Production	6,040	6,240	200	3.33%	0.33%
13	4250	Wholesale Electronic Markets and Agents and Bro	790	990	200	25.13%	2.28%
14	6230	Nursing and Residential Care Facilities	2,910	3,110	200	6.69%	0.67%
15	3320	Fabricated Metal Product Manufacturing	1,740	1,930	190	10.85%	1.04%
16	2380	Specialty Trade Contractors	3,030	3,200	170	5.82%	0.55%
17	4840	Truck Transportation	1,760	1,910	150	8.41%	0.82%
18	1150	Support Activities for Agriculture and Forestry	1,400	1,540	140	9.95%	0.96%
19	5310	Real Estate	760	850	90	11.96%	1.13%
20	5220	Credit Intermediation and Related Activities	2,170	2,230	60	2.58%	0.27%

Source: Georgia Department of Labor, Workforce Statistics and Economic Research

The five occupations that are projected to see the greatest absolute growth are:

- Retail Salesperson (690 jobs added)
- Combined Food Preparation and Serving Workers, Including Fast Food (550 jobs added)
- Registered Nurses (370 jobs added)
- Laborers and Freight, Stock, and Material Movers, Hand (370 jobs added)
- Customer Service Representatives (330 jobs added)

An overview of occupations by projected growth is provided in **Error! Not a valid bookmark self-reference.2**. The seven occupation categories projected to be in highest demand in the region (those with the highest number of estimated annual openings) are:

- Retail Salesperson (240 annual openings)
- Combined Food Preparation and Servings Workers, Including Fast Food (210 annual openings)
- Cashiers (180 annual openings)
- Laborers and Freight, Stock, and Material Movers, Hand (170 annual openings)
- Waiters and Waitresses (120 annual openings)
- Registered Nurses (100 annual openings)
- Customer Service Representatives (100 annual openings)

Table 2. Occupations by Projected Growth

Occupations	Base Employment	Projected Employment	Change in Employment
Retail Salespersons	4,930	5,620	690
Combined Food Preparation and Serving Workers, Including Fast Food	4,700	5,250	550
Registered Nurses	2,530	2,900	370
Laborers and Freight, Stock, and Material Movers, Hand	4,400	4,770	370
Customer Service Representatives	2,620	2,950	330
Receptionists and Information Clerks	1,330	1,630	300
Home Health Aides	540	830	290
Nursing Assistants	1,870	2,130	260
Medical Assistants	840	1,070	230
Personal Care Aides	830	1,050	220
Licensed Practical and Licensed Vocational Nurses	1,450	1,660	210
Correctional Officers and Jailers	1,970	2,150	180
Cooks, Restaurant	1,150	1,320	170
Stock Clerks and Order Fillers	1,920	2,090	170
Construction Laborers	1,920	2,090	170

- b. Knowledge and Skills Needed** – Provide an analysis of knowledge and skills needed to meet the employment needs of the employers in the region, including employment needs in in-demand industry sectors and occupations.

For many of the occupations projected to show the greatest growth in the coming years, advanced degrees and specialized training are not required. For example, retail salespersons, fast food workers, laborers and customer service representatives typically require only a brief training period and do not require higher-level qualifications. However, some of the occupations that are expected to experience growth in the region in the near future do require advanced degrees and/or special training, for example: Registered Nurses (100 projected annual openings), General and Operations Managers (80 projected annual openings), Nursing Assistants (70 projected annual openings) and Heavy and Tractor-Trailer Truck Drivers (60 projected annual openings).

Occupations with the highest number of annual openings in the region during 2014-2024 are listed in Table 3, along with the level of education typically required for these occupations. The five occupations projected to have the most annual openings do not typically require a high school diploma.

Table 3. Occupations With Most Annual Openings, Southern Georgia Region, 2014-2024

Occupations	Education Code	2014 Base Employment	2024 Projected Employment	Total Change in Employment	Annual Openings
Retail Salespersons	8	4,930	5,620	690	240
Combined Food Preparation and Serving Workers, Including Fast Food	8	4,700	5,250	550	210
Registered Nurses	3	2,530	2,900	370	100
Laborers and Freight, Stock, and Material Movers, Hand	8	4,400	4,770	370	170
Customer Service Representatives	7	2,620	2,950	330	100
Receptionists and Information Clerks	7	1,330	1,630	300	70
Home Health Aides	8	540	830	290	40
Nursing Assistants	5	1,870	2,130	260	70
Medical Assistants	5	840	1,070	230	40
Personal Care Aides	8	830	1,050	220	30
Licensed Practical and Licensed Vocational Nurses	5	1,450	1,660	210	60
Correctional Officers and Jailers	7	1,970	2,150	180	70
Cooks, Restaurant	8	1,150	1,320	170	50
Stock Clerks and Order Fillers	8	1,920	2,090	170	80
Construction Laborers	8	1,920	2,090	170	60

Education Codes

- 1 Doctoral or professional degree
- 2 Master's degree
- 3 Bachelor's degree
- 4 Associate's degree
- 5 Postsecondary non-degree award
- 6 Some college, no degree
- 7 High school diploma or equivalent
- 8 Less than high school

Source: Georgia Department of Labor, Workforce Statistics and Economic Research

Several of the occupations projected to have the highest level of relative growth (percent change) during the same timeframe require a higher level of education (see

Table 4). However, the total number of openings in these occupations is projected to be low.

Table 4. Fastest Growing Occupations, Southern Georgia Region, 2014-2024

Occupations	Education Code	2014 Base Employment	2024 Projected Employment	Total Change in Employment	Percent Change in Employment	Annual Openings
Home Health Aides	8	540	830	290	53.59%	40
Medical Assistants	5	840	1,070	230	26.84%	40

- c. **Workforce Analysis** – Provide an analysis of the workforce in the region, including current labor force employment, unemployment data, information on labor market trends and the educational and skill levels of the workforce in the region, including individuals with barriers to employment. List all data sources used to gather this information.

As of September 2018 (the most recent date for which data are currently available), the labor force in the Southern Georgia region numbers 179,260, with 172,992 employed and 9,036 6,268 unemployed, meaning that the unemployment rate is 3.5% (Source: [GA Dept. of Labor, Workforce Statistics & Economic Research, Local Area Unemployment Statistics Unit](#)).

The unemployment rate has declined steadily since it peaked at 11.7% in 2010 (see **Error! Reference source not found.**). However, the labor force has also decreased in

number, from a peak of 180,996 in 2009 to 178,691 in 2017 (see **Error! Reference source not found.**), while the population of the region has grown (by 5.6% from 2009 to 2015; see Figure 2). This means that the percentage of the total population participating in the labor force (those either employed or seeking employment) has decreased. This may be due in part to some individuals ceasing to seek employment after suffering from long-term unemployment (“discouraged workers”). The labor market in the region is not necessarily improving as rapidly as the declining unemployment rate might suggest.

Figure 1. Unemployment Rate, Southern Georgia Region, 2009 – 2017

Figure 2. Civilian Labor Force, Southern Georgia Region, 2009 – 2017

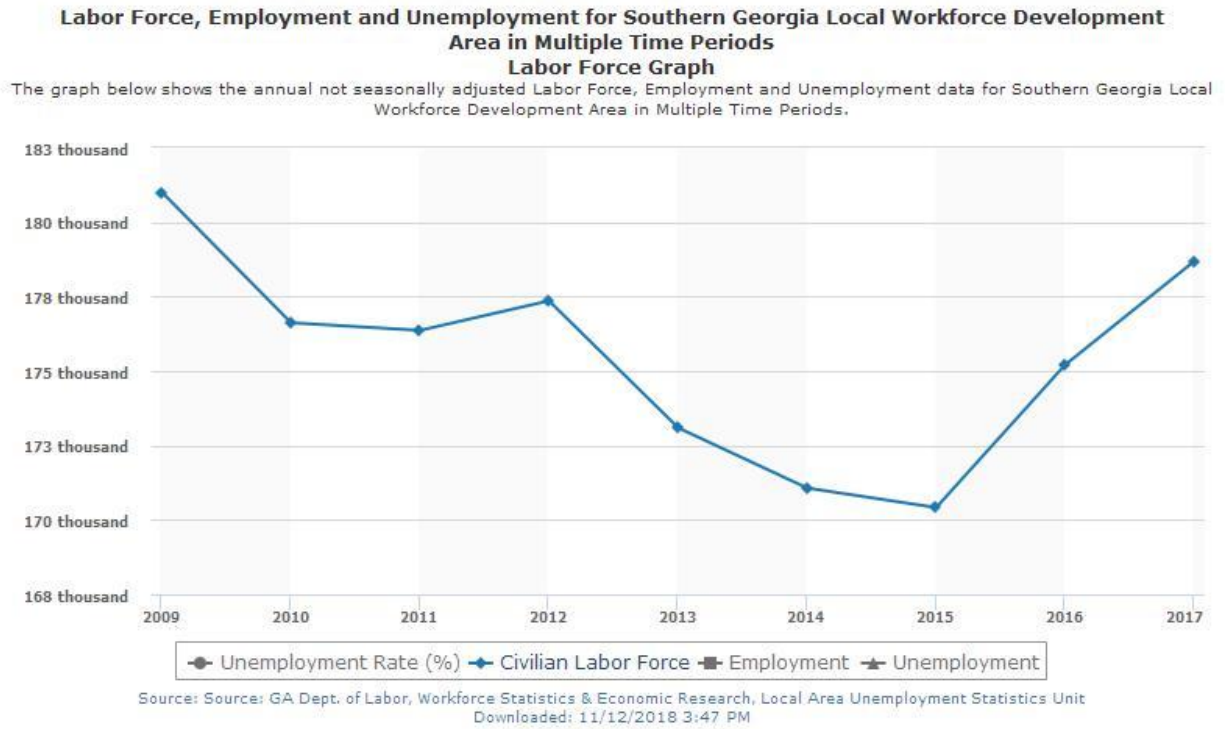

Figure 2. Population of the Southern Georgia Region, 2009 – 2015
 Source: U.S. Census Bureau

Among adults aged 25 or older in the region, 19.19% do not have a high school diploma, while 9.30% hold a bachelor’s degree and 6.29% hold a graduate or professional degree. Education attainment levels for adults aged 25 or older in the region are shown in Figure 4. Education attainment levels among adults aged 25 and older are fairly similar for men and women; however, notably, among adults aged 18 – 24, women’s education attainment levels are higher for some college through a bachelor’s degree or higher (see Figure 5). This suggests a new trend for the younger generation, in which more women are pursuing higher education.

Figure 3. Educational Attainment, Adults Aged 25+, Southern Georgia Region, 2016
 Source: U.S. Census Bureau

Figure 4. Educational Attainment, Ages 18 - 24, Southern Georgia Region, 2016
Source: U.S. Census Bureau

There are many individuals in the region who face barriers to employment. Aside from low educational attainment (see above), lack of transportation, lack of childcare, and disability are major barriers in the region.

According to Census data, as of 2016 estimates, 17.5% of the population aged 18 to 64 years in the region has a disability, including 3.3% with a hearing difficulty, 5.0% with a vision difficulty, 6.8% with a cognitive difficulty, and 9.1% with an ambulatory difficulty. More information is given in **Error! Reference source not found.**

Table 4. Population with Disabilities, 2016 Estimates

County	Total Population 18 to 64 years	Percent with a disability	Percent with a hearing difficulty	Percent with a vision difficulty	Percent with a cognitive difficulty	Percent with an ambulatory difficulty	Percent with a self-care difficulty	Percent with an independent living difficulty
Atkinson	4,927	14.4%	3.2%	3.7%	3.5%	8.3%	3.1%	4.0%
Bacon	6,199	16.3%	2.5%	4.0%	9.3%	9.4%	1.4%	4.0%

Cook	9,969	16.7%	1.5%	3.9%	7.7%	8.5%	2.5%	5.9%
Echols	2,462	10.7%	3.1%	1.4%	2.6%	5.7%	2.5%	2.7%
Irwin	5,251	22.6%	8.2%	9.6%	10.6%	7.5%	2.9%	5.5%
Lanier	5,912	18.6%	3.5%	2.8%	5.9%	10.7%	4.3%	4.4%
Lowndes	69,569	11.2%	1.8%	2.3%	4.7%	6.0%	1.8%	3.9%
Pierce	11,158	18.0%	4.5%	5.6%	8.5%	9.3%	3.5%	6.3%
Tift	24,796	15.5%	2.3%	9.4%	3.6%	4.6%	1.6%	3.2%
Turner	4,370	20.9%	1.6%	4.0%	8.2%	11.5%	3.4%	9.6%
Ware	19,584	16.9%	3.3%	4.2%	8.5%	10.5%	4.2%	6.2%
Region	240,907	17.5%	3.3%	5.0%	6.8%	9.1%	3.1%	6.0%

Source: U.S. Census Bureau, American FactFinder, 2016 Estimates

Lack of transportation can be a barrier to employment, as can the distance required to travel to work. According to 2014 Census estimates, 3.6% of workers in the region have no vehicle available for commuting. According to the same source, 5.3% of workers have a commute time of more than 60 minutes each way. While these statistics are for currently employed workers, they can also be interpreted to suggest that barriers exist for those who are not currently working, such as lack of transportation and distance to potential places of employment.

Lack of childcare can be a major barrier to employment. According to 2016 U.S. Census Bureau estimates, 20.7% of families that have children under 6 years old are families with a single parent and no spouse present. 39.4% of all families with children under 18 are single-parent families. (See Table 5 below)

Table 5. Household & Families

County	Families with children under 18	Families with children under 6	Percent of families with children under 18 that are single-parent families	Percent of families with children under 6 that are single-parent families
Atkinson	923	201	37.3%	17.5%
Bacon	1,118	138	34.4%	15.1%
Ben Hill	1,807	356	46.9%	17.2%
Berrien	1,956	376	27.3%	24.5%
Brantley	1,796	313	26.4%	24.0%
Brooks	1,449	285	36.6%	16.6%
Charlton	1,019	195	30.2%	37.0%
Clinch	680	170	56.3%	37.9%
Coffee	3,923	553	38.3%	11.6%
Cook	1,739	318	34.8%	12.3%
Echols	467	280	44.8%	3.9%
Irwin	777	122	36.6%	14.5%

Region	42,150	9,312	39.4%	20.7%

Table 5. Household and Families 2016 Fact Finder
 Source: U.S. Census Bureau

A criminal record can be a major barrier to employment. Although county-level and regional data are not available, as of 2007, 1.42% of Georgia’s population was incarcerated and 6.5% were on probation and parole (Pew Center on the States report, [“One in 31: The Long Reach of American Corrections,”](#) March 2009). As of 2009, an estimated 14% of adults in Georgia had a felony conviction (Sarah Shannon et al., Population Association of America white paper, [“Growth in the U.S. Ex-Felon and Ex-Prisoner Population, 1948 to 2010”](#)). Although [recent executive action](#) has prohibited the use of a criminal record as an automatic bar to employment by the State of Georgia, a criminal record is still a barrier to employment in the private sector.

- d. Workforce Development Activities – Provide an analysis of the workforce development activities (including education and training) in the region, including an analysis of the strengths, weaknesses and capacity of such services to address the identified education and skill needs of the workforce, and the employment needs of employers in the region.**

Workforce Development Activities

Region 11 has a growing labor workforce and strong partnerships with educational institutions that work to meet the needs of the region. The region benefits from having three (3) technical colleges and three (3) universities strategically placed to ensure individuals have access to a variety of in-demand training programs. One of the major partnerships in Region 11 is with the Technical College System of Georgia (TCSG), which is the state’s primary mechanism for creating a job-driven education. TCSG in the region include Coastal Pines Technical College, Southern Regional Technical College and Wiregrass Georgia Technical College. The technical schools in the region are actively

engaged in providing both jobs and workers to fill them, workers who face academic and employment barriers. Other partners are the University System of Georgia (USG), including Abraham Baldwin Agricultural College (ABAC), South Georgia State College (SGSC) and Valdosta State University (VSU). These training institutions have long-term working relationships with the SGWDB. In addition, the Business Services Coordinator engages these entities to identify and develop training programs based on employer input and needs. SGWDB staff and service providers recruit qualified candidates for programs at the schools. Upon successful completion of the training program, those candidates are then given first consideration for employment opportunities.

The SGWDB works closely with the TCSG and USG, as well as for-profit and non-profit education providers. This partnership enables all local workforce development agencies to provide customers with various educational programs that satisfy the USDOL mandate of customer choice.

In Region 11 the Georgia Department of Labor has Employer Committees (Douglas and Waycross) which provide information on workforce needs. Staff of the SGWDB attend these meetings in order to stay informed regarding employer needs. The public school's systems have employers engaged in the development of their course offerings, particularly in the area of occupational specific course offerings. Great Promise Partnership working with at-risk" youth is active in one (1) of our counties and is actively working to establish other programs in the region.

Strengths

The biggest strength in Region 11 is the partnerships and collaboration that takes place between the various workforce development and partner agencies. Although no one main system is available, the partners in the region work very hard to share information so that customers have knowledge and access to programs available to them.

Challenges

The Southern Georgia area covers eighteen (18) counties. The area is largely rural and public transportation is non-existent. Many participants in our rural counties are unable to travel to comprehensive one-stop center. Transportation supportive services are available; however, the amount may not cover enough to pay for the costs associated with owning or borrowing a vehicle.

The region has a high drop-out rate. Re-engaging this population is very difficult. The region has programs in place to assist Adults as well as Out-of-School Youth who are interested in obtaining their GED. Even with these programs, the percentage of the population without a secondary school diploma is very high. Many employers in the region require a high-school diploma or GED which makes this population very difficult to assist with job placement.

Lack of childcare can be a major barrier to employment. The region does have supportive services available for child care; however, the amount available does not cover the full cost of child care.

The Southern Georgia region will continue to expand coordination and service integration with local employers, core partners and other entities that provide needed services in an on-going effort to increase the capacity of our services to meet the needs of both employers and customers.

- e. **Strategic Vision and Goals** – Provide a description of the local board’s strategic vision and goals for preparing an educated and skilled workforce (including youth and individuals with barriers to employment), including goals relating to the performance accountability measures based on primary indicators of performance in order to support regional economic growth and economic self-sufficiency.

The Southern Georgia Area WDB envisions the local one-stop/workforce development system as the mechanism to promote, encourage, and coordinate the development of a well-trained labor force with skills to not only meet the needs of the area’s current employers, but also to attract new business and industry to the area.

To meet the challenge of bringing the vision to fruition in an 18-county, 8,000 square mile area which includes some metropolitan and mostly rural counties, the area set the following goals:

- Ensure prompt reentry of dislocated workers into the local workforce at salaries comparable to or exceeding the pre-layoff wages;
- Expand the vision and develop the full potential of those whose frame of reference may ordinarily include only menial and/or part-time jobs – specifically those with barriers to employment (i.e., economically disadvantaged youth, the long-term unemployed, seasonal workers, TANF recipients, the disabled, the area’s growing Hispanic population, etc.);
- Work closely with business and industry to ensure that the system is not only producing workers to meet its immediate needs, but making adjustments in anticipation of future needs and technological changes;
- Work closely with core partner and other agencies to move individuals from the labor market to further education and training in order to advance in their careers and upgrade their contributions to the workplace;
- Work closely with core partners and other agencies serving youth to reconnect youth to career pathways of education and training to enable them to earn a high school diploma and/or enter postsecondary education;
- Provide support services to adults, youth and dislocated workers during the pursuit of education and training so that they may be successful.

The region seeks to provide abovementioned services by implementing programs designed to measure incremental gain during training, and therefore increase credential attainment. Incorporation of career pathways and work based learning activities will increase employment and retention for all WIOA customers.

The local workforce area has a history of meeting and exceeding the performance accountability measures under both the Workforce Investment Act (WIA) and the Workforce Innovation and Opportunity Act (WIOA). These measures are clearly specified in all contracts with agencies that make up the Southern Georgia service delivery system. The local area is able to achieve these performance measures due to the intensive case management and follow-up services provided by our contracted service providers. The local area believes that a continued focus on these strategies will allow performance levels to stay at or above the agreed upon performance measures.

- f. **Coordination Strategy** – Taking into account the analyses described in sections “2 a-e” (above), provide a strategy to coordinate core programs to align resources available to the local area to achieve the strategic vision and goals.

The region will meet with and consult with all core partners, board members, local employers and other regional stakeholders on a regular and as-needed basis in order to ensure all issues are addressed in a timely manner and to ensure continuous improvement and accessibility. These meetings will be held at least quarterly and on an as-needed basis.

3. Description of Strategies and Services – Provide a description of the strategies and services that will be used in the local area in order to accomplish the items listed below.

- a. **Employer Engagement** – How will the area engage employers in workforce development programs, including small employers and employers in in-demand industry sectors and occupations?

Employer services will continue to be provided in, or through, the designated One-Stops and include pre-screening of potential employees, interview rooms for employers, testing, specialized recruitment (for unique hiring situations), assistance with filing unemployment insurance claims (on-site upon request), and job fairs. On-the-Job Training Programs will be offered throughout the region.

- b. **Local Workforce Development System/Business Services** – How will the area support a local workforce development system that meets the needs of businesses in the local area? Discuss the area’s workforce services to businesses and how business and organized labor representatives on the WDB contributed to the development of these strategies. Provide a listing of business services available through the area(s) such as employer workshops and assessment and screening of potential employees.

The business and labor organization WDB members are consulted on a regular basis to ensure these services are always updated and relevant.

Business services available to area employers include:

- On-the-Job Training
- Employer Recruitment
- Job Analysis/Job Description Assistance
- Testing Facilities
- Pre-screening
- Work Experience for Youth and Older Workers
- Quick Start
- Lay-off Assistance
- UI Filing Assistance
- Tax Credit and Incentives
- Federal Bonding Program
- Labor Market Information
- Labor Laws Information and Referral
- Disabled Accessibility Assessments
- Disability Job Accommodation Consultations

- c. **Coordination with Economic Development** – How will the area better coordinate workforce development programs and economic development? Additionally, identify economic development partners and describe the involvement of the economic development community in developing strategies.

The WIOA partners coordinate with economic development organizations, including local industrial authorities, chambers of commerce, private sector WDB members, organized labor, and Georgia Department of Economic Development (all also represented on the WDB), as well as the local DOL Career Centers and their Employer Committees.

The WDB has an on-going commitment to develop and expand services with business and Economic Development partners.

Services for the economic development community include working as part of area teams in industrial recruitment, providing information on workforce development

resources in a written format and directly to business prospects. Our system works closely with economic developers, chambers of commerce, and industrial development authorities.

d. Linkages with Unemployment Insurance Programs – How will the area strengthen linkages between the one-stop delivery system and unemployment insurance programs?

The local area will continue co-location with unemployment insurance programs-they will continue to be part of our one-stop system. The One-Stop delivery system provides assistance with filing unemployment insurance claims on-site upon request. This linkage will continue and be strengthened through partner meetings, improved referrals, etc.

4. Regional Service Delivery – (Only applies to regions that encompass two or more local areas). **Describe** how the region will address these items listed below.

N/A

5. Sector Strategy Development – Provide a description of the current regional sector strategy development for in-demand industry sectors.

The Southern Georgia board and partners selected Healthcare and Social Assistance as the sector with the most job openings, best wages, and greatest local employer need for skilled workers. Amy Baldwin, SGRC staff member heads the Sector Strategy Project. Amy has created a HDCl team that will help guide the region’s sector strategy implementation. Committee membership includes board members (public and private sector), core partners, and non-WDB members with relevant expertise.

a. Partners – Describe the partners that are participating in the sector strategy development.

Southern Georgia area sector strategy participating partners include:

- Southern Georgia Area 18 Workforce Development Board
- Georgia Department of Labor
- Georgia Vocational Rehabilitation Agency
- Department of Human Services
- Adult Literacy (Area technical colleges)
- McKinney Medical Center (Industry leader)
- Valdosta State University
- South Georgia State College
- Southern Regional Technical College
- Wiregrass Georgia Technical College
- Coffee Regional Medical Center

- Memorial Satilla Health
- Bacon County Hospital
- South Georgia Medical Center
- South Central Primary Care
- Dorminy Medical Center
- Development Authorities
- Chamber of Commerce

b. Meetings – Describe the meetings that have taken place and the strategy by which partners will continue to be engaged.

The initial sector strategy meeting was held March 24-25, 2016 at the state sponsored training session held at Little Ocmulgee State Park.

Since that time we have enlisted the assistance of Carl Vinson Institute of Government and the following Phases for meetings have been set and some have taken place.

Phase I Pre-Planning – 07/19/2018. Project Kickoff meeting. Steering Committee established.

Phase II Needs Assessment – Meeting Date 08/22/2018. Group will work thru the needs assessment phase.

Phase III Strategic Implementation Plan – Meeting Date 09/04/2018. Discuss next steps and strategies for implementation.

Phase III Implementation – Meeting Date 11/09/2108. Group will focus on putting the top priorities in motion within the smaller working groups. Other meetings will be set after the completion of the November meeting.

c. Research and Data – Describe the research and the data that was used to identify the sector that was chosen for the sectors strategies training.

The local region employed partner input, labor market data, and local experiential data to determine the health field was the best sector to concentrate on in PY2016. Health occupations have long been in demand in this area and provide both multiple job opportunities and excellent wages.

d. Sector Strategy Outline – Provide a completed outline of the sector strategy for the previously identified sector that includes the following details:

- Participating employers include local hospitals, medical clinics, nursing homes, home health agencies, pharmacies, healthcare supplies outlets.
- Target occupations include nursing, medical technology, radiology, emergency medicine and dental hygiene.

- iii. Training programs include registered nurse, practical nurse, radiologist, pharmacy tech, surgical tech, HIT management technology, medical assisting, paramedicine, and dental hygienist.
- iv. Target populations include all local WIOA eligible adult, youth and dislocated workers seeking training in the health field. Applicants who successfully meet school requirements for the specific training and who are otherwise WIOA eligible and in need of WIOA services will be targeted.

e. Plans for Future Strategy Development – Describe the plans for future strategy development for future sectors. If applicable, discuss the next sectors to be targeted.

The local area will concentrate on the health field in PY2018. As this sector becomes completely developed we will add other sectors. These sectors will be based on WDB input and approval, Sector Strategy/One-Stop Committee input, and labor market and local experiential data sources. Implementation will occur per future funding availability.

6. Description of One-Stop Delivery System – Provide a description of the one-stop delivery system in the local area that includes the items detailed below.

The Southern Georgia Area WDB envisions the local one-stop/workforce development system as the mechanism to promote, encourage, and coordinate the development of a well-trained labor force with skills to not only meet the needs of the area’s current employers, but also to attract new business and industry to the area.

To meet the challenge of bringing the vision to fruition in an 18-county, 8,000 square mile area which includes some metropolitan and mostly rural counties, the area set the following goals:

- Ensure prompt reentry of dislocated workers into the local workforce at salaries comparable to or exceeding the pre-layoff wages
- Expand the vision and develop the full potential of those whose frame of reference may ordinarily include only menial and/or part-time jobs (i.e., economically disadvantaged youth, the long-term unemployed, seasonal workers, TANF recipients, the disabled, the area’s growing Hispanic population, etc.)
- Work closely with business and industry to ensure that the system is not only producing workers to meet its immediate needs, but making adjustments in anticipation of future needs and technological changes
- Work closely with partner agencies to move individuals between the labor market to further education and training in order to advance in their careers and upgrade their contributions to the workplace
- Work closely to reconnect youth to career pathways of education and training to enable them to earn a high school diploma and/or enter postsecondary education
- Provide support services to adults, youth and dislocated workers during the pursuit of education and training so that they may be successful.

- a. **Improvement of Providers** – Provide a description of how the local board will ensure the continuous improvements of eligible providers of services through the system and ensure that such providers meet the employment needs of local employers, workers and jobseekers.

Southern Georgia Regional Commission, through a competitive procurement process, secured the services of contractors to provide service coordination for adults, dislocated workers, and youth. These providers created a system for verification of WIOA-covered expenses. Further, spreadsheets are utilized by the service providers to track obligations and expenditures for these training activities. A report of this information is provided to WIOA staff monthly along with the provider's monthly invoice. This report is reviewed and cross-referenced with the online Georgia Virtual One Stop System (VOS) database for accuracy.

- b. **Access to Services** – Provide a description of how the local board will facilitate access to services provided through the one-stop delivery system, including remote areas, through the use of technology and through other means.

Local media, the internet, word of mouth (most towns in the area are small) and referrals from partner agencies are the main recruitment methods. Services are available at the One-Stop system for all populations, including veterans, migrant and seasonal farm workers, individuals with disabilities, older workers, public assistance recipients, offenders and customers with limited English proficiency. Staff of Legacy Link, who provide employment services to older workers, is also co-located (electronically) at the One-Stop Center. Staff of the local Area Agency on Aging (AAA) refers individuals to providers of WIOA services.

- c. **WIOA § 188 Compliance** – Provide a description of how entities within the one-stop delivery system, including one-stop operators and one-stop partners, will comply with WIOA § 188, if applicable, and applicable provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) regarding the physical and programmatic accessibility of facilities, programs and services, technology and materials for individuals with disabilities. This should include the provision of staff training and support and addressing the needs of individuals with disabilities.

All one-stop operators and service deliverers will be required to comply with WIOA § 188. WIOA § 188 compliance will be required and certified in all procurement cycles, will be included in all provider contracts, and WIOA § 188 compliance will be required and monitored on at least an annual basis by the local area. Staff training will be provided as needed to ensure the needs of individuals with disabilities are addressed.

- d. Roles and Contributions of Partners** – Provide a comprehensive description of the roles and resource contributions of the one-stop partners.

The current one-stop system operates via a Memorandum of Understanding (MOU) and a Infrastructure Funding Agreement (IFA) signed by all partners. The MOU and IFA lists all partners, their roles and responsibilities and their resource contributions (see Attachment #5 MOU & IFA). Note: Area 18 One-Stop Certification/Monitoring Procedures are also included in Attachment #5.

- e. One-Stop Operator Procurement** – Identify the current One-Stop Operator in the local area(s) and describe how the region/local area is preparing for the competitive process for operator selection. Describe how market research, requests for information and conducting a cost and price analysis are being conducted as part of that preparation.

As of PY2017 Georgia Department of Labor (GDOL) is the current One-Stop Operator for the local area. GDOL was selected utilizing a competitive process.

The current one-stop operates through a Memorandum of Understanding and a Resource Sharing Agreement which includes a consortium of all One-Stop partners. These partners have been designated by the Southern Georgia Workforce Development Board and are responsible for coordination of one stop services. These agreements are non-financial under the former WIA law. The local area will develop/conduct WIOA specific surveys, agreements, etc. when rules have been finalized.

Customers enter the One-Stop at a common location-the front desk. Staff at the front desk (can be manned by all partner agencies but usually Wagner-Peyser staff) determines who the customer needs to see and refers the customer to the applicable partner (s) co-located at the One-Stop. The Southern Georgia area has developed two umbrella agreements (Partner Memorandum of Understanding and Resource Sharing Agreement) which guides and governs the services provided at the One-Stop Centers. Customers arriving at the front desk of the One-Stop Center will be referred to the partner agencies who will if applicable provide services to these individuals. Customers sign in to use the One-Stop Resource Center.

All customers will not of course access all services available, but they do have information/access if these services are needed. These services are mostly located in the same building and partner staff works with each other on a daily basis to ensure customers receive services in a timely manner. Partners meet periodically to update each other on current activities, and develop coordination mechanisms. Training sessions are held as needed to provide partners with more in-depth information to educate all partners and enhance the customer flow/referral process.

Customers are referred to applicable partner services at the common entry point for each one-stop. Customers are referred to other partners on an as-needed basis. The timeframe for referral is very short (the partner is very likely to be across the aisle).

Upon referral, services are delivered immediately or an appointment is made if the needed service cannot be provided immediately. Most services (especially Wagner-Peyser services) can be provided on-site. Most training services are provided off-site.

The local area continues to encourage customer enrollment (and co-enrollment) in partner programs, i.e., WIOA/TAA, Telamon, Rehabilitation Services, etc. The local area plans to increase enrollment of WIOA-eligible youth in Go Build Georgia, Job Corps, etc. Collaborating with these partners increases services available to mutual customers and leverages funds/resources.

7. Awarding Sub-grants and Contractors – Provide a description of the competitive process to be used to award the sub-grants and contracts in the local area for activities carried out under this Title I.

Competitive procurement is the preferred method for purchasing goods and services. The request for proposal (RFP) is most commonly utilized to procure training activities.

Southern Georgia Area 18 Procurement Procedures are included as Attachment #6.

8. EEO and Grievance Procedures – Briefly describe local procedures and staffing to address grievances and complain resolution.

The Southern Georgia Regional Commission WIOA Complaint & Grievance Policy & Procedure is attached (Attachment #10).

9. Local Boards and Plan Development – Provide a description of the local board that includes the components listed below.

a. Identification and Appointment of Local Board Members – Describe how the local board members are identified and appointed. Include a description of how the nomination process occurs for adult education and labor representatives. (Proposed § 679.320(g)).

Local board membership is solicited as follows:

- Business representative are appointed among individuals who are nominated by local business organizations and business trade associations;
- Labor representatives are appointed from among individuals who are nominated by local labor federations (or, for a local area in which no employees are represented by such organizations, other representatives of employees); and
- Adult Education representatives are appointed/selected from nominations/input from local technical colleges providing adult education.

The slate of board nominees is presented to the Local Chief Elected Official (LCEO) for consideration. Individuals approved by the LCEO are appointed to the board.

b. Orientation Process – Describe the area’s new member orientation process for board members.

New board members are given orientation information upon appointment to the board. One-on-one sessions or group orientation sessions are conducted as needed. All new members are given information on board responsibilities, voting requirements, etc. in addition to general WIOA information.

c. Coordination with Regional Economic Development Activities – Describe how the local board will coordinate workforce development activities carried out in the local area with regional economic development activities carried out in the region (in which the local area is located or planning region).

The SGWDB works closely with and solicits input from economic development entities on a regular basis. Economic development entities are represented on the board and on board committees. Services include working as part of area teams in industrial recruitment, providing information on workforce development resources in a written format and directly to business prospects.

Engagement of Board Members – Describe how local board members are kept engaged and informed.

Board members receive regular updates on the workforce system’s activities. Member input and engagement is solicited at board meetings (at least quarterly), through board committee membership activities, and whenever appropriate on an as-needed basis. Members also receive quarterly monitoring reports and are invited to attend local WIOA provider functions (participant graduation ceremonies, etc).

10. Local Board Committees – Provide a description of board committees and their functions.

The Southern Georgia Workforce Development Board (WDB) has four standing committees.

Executive Committee

The Executive Committee membership includes the Chair, Vice Chair, Parliamentarian, and the immediate past chair (if available). The board will elect, by majority vote, the other two (or three, if immediate past chair is not available to serve) members of this committee. The Executive Committee may act on behalf of the full Board when a quorum is not present at a meeting and/or a decision is needed quickly and time does not permit a meeting of the entire WDB membership. A simple majority of the current members of the Executive Committee constitutes a quorum.

Budget Proposal and Review Committee

The Budget Proposal and Review Committee (BPRC) is composed of eight (8) members. The Chair and Vice Chair serve on this committee. The other six (6) members shall be appointed

by the Chair and will serve for a term of one year. The Vice Chair of the WDB will serve as the Chair of the BPRC. This committee will review the budget and proposals submitted for funding and make recommendations to the full Board. A simple majority of the current members of the committee constitutes a quorum.

Sector Strategy / One-Stop Committee

New Committee which will help guide the region's ongoing efforts to continuously improve and enhance sector strategy and one-stop development and implementation. Committee responsibilities are listed in Coordination with Core Partners Section #1.

Youth Committee

The Youth Committee is composed of eight (8) members. The WDB Chair appoints members, who serve for a term of one year. The Youth Committee reviews youth programming, budgets, and proposals submitted for funding and makes recommendations to the full Board. A simple majority of the current members of the committee constitutes a quorum.

11. Plan Development – Provide a description of the process by which the plan was developed including the participation of core partners, providers, board members and other community entities. Also describe the process used by the local board to provide a 30-day comment period prior to the submission of the plan including an opportunity for public comment, including comment by representatives of businesses and comment by representatives of labor organizations, representatives of education and input into the development of the local plan.

The plan is a continually evolving, living document that changes as the system proceeds in its development. The WDB, core partners, providers and other stakeholders were involved in the development of the plan through meetings and consultations. Labor market data and information from core partners (who are also included in this plan) and board members was gathered to help inform the plan.

Copies of the plan, and subsequent updates are available through the Southern Georgia Regional Commission's website www.sgrc.us. The plan is also sent to regional stakeholders, including business and labor representatives, and education representatives. Public comments on the plan are solicited for at least 30 days.

Service Delivery and Training

12.Expanding Service to Eligible Individuals – Provide a description of how the local board, working with the entities carrying out core programs, will expand access to employment, training, education and supportive services for eligible individuals, particularly eligible individuals with barriers to employment. Include how the local board will facilitate the development of career pathways and co-enrollment, as appropriate, in core programs, and how it will improve access to activities leading to a recognized postsecondary credential, academic or industry recognized.

The board will work closely with our core partners and others to expand access to services for eligible individuals. Quarterly and as-needed meetings will be held with all core partners to ensure all of our services can be easily accessed and are available to the region’s eligible population. A viable, easy to access referral system will be one goal of all the core partners, another goal will be cross-training core partner staff, in order to streamline access to all services for the eligible population.

Cross-referrals and staff cross-training will be utilized to facilitate access to program activities which will enhance the development of career pathways and if appropriate encourage co-enrollment in other programs, specifically training that will lead to a credential, which will of course enhance the employment and employment retention of the area’s eligible population.

13.Description of Service to Adults and Dislocated Workers – Provide a description of and assessment of the type and availability of adult and dislocated worker employment and training activities in the local area.

The WDB and our partners in the local area continue to work toward the common goal of providing the most effective service delivery possible to the area’s adult and dislocated worker population.

Adult and Dislocated Worker services are provided in, or through, the Waycross and Valdosta Career Centers (One-Stop and Affiliate) and include, but are not limited to, the following: job search and job placement assistance, testing, filing of UI claims, Rapid Response activities, WIOA funded Individualized Training Accounts, service coordination, career guidance and counseling, referrals to partner agencies, various workshops (i. e., resume training, financial planning, and others), federal bonding, and Work Opportunity Tax Credits.

Proposals to provide adult and dislocated worker services are solicited through a competitive request for proposal process. Review scores, a cost comparison of proposals, and a summary of each proposal are presented to the Workforce Development Board Budget and Proposal Review Committee. This committee makes funding recommendations

to the WDB. The WDB makes the final decision on which proposals to fund and authorizes the SGRC staff to negotiate contracts.

Career Services

There is no sequence requirement for these services. These services can be provided in any order to provide flexibility in targeting services to the needs of the customer.

Career services must be made available and, at a minimum, must include the following services:

- Determination of eligibility to receive assistance
- Outreach, intake, and orientation to the information and other services
- Initial assessment of skill levels, aptitudes, abilities, and support service needs
- Job search and placement assistance, and where appropriate, career counseling
- Provision of employment statistics information, including the provision of accurate information relating to local, regional, and national labor market areas including job vacancy listings in such labor market areas, information on job skills necessary to obtain the jobs, and information relating to local occupations in demand and the earnings and skill requirements for such occupations
- Provision of performance information and program cost information on eligible providers of training services provided by programs and eligible providers of adult education, providers of post-secondary occupational training education activities and occupational training activities available to school dropouts under the Carl D. Perkins Vocational and Applied Technology Education Act and providers of vocational rehabilitation program activities.
- Provision of information with respect to the Career Resource Center delivery system in the local area
- Provision of accurate information relating to the availability of supportive services, including child care and transportation, available in the local area, and referral to such services as appropriate
- Provision of information regarding filing claims for unemployment compensation
- Assistance in establishing eligibility for programs of financial aid assistance for training and education programs that are not funded under WIOA and are available in the local area.
- Comprehensive and specialized assessments of the skill levels and service needs of adults and dislocated workers, which may include interviewing, evaluating, diagnostic testing, and use of other assessment tools to identify employment barriers and appropriate employment goals
- Development of an individual employment plan to identify the employment goals, appropriate achievement objectives, and appropriate combination of services for the participant to achieve the employment goals
- Group counseling
- Individual counseling and career planning

- Case management for participants seeking training services
- Financial literacy services
- Short-term prevocational services including development of learning skills, communication skills, interviewing skills, punctuality, personal maintenance skills, and professional conduct to prepare individuals for unsubsidized employment or training.

Career services may be provided in coordination with core partners or other agencies in the area, or through contracts with service providers, which may include contracts with public, private-for-profit and private-non-profit service providers approved by the Southern Georgia WDB.

Training Services

Training services are for individuals:

- Who have met the eligibility requirements for WIOA and who have been unable to obtain or retain employment;
- Who, after an interview, evaluation, or assessment, and case management, have been determined to be in need of training services and have the skills and qualifications to successfully participate in the selected program of training services;
- Who select programs of training services that are directly linked to the employment opportunities in the local area;
- Who meet the qualification requirements; and
- Who are determined to be eligible in accordance with the priority system established by the Southern Georgia WDB.

Qualification requirements include:

Through an interview, evaluation, assessment, or case management process, customers may be determined to be in need of training services and having the skills and qualifications to successfully participate in the selected program of training services. However, provisions of WIOA funding for training shall be limited to individuals who are unable to obtain other grant assistance for such services, including Federal Pell Grants, HOPE scholarships or who require assistance beyond the assistance made available under other grant assistance programs.

The list of approved eligible training providers (EPL) is made available through the Career Centers and via the Internet to individuals seeking training information. The EPL includes eligible program descriptions and information identifying training providers.

Training Services may include:

- Occupational skills training, including training for nontraditional employment
- Training programs operated by the private sector

Training services shall be provided in a manner that maximizes customer choice in the selection of an eligible provider of such services.

Training services shall be provided to eligible adults and dislocated workers through the use of Individual Training Accounts (ITAs), through which a customer chooses among qualified training providers. The services will be provided in accordance with state and local procedures.

The Southern Georgia region will continue to expand coordination and service integration with local employers, core partners and other entities that provide needed services in an on-going effort to increase the capacity of our services to meet the needs of both employers and customers.

14. Description of Rapid Response Services – Provide a description of how the local board will coordinate workforce development activities carried out in the local area with statewide rapid response activities.

Upon receipt of a WARN notice from the Georgia Department of Labor, the local area will coordinate with the employer and the local Career Center to set up employer meetings. The employer meetings will serve to provide a schedule of available times to meet with workers, any special needs, concerns, skill levels of the workers, etc.

The array of WIOA services, Wagner-Peyser services and local technical college and other educational services will be provided to the workers at these meetings. The workers may apply for UI benefits or the WIOA program at these meetings or future appointments will be made/discussed.

The local area will inform TCSC OWD of the dates of employer meetings and dates for worker information meetings. The local area will also inform TCSC OWD of an impending layoff if the layoff is not on the WARN list.

In Area 18, staff members in the One-Stops coordinate with the state and state/local Trade Act provisions (when applicable). One-Stop partner staff (whose salaries may or may not be funded with WIOA dislocated worker funds) attend business closures as part of the Rapid Response effort. Front line staff, including staff members who attend business closures, are familiar with available options for dislocated employees and the WIOA registration process. In the work-first environment, career services and training services are offered as-needed, there is no required sequence of services.

WIOA provider staff attend employer meetings to obtain information about the reason for the layoff, potential of layoff aversion, impact of imports or shifts in production to Canada or Mexico, number to be laid off, hourly/salaried layoffs, layoff schedule/timetable, demographic characteristics of workforce (including average age, years of service, education level, primary occupations and any other special characteristics), other employers

in the general area that might be impacted by the layoff (secondary firms), involvement of a private out-placement firm, company sponsored education/training grants/tuition assistance programs, and availability of severance or other types of separation pay.

Reemployment activities and services available to employees include on-site workshops, such as: job search, money management, stress management, resume preparation, interviewing skills, and salary negotiations. Other customized workshops, e.g., starting your own business, unemployment insurance claims filing, job fairs and training fairs are also offered. Additionally, GDOL acts as a clearinghouse for other employers in the community interested in hiring laid off workers. WIOA staff participates in meetings with the employees to provide information and answer questions concerning the variety of reemployment services and assistance available to expedite a return to work. Every effort is made to schedule these meetings at times convenient for the employer, employees and the partners.

WIOA service provider staff provides intake, assessment and case management duties associated with the Trade Act program (Trade Adjustment Assistance) services. For those trade-eligible individuals interested in retraining, WIOA staff conducts a standard dislocated worker intake and assessment. The customer and WIOA case manager agree on a reemployment plan, and the customer applies to the training provider of choice. The customer then returns to WIOA with his/her letter of acceptance and a financial aid award letter from the training provider. WIOA staff then completes the Trade Act Application for Training form and forwards it to the state Trade Act Coordinator. WIOA staff is in contact with State Trade staff as necessary to coordinate services and process applicable forms for those individuals who are co-enrolled in WIOA and Trade and for those who are Trade-eligible only.

The Southern Georgia Area works closely with both Rapid Response and the local DOL Career Centers to recruit UI claimants and ensure they have information, and expedited access to WIOA services. The area strives to coordinate WIOA training concurrently with UI benefits.

15. Description of Youth Services – Provide a description and assessment of the type and availability of youth workforce development activities in the local area, including activities for youth with disabilities. This description and assessment shall include an identification of successful models of such youth workforce development activities.

The Southern Georgia region uses a variety of strategies to identify and meet the needs of youth in the area. The common goal is to create a comprehensive and seamless system for youth services delivery without duplication of services.

One important strategy for serving youth is participation in local groups in multiple counties that facilitate collaboration between individuals and agencies that are involved with youth, such as local collaborative, school systems, county extension offices, housing authorities, and Family Connection.

As the administrative entity for the Southern Georgia Workforce Development Board, the SGRC will continue to use competitive procurement to solicit new and innovative approaches to serve youth. Program designs that will help establish career pathways for youth will be emphasized. These approaches will attempt to pinpoint gaps in service and to address those needs. The wisdom and insightful input of the Southern Georgia Youth Council will continue to be a valuable resource and advisory tool. Contracts will focus on establishing a program design which sets a career pathway for youth and includes work based learning activities, in support of the state's goal to set up seamless career pathways for youth. This goal will be accomplished by assisting youth in obtaining education and training, increasing basic skills, teaching work readiness and occupational skills, striving to assist youth in overcoming barriers to achieving self-sufficiency, providing work experience and other work based learning activities, and providing or partnering to provide all of the fourteen WIOA youth program elements.

Southern Georgia's workforce system contains many partners and separate initiatives that address the fourteen WIOA youth program elements, either directly or indirectly, in serving youth. Also, these organizations deliver services that address one, several, or all, of the WIOA youth program elements.

Out-of-school and other youth receive occupational skills training through ITA's at technical and community colleges and also GED classroom training is provided to basic skills deficient youth. Youth with disabilities are recruited through our core partner Georgia Vocational Rehabilitation Agency and other agencies.

The area's out-of-school youth programs are contracted with service providers who work in conjunction with the local technical colleges. The WIOA contract includes services the local technical college cannot provide including case management, payment of the GED testing fee, and incentives for completion. The technical school provides free access to facilities, utilities, equipment, curriculum, instruction, etc. which reduces the program costs and allows the local area to serve more out-of-school youth.

The Southern Georgia Workforce Development Board utilizes the Request for Proposal process to competitively procure contracts for youth services. During the most recent RFP program designs that will establish career pathways for youth were requested.

The area's service strategy for out-of-school youth includes above linkages to local school systems in addition to basic skills/GED training, work readiness training, and both subsidized and unsubsidized work experience opportunities.

The area also coordinates with, and whenever possible, integrates services provided through School-to-Work, Jobs for Georgia Graduates, Job Corps, and High School/High Tech. WIOA funds can be used to provide competency-based pre-employment/work maturity skills and other services which can be incorporated into the school-to-work partnership. The WDB will refer customers to the nearest Job Corps Center, or the local Career Centers,

where there is a Job Corps recruiter once a week. All of the career services listed in Section 2 are also available to youth applicants.

Services to in-school youth are limited to maximum 25 per cent of youth funding. However, some limited service to in-school youth may be provided as funds are available, or to continue services to carryover in-school youth.

16. Implementation of Work-Based Learning Initiatives – Provide a description of how the area will implement initiatives such as incumbent worker training programs, on-the-job training programs, customized training programs, industry and sector strategies, career pathways initiatives, utilization of effective business intermediaries and other business services and strategies designed to meet the needs of employers in the corresponding region in support of the business service strategy.

In PY2016 the SGWDA had limited programming for business services. Primarily the local area worked with businesses to develop job placements for its program participants. With the passage of WIOA and its focus on improving services to employers and promoting work-based training the SGWDA realized it was essential to begin the process of developing more extensive business services. With these things in mind, SGWDA applied for a strategic programming grant for “Delivering Business Services in Rural LWDA’s”. The area was successful and received the grant.

Utilizing grant funding the local area hired a Business Services Coordinator who worked directly with local business as well as partners to determine the needs of businesses in the area. It became very apparent that there was a need for business services in the area. A comprehensive On-the-Job Training program has been established. Our ultimate goal is to continue developing long-lasting relationships with business, so that they view the WDB as a partner in meeting recruitment, hiring and training needs.

17. Provision of ITAs – Provide a description of how training services in WIOA § 134 will be provided through the use of ITAs. If contracts for the training services will be used, describe how the use of such contracts will be coordinated with the use of ITAs and how the local board will ensure informed customer choice in the selection of training programs regardless of how the training services are to be provided.

Training services are provided to eligible adults, dislocated workers, and youth through the use of Individual Training Accounts (ITAs), through which a customer chooses among qualified training providers. The services will be provided in accordance with state and local procedures.

WIOA funds will be used for costs incurred during the pursuit of occupationally specific programs of study that lead to a diploma or certificate for WIOA eligible adults, dislocated workers and youth. In addition to the WIOA eligibility requirements, youth must be: a) 18 years old and no older than 24; b) not be actively pursuing a secondary school diploma or its equivalent on the date of participation.

Training must be in occupations identified in the local WIOA Plan as growth and/or demand occupations or documentation of employment prospects must be provided. Training must result in an employment wage sufficient to attain self-sufficiency without the aid of public assistance.

WIOA funds will be utilized in the form of a voucher for ITAs. ITAs will be used to purchase tuition, essential books/supplies that are instructor-required purchases for *all* students taking any given course, and for graduation and training-related purchases including, but not limited to, medical exams, vaccinations, uniforms, graduation fees, testing fees, etc. The maximum amount of an ITA voucher is \$6,000 per customer. NOTE: WIOA funds will only be used for costs not covered by HOPE/PELL or other scholarship funding.

ITAs have a 2.5-year time limit, regardless of the length of the customer's training program. Hence, customers must select programs that will be finished in 2.5 years or less.

18. Entrepreneurial Skills Training and Microenterprise Services – Provide a description of how the area will coordinate and promote entrepreneurial skills training and microenterprise services.

SGWDA 18/Region 11 has identified several resources in the region to assist individuals interested in entrepreneurial skills training and/or microenterprise services.

- The University of Georgia's Small Business Development Center (SBDC) provides tools, training, and resources to help small businesses grow and succeed. With seventeen (17) offices in Georgia, the SBDC provides access to capital, legal/compliance guidance, marketing classes, and business planning. In Region 11 these services are available at Valdosta State University.
- U.S. Small Business Administration offers no-/low-cost business development seminars and webinars.
- Local TCSG locations who offer certificate courses in entrepreneurship.

In addition, partner agencies will be utilized to assist those in need of assistance. Those agencies include:

- GDEcD Entrepreneur & Small Business Development.
- Local Chambers of Commerce
- Local Development Authorities

19. Coordination with Education Programs – Provide a description of how the local board will coordinate with education and workforce development activities carried out in the local area with relevant secondary and post-secondary education programs and activities to coordinate strategies, enhance service and avoid duplication of services.

Coordination of Adult Services with Educational Institutions

The WDB's primary mechanism for creating a job-driven education and training system is through the Technical College System of Georgia (TCSG). TCSG's Office of Adult Education (OAE) will fund local providers of adult education services who will in turn work collaboratively with other core programs and partner agencies to coordinate comprehensive, wraparound services for program participants.

Local providers of adult education services will actively participate in the One-Stop program. One-Stop centers provide a place for connecting individuals with local adult education programs through intake/orientation/assessment for adult education services, transition resources, referral processes, and other joint mechanisms developed through agency partnerships.

OAE is responsible for administering funds to eligible local providers, and providing program/performance oversight to grantees. OAE will provide funding to eligible local entities for the provision of adult education services through a competitive Request for Application (RFA) process. The RFA is the mechanism through which OAE will identify, assess, and award multi-year grants to eligible providers (an organization that has demonstrated effectiveness in providing adult education activities to eligible individuals). Local adult education programs are driven by performance measures that are monitored by OAE.

Eligible local providers will have direct and equitable access to apply and compete for grants. OAE will award funds to local providers for the delivery of adult education services, which are academic instruction and education services below the postsecondary level that increase an individual's ability to:

- Read, write and speak English and perform mathematics or other activities necessary for the attainment of a secondary school diploma or its recognized equivalent;
- Transition to postsecondary education and training; and
- Obtain employment.

Coordination of WIOA Services with Educational Institutions

The SGWDB works closely with TCSG, University System of Georgia (USG), as well as for-profit and non-profit education providers. This partnership enables the local area to provide customers with a large amount of educational offerings, satisfying the USDOL mandate of customer choice. WIOA offers tuition assistance, supportive services and comprehensive case management as part of the individual services. All education providers are listed on the State's Eligible Training Provider List (ETPL). The ETPL can be found on the Georgia Work Ready Online Participant Portal (GWROPP) that all potential customers as well as local staff are able to view. The state actively maintains the ETPL.

As the unified provider of technical education, adult education, and customized business and industry training, TCSG is the largest provider of ITAs to our workforce system

participants. WIOA funding supports a growing number of participants within these training institutions. TCSG also has a 100 percent employer guarantee, meaning that if a TCSG graduate was educated under a standard program and his/her employer finds that the graduate is deficient in one or more competencies as defined in the standards, the technical college will re-train the employee at no instructional cost to the employee or the employer.

Coordination of Vocational Rehabilitation Services with Educational Institutions

In line with the State's use of the technical college system, the SGWDB will continue to build relationships with educational institutions by enhancing Vocational Rehabilitation (VR) services in schools. Georgia Vocational Rehabilitation Agency (GVRA) is working closely with GaDOE to develop a collaborative plan to enhance transition services regionwide for individuals with disabilities. The two agencies established a formal Interagency Cooperative Agreement to assure that cooperation and collaboration exist in implementing and maintaining a system of vocational rehabilitation service delivery to eligible individuals with disabilities. The main objective of this Agreement is to improve and expand the VR services that support secondary and postsecondary schools. Consultation and technical assistance services are essential components of this Agreement and enable educational agencies to utilize current and developing VR program practices.

Additional Financial Resources

Many grant/scholarship programs in the local area can be used in conjunction with WIOA funding to make post-secondary degree attainment a reality for students with financial needs. A few additional financial resources available are:

- Georgia's HOPE Grant/Scholarship is available to Georgia residents who have demonstrated high academic achievement. The grant/scholarship provides money to assist students with the educational costs of attending a HOPE eligible college in Georgia.
- Georgia's Zell Miller Scholarship is available to Georgia residents who have demonstrated academic achievement. The scholarship provides money to assist students with their educational costs of attending a Zell Miller-eligible college located in Georgia.
- The Strategic Industries Workforce Development Grant (SIWDG) is a financial award for Technical College System of Georgia students and was first presented by the Governor's Office in fall 2013. It awards funds to students meeting certain criteria who are enrolled in certain programs.
- The Federal Pell Grant Program provides need-based grants to low-income undergraduate and certain post-baccalaureate students to promote access to postsecondary education. Students may use their grants at any one of approximately 5,400 participating postsecondary institutions. Grant amounts are dependent on: the student's expected family contribution (EFC); the cost of attendance (as determined by the institution); the student's enrollment status (full-time or part-time); and whether the student attends for a full academic year or less.

The SGWDB works closely with education providers to ensure participant access to postsecondary credentials in for-credit diplomas, certificates, and degrees. However, both TCSG and USG also have continuing education programs which provide access to noncredit industry credentials. In some cases, diploma, certificate and degree-earning programs also incorporate industry credentials. For example, a technical college welding diploma may incorporate industry certifications as students' progress in the program. These types of stackable credentials enable participants to learn the specific skills needed to gain employment in demand occupations. Stackable credentials also enable participants to continue earning additional credentials at a later point. The area's two-year and four-year institutions have done extensive work to ensure that credits seamlessly transfer between institutions. This work enables the region to better create career pathways for participants.

20. Description of Supportive Services – Provide a description of how the local board will coordinate workforce development activities carried out under this title in the local area with the provision of transportation and other supportive services regionally, if applicable. Please include the region/local area Supportive Service Policies.

Supportive Service benefits may be available to assist WIOA eligible participants with costs associated with participating in WIOA funded training activities. Supportive services mean services such as transportation, child care, and/or dependent care that are necessary to enable an individual to participate in activities authorized under the Workforce Innovation and Opportunity Act. The support payments are in no way intended to support the entire expense.

WIOA funds will be used to pay support payments for customers who are physically attending training classes as verified by the instructor's signature on a timesheet. There is no minimum duration of attendance required to earn support payments.

A transportation support payment of \$15-19 per day, based on attendance and mileage, will be paid. An additional \$10 per day will be paid for children under the age of thirteen who are in the customer's legal and physical custody. Support payments are NOT included in the ITA voucher amount of \$6,000.

The Southern Georgia Area Supportive Services Policy is included as Attachment #7.

Coordination with Core Partners

21. Description of the Workforce System – Provide a description of the workforce development system in the local area that identifies all relevant programs and how the local board will work with the entities to carry out both core and other workforce development programs to deliver well aligned services in support of the strategies identified in the state plan. This should include programs of study authorized under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. et seq.).

The Southern Georgia region's Council of Chief Local Elected officials and Workforce Development Board works closely with all of the area's core partners to provide services to enable all of our area's eligible population the opportunity to reach their full potential.

The workforce system is governed to ensure that it is comprehensive, fiscally responsible, participant and employer-focused. All of the core partners work together toward our common goal of enhancing service integration and implementing a workforce system that provides streamlined and effective service delivery and aligns these services in support of the state's strategies.

WIOA services are provided through a one-stop system (one comprehensive site in Valdosta and three Affiliate sites in Douglas, Tifton and Waycross). Core partners are co-located at the one-stops. Partners include: WIOA, Department of Labor, Vocational Rehabilitation, Senior Community Service Employment Program (Legacy Links), Adult Education and Literacy Programs and Carl D. Perkins Career and Technical Education Programs.

A Memorandum of Understanding (MOU) and Infrastructure Funding Agreement (IFA) Resource Sharing Agreement ([see Attachment # 5](#)) includes the core partners' common vision and goals, the services provided by each partner and the financial contributions of each partner.

Center Partner	Major Services Provided
<p>Southern Georgia Regional Commission</p> <p><i>SGRC is a co-located partner in the comprehensive one-stop system.</i></p>	<p>Access to career and training services under WIOA.</p> <p>Eligibility determination and enrollment in WIOA Title I programs for adults, dislocated workers, and youth.</p>
<p>Organizations receiving WIOA Title II Grant funds from the Technical College System of Georgia.</p> <p><i>TCSG is a co-located partner in the comprehensive one-stop system.</i></p>	<p>Adult Education Programs</p> <p>Literacy and English Language Learner (ELL) programs.</p>
<p>Georgia Department of Labor</p>	<p>WIOA Title III Wagner-Peyser Employment Services</p> <p>Trade Adjustment Assistance (TAA) re-employment services for TAA-eligible customers.</p> <p>Access to veterans' employment and training services for eligible veterans.</p> <p>Employer services including: information and assistance with available tax credits for hiring, customized recruitment, access to Federal Bonding Program, information on state employment laws, and dissemination of required information to employees.</p>
<p>Georgia Vocational Rehabilitation Agency</p> <p><i>GVRA is a co-located partner in the comprehensive one-stop system</i></p>	<p>WIOA Title IV Rehabilitation Services for individuals with disabilities.</p>
<p>Senior Community Services Employment Program (SCSEP)</p> <p><i>SCSEP is a co-located partner in the comprehensive one-stop system.</i></p>	<p>Access to Senior Community Services Employment Programs for older workers.</p>

<p>Coastal Pines Technical College, Southern Regional Technical College and Wiregrass Georgia Technical College.</p> <p>*Organizations receiving WIOA Title II grant funds from TCSG.</p> <p><i>TCSG is a co-located partner in the comprehensive one-stop system</i></p>	<p>Adult Education Programs</p> <p>Literacy and English Language Learner (ELL) Programs</p> <p>Access to Career and Technical Education (CTE) programs at post-secondary level under the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301).</p>
---	---

SGWDA has also formed a new committee to help guide the region’s on-going efforts to continuously improve and enhance service integration in support of the state’s identified strategies in the state plan. The Sector Strategy/One-Stop Committee will be the “workhorse” of the new and improved workforce system. Committee membership includes board members (public and private sector), core partners, and non-WDB members with relevant expertise. The Committee’s responsibilities include but will not be limited to:

- Guiding implementation of the region’s new service sector strategy (see Strategic Elements, Governance and Structure section #5);
- One-Stop Competitive Procurement issues;
- Review of local applications for adult education (Section 232 WIOA and subparagraphs (A) and (B)(i) of Section 107(d)(11));
- Increase and improve customer flow between core partners’ resources and training services
- Strengthen partnerships, bring new partners and new resources to the table;
- Increase alignment with economic development (also represented on the WDB) and business services;
- Develop cross-training among varied agencies;
- Develop creative uses of technology to overcome barriers of geography and distance;
- Develop referral and coordination process to align Human Services, Migrant Services (co-located at one-stop), veteran’s programs (co-located at one-stop), criminal justice system;
- Develop data sharing between partners, i.e., where appropriate customer testing and assessment, etc, and customer demographic data.

22.Coordination with Wagner-Peyser – Provide a description of plans and strategies for, and assurances concerning, maximizing coordination of services provided by the state employment service under the Wagner Peyser Act (29 U.S.C. 49 et seq.) and services provided in the local area through the one-stop delivery system, to improve service delivery and avoid duplication of services.

WIOA and Wagner-Peyser partners in the local area continue to work toward the common goal of providing the most effective service delivery possible to the area's population.

The Career Centers are already partners in the local one-stop system (See Attachment # 5), and are also represented on the newly formed Sector Strategy/One-Stop Committee (see Coordination with Core Partners #1). The Career Centers have been and will continue to be strong partners in our efforts to maximize and streamline services and prevent duplication of services. These assurances are enhanced through our current one-stop MOU and IFA (see Attachment #5).

WIOA services continue to be provided in, or through, the Valdosta Career Center (One-Stops) and the Douglas, Tifton and Waycross (Affiliate) sites and include, but are not limited to, the following: job search and job placement assistance, testing, filing of UI claims, Rapid Response activities, WIOA funded Individualized Training Accounts and service coordination, career guidance and counseling, referrals to partner agencies, various workshops (i.e., resume training, financial planning, and others), federal bonding, and Work Opportunity Tax Credits.

Since local WIOA staff is housed in the DOL Waycross and Valdosta Career Centers, customers have complete access to the WIOA and Wagner-Peyser services provided in one location. The co-location of these services increases and enhances staff ability to continually work on integration of WIOA and Wagner-Peyser services. Local staff members travel to other Career Centers in the region to work with customers served by that center.

23. **Coordination with Adult Education** – Provide a description of how the local board will coordinate workforce development activities carried out in the local area with the provision of adult education and literacy activities under Title II in the local area, including a description of how the local board will carry out, consistent with subparagraphs (A) and (B)(i) of section 107(d)(11) and section 232 of the WIOA law, the review of local applications submitted under title II.

Adult Education has always been and will continue to be a strong partner in the region's workforce system (see MOU and IFA Attachment #5). Adult education is already provided at the one-stop. Adult education programs were funded during the Recovery act. Also, the region has recently funded an adult education pilot program.

Adult Education and Literacy are represented on our Sector Strategy/One-Stop Committee (see Coordination with Core Partners #1), and as a partner on that committee will help shape and develop the adult education and literacy program design and services in the region.

For example, in PY2016, the Southern Georgia WDB has funded an adult education program targeting eligible youth. The Program is jointly implemented by the local TSCG Adult Education and Literacy provider and a private sector WIOA youth provider. The Adult Education and Literacy program provides basic skills/GED services and the private sector

provider will enroll, case manage participants in addition to providing pre-employment skills and work experience activities. The region is planning to establish career pathways for the youth with this combination of academic and work based learning activities.

The abovementioned Sector Strategy/One-Stop Committee will be charged with the responsibility of reviewing local applications to provide adult education submitted under Title II and making recommendations to the local WDB. The local WDB will review these applications per Section 107(d)(11) subparagraphs(A)and (B)(i) and Section 232 of the WIOA Law.

24.Coordination with Vocational Rehabilitation – Provide a description of the cooperative agreement between the local Georgia Vocational Rehabilitation office and the local board which describes efforts made to enhance the provision of services to individuals with disabilities and to other individuals, cross-train staff, provide technical assistance, share information, cooperate in communicating with employers and other efforts at cooperation, collaboration and coordination.

Vocational Rehabilitation is a strong partner of long standing in our workforce system. Per the Memorandum of Understanding and the Resource Sharing Agreement between the Southern Georgia Workforce Development Board and partner agencies, (see Attachment #5 MOU and IFA), the Georgia Vocational Rehabilitation Agency agrees to contribute to the delivery of the following shared services in the local One-Stop Center:

- Outreach/Recruitment
- Initial Assessment/Intake/Referral
- Orientation/Informational Services
- Job Search/Job Placement
- Follow-up Services for WIOA
- Comprehensive Assessments
- Career Counseling/Planning
- Case Management/Service Coordination
- Prevocational Services
- Business Services – Job Fairs, Employer Seminars, Labor Market Information, GED Test Preparation

The local Georgia Vocational Rehabilitation (GVR) agency is represented on the region’s new Sector Strategy/One-Stop Committee. The GVR has been and will be active participants as we develop sector strategies and programs designed to enhance the provision of services to individuals with disabilities. The Committee is charged with developing a cross-referral and staff cross-training process which will increase and improve collaboration, communication and coordination between all core partners.

Performance, ETPL and Use of Technology

25. Description of Performance Measures – Provide a description of the local levels of performance negotiated with the Governor and chief elected official pursuant to WIOA § 116(c), to be used to measure the performance of the local area and to be used by the local board for measuring the performance of the local fiscal agent (where appropriate), eligible providers under subtitle B and the one-stop delivery system, in the local area.

See Attachment 2

26. One-Stop System Performance and Assessment – Provide a listing of locally/regionally developed one-stop performance standards and describe the criteria used to develop the performance standards. Describe how the one-stop system and regional service delivery is assessed by the local board.

The LWDB has established a new committee to help the region’s sector strategy and one-stop efforts. The “Sector Strategy/One-Stop Committee” (See Coordination with Core Partners #1) will meet for the first time on June 29, 2016. At that time the committee will start working on Year One Requirements for the One-Stop-addressing the issues of viable one-stop locations, competitive procurement issues, the current MOU and RSA, etc. This committee will also address One-Stop performance and assessment as information and regulations become available at the federal level. The region’s current one-stop system agreements are included as Attachment #5.

27. ETPL System – Describe the regional Eligible Training Provider System, including the elements listed below.

Southern Georgia WDB secures contractor services through a competitive bid process. (See Attachment #6). Also, the area’s Eligible Provider Policy is included as Attachment #8, and the Area’s ITA Policy is included as Attachment #9. The area’s Equal Opportunity, Complaint and Grievance Policy is included as Attachment #10.

- a. The public notification policy is included in Attachment #6.
- b. Provider evaluation is included in Attachment #6 and Attachment #7.
- c. Local appeals procedures can be found in Attachment #8. Training providers will first file disputes with the LWDA staff. A hearing will be set up to allow the training provider to informally dispute the matter. A written solution will be mandatory for all disputes and will be filed within 30 days of the filing date of the appeal. Every attempt is made for an informal resolution. All training providers will be notified of their right to file a Second Level Appeal with the TCSG, OWD.
- d. The LWDA staff has access to the Georgia Work Ready Online Participant Portal. The provider’s ETPL information is assessed, as well as participant performance data, to determine if updates are needed to the ETPL. For programs to remain eligible, they must supply updated information regarding their programs. Any data that needs to

- be updated on the list is sent to LWDA staff, who sends a change request to the ETP staff at the TCSG, OWD, for changes. Significant changes to a program, such as a price increase, will be submitted to the WDB for approval.
- e. The Southern Georgia Area's Individual Training Account Policy (see Attachment #9) is included.
 - f. ITA activity is tracked and managed through the Geographic Solutions Georgia Work Ready Online Participant Portal. Data is entered by the participants' case managers and is monitored by LWDA monitoring staff. Reports from the portal are used to monitor performance and participant activity. Additionally, supportive service and training expenditures are reported and tracked for each participant in the portal.
 - g. See Attachment #8.
 - h. The RA program application and instructions can be found on the SGRC website. RA programs are not subject to the same application and performance information requirements. Please see Attachment #8 for details.

28. Implementation of Technology – Provide a description of the technology used to enhance customer (participant and business) experience and any additional data analytics used to enhance planning and measure outcomes beyond mandated performance measures.

Increasing access to technology is a particularly important goal for the Southern Georgia area, which is a multi-county area with little or no public transportation, great rural distances, and many communities too small to have major agencies and facilities.

Customer access to computers is enhanced through the one-stops, which contain computer labs for access to the GWS, job search and other employment related resources. There is also a GED computer lab located at the one-stop.

The Regional Commission also has video conferencing capability, which enhances communication with board members, providers and other area stakeholders. GWS and other labor market data is used to inform planning and program design.

State Initiatives and Vision

29. State Branding – Provide a description for how the area has adopted and utilized the state brand.

The area has adopted and is utilizing the WorkSource state brand. The WDB staff as well as service provider staff identify themselves as WorkSource Georgia staff members. Signage is present at all service provider locations. Letterhead and business cards have been converted to the "WorkSource" Georgia brand.

30.Strategic Populations – Describe how the area will coordinate with the OWD Strategic Populations team, including Veterans Services, Youth Services and Disability Employment Initiatives Leads.

The local area will coordinate with all OWD state initiatives as they relate to the local area. The state’s initiatives will be included in all core partner “Array of Services” information and core partner staff will make applicants aware of these services and refer individuals as appropriate.

Veterans Services

As veterans are the number one priority in the workforce system, the SGWDB will offer services geared to their unique skills and needs. The Business Services Coordinator will build relationships with Moody Air Force Base personnel. LWDA staff will participate in employment activities on base. LWDA staff will work closely with Veterans representatives from the Georgia Department of Labor to assist veterans.

Youth Services

The local area has a robust Out-of-School Program. They will continue to expand this program as well as work closely with OWD on initiatives.

Disability Employment Initiatives

The SGWDB works very closely with the Georgia Vocational Rehabilitation Agency (GVRA). At One-Stop meeting GVRA shared information with the SGWDB and other partners regarding ways to integrate those with disabilities into the service network.

31.Special Populations – Describe how the area has been providing services to the special populations specified in the state plan, to include ex-offenders, veterans, at-risk youth, long-term unemployed, adult learners and individuals with disabilities. If the region has identified additional target groups, please list.

Individuals in special populations benefit through the extensive collaboration and partnerships within the Southern Georgia One-Stop system. The consortium that operates the one-stop referral and service delivery system represent agencies and organizations that work with these populations. Resources are available universally with dedicated representatives and funding for the special populations. Both Comprehensive and Affiliate one-stop sites in the system are accessible to people with disabilities. The One-Stop also provides materials in Spanish.

The local DOL Career Centers have staff who work with veterans and farm workers. The local area has a Priority of Service to Veterans and Eligible Spouses policy (see Attachment #11). The career center staff working with farm workers are bi-lingual. Staff provides outreach and employment services to these groups. Staff serving veterans are out-stationed in the area, including Moody Air Force Base in Valdosta. Career Center staff also work with probation officers and prisons in order to facilitate services to offenders. In addition, the

local area has recently funded an ITA program for offenders held on-site in the county prison.

The long term unemployed are recruited and served through access to UI partners co-located at the one-stop. Adult learners are recruited through the adult education program co-located at the one-stop and at local technical colleges, also through outreach to other local agencies serving this population.

At-risk youth are recruited through outreach with local school systems, the career centers, and other local agencies serving this population.

The one-stop computers at the career centers have served to increase the access of special populations to WIOA. These computers help facilitate access to WIOA of farm workers, individuals with disabilities, SNAP recipients and older workers, in addition to ex-offenders, the long-term unemployed, and at-risk youth. Other strategies to serve these special populations include cross-training staff for each agency representing special populations. The one-stop is already co-located with Legacy Link and Migrant programs. Also, organizations serving these special populations are represented on the board and/or are members of the area's one-stop consortium. We will continue to work closely with all partner agencies to ensure special populations can access WIOA.

32. Priority of Service – Describe how the region will identify and administer the state's priority of service policy. Identify if the region will target populations in addition to one's specified by state and federal policy.

The local area's Adult and Dislocated Worker Priority of Service Policy and Priority of Service Policy for Veterans and Eligible Spouses (see Attachment #11) incorporates the state's priorities and will enable the local area to identify and serve these populations.

Attachment 1:

Local Workforce Development Board Member Listing

Legal Authority

The Workforce Innovation and Opportunity Act (WIOA) sec. 121(c)(1) requires the Local Board, with the agreement of the Chief Local Elected Official (CLEO), to develop and enter into a Memorandum of Understanding (MOU) between the Local Board and the One-Stop Partners, consistent with WIOA Sec. 121(c)(2), concerning the operation of the one-stop delivery system in a local area. This requirement is further described in the Workforce Innovation and Opportunity Act; Joint Rule for Unified and Combined State Plans, Performance Accountability, and the One-Stop System Joint Provisions: Final Rule at 20 CFR 678.500, 34 CFR 361.500, and 34 CFR 463.500, and in Federal guidance.

Additionally, the sharing and allocation of infrastructure costs among one-stop partners is governed by WIOA sec. 121(h), its implementing regulations, and the Federal Cost Principles contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR part 200.

Memorandum of Understanding

This MOU is executed between the Southern Georgia Workforce Development Board (SGWDB), the WorkSource Southern Georgia Partners (Partners), the Local Workforce Development Board Chair (LWDB Chair) and the Chief Local Elected Official (CLEO). They are collectively referred to as the “Parties” to this MOU.

This MOU is developed to confirm the understanding of the Parties regarding the operation and management of the One-Stop Centers in the Southern Georgia Local Workforce Development Area (LWDA). The SGWDB provides local oversight of workforce programming for the LWDA.

The SGWDB, with the agreement of the CLEO, has (competitively) selected the Georgia Department of Labor (GDOL) as the one-stop operator for the LWDA, as further outlined in the [One-Stop Operator](#) section.

The [One-Stop Operating Budget](#) and [Infrastructure Funding Agreement](#) establish a financial plan, including terms and conditions, to fund the services and operating costs of the WorkSource Southern Georgia/American Job Centers (One-Stop) network. The Parties to this MOU agree that joint funding is an essential foundation for an integrated service delivery system and necessary to maintain the LWDA’s high-standard One-Stop Center network.

The [Vision](#), [Mission](#), [System Structure](#), [Terms and Conditions](#), [One-Stop Operating Budget](#), and [Infrastructure Funding Agreement](#) outlined herein reflect the commitment of the Parties to their job seeker and business customers, as well as to the overall Southern Georgia community.

Introduction

Changing labor markets and advances in technology have revolutionized how businesses find talent and jobseekers look for work. Social media, online talent platforms, and professional networking sites are evolving rapidly, perpetuating shifts in labor market dynamics. Additionally, rising consumer expectations and global competition have transformed how business is conducted in most industries. Employers must move faster and more efficiently in order to stay ahead of (or at least keep up with) competitors. This makes it imperative for the public workforce system to continuously adapt and reframe strategies and policies designed to support employers and job seekers.

The SGWDB seeks to establish a system that stands in stark contrast to the “traditional”/historical transaction-based model, whereby each agency operates its own business and job seeker services functions, and participants move from place to place seeking services. Instead, the goal is to create integrated locations and a unified structure and process of proactive, transparent, and effective job seeker and business services, orchestrated by a seamless collaboration of talent development and support agencies.

The purpose of this Memorandum of Understanding (MOU) is to define the parameters within which education, workforce, economic development, and other Partner programs and entities operating in the LWDA create a seamless, customer-focused One-Stop Center network that aligns service delivery across the board and enhances access to program services. By realizing one-stop opportunities together, partners are able to build community-benefiting bridges, rather than silos of programmatic isolation. These partnerships will reduce administrative burden and costs and increase customer access and performance outcomes.

Vision

Empower Southern Georgia employers, individuals, and communities to prosper and grow the region’s economy through a workforce development system that is inherently customer-centered, seamless, and effective.

Mission

To establish a workforce system that provides data-driven and employer-validated talent solutions through the integration of education, workforce, and economic development resources across systems.

System Structure

One-Stop Centers

The LWDA has four One-Stop Centers that are designed to provide a full range of assistance to job seekers and businesses under one roof. Established under the Workforce Investment Act of 1998 and continued by the Workforce Innovation and Opportunity Act, the centers offer a comprehensive array of services designed to match talent with opportunities.

One-Stop Center - Valdosta (Comprehensive)

William Palmer, Career Center Manager	(229) 333-5211
221 South Ashley Street Valdosta, GA 31601	William.Palmer@gdol.ga.gov
8:00am – 4:30pm	https://dol.georgia.gov

One-Stop Center - Douglas (Affiliate)

Alfalene Walker, Career Center Manager	(912) 389-4254
70 Lockwood Drive Douglas, GA 31533	Alfalene.Walker@gdol.ga.gov
8:00am – 4:30pm	https://dol.georgia.gov

One-Stop Center - Tifton (Affiliate)

Donna Martin, Career Center Manager	(229) 286-3322
310 South Tift Avenue Tifton, GA 31794	
8:00am – 4:30pm	https://dol.georgia.gov

One-Stop Center - Waycross (Affiliate)

Patrick Simmons, Career Center Manager	(912) 285-6105
600 Plant Avenue Waycross, GA 31501	Patrick.Simmons@gdol.ga.gov
8:00am – 4:30pm	https://dol.georgia.gov

One-Stop Operator

The SGWDB selected the one-stop operator, GDOL, through a competitive process in accordance with the Uniform Guidance, WIOA and its implementing regulations, and Local procurement laws and regulations. All documentation for the competitive one-stop operator procurement and selection process is published and may be viewed on the Southern Georgia Regional Commission website at: www.sgrc.us. The State requires that the one-stop operator is re-competed at least every three years and no later than every four years.

Functional details are outlined in the [Roles and Responsibilities of Partners](#) section, under [One-Stop Operator](#).

Partner Program	Partner Organization	Authorization/Category	Signatory Official	Contact Information

Terms and Conditions

Partner Services

At a minimum, Partners will make the below services available, as applicable to the program, consistent with and coordinated via the One-Stop Center network system. Additional services may be provided on a case by case basis and with the approval of the SGWDB and the CLEO.

BUSINESS SERVICES		
Serve as a single point of contact for businesses, responding to all requests in a timely manner	Provide information and services related to Unemployment Insurance taxes and claims	Assist with disability and communication accommodations, including job coaches
Conduct outreach regarding Local workforce system's services and products	Conduct on-site Rapid Response activities regarding closures and downsizings	Develop On-the-Job Training (OJT) contracts, incumbent worker contracts, or pay-for-performance contract strategies
Provide access to labor market information	Provide customized recruitment and job applicant screening, assessment and referral services	Provide employer and industry cluster-driven Occupational Skills Training through Individual Training Accounts with eligible training providers
Assist with the interpretation of labor market information	Conduct job fairs	Develop customized training opportunities to meet specific employer and/or industry cluster needs
Use of one-stop center facilities for recruiting and interviewing job applicants	Consult on human resources issues	Coordinate with employers to develop and implement layoff aversion strategies
Post job vacancies in the state labor exchange system and take and fill job orders	Provide information regarding disability awareness issues	Provide incumbent worker upgrade training through various modalities
Provide information regarding workforce development initiatives and programs	Provide information regarding assistive technology and communication accommodations	Develop, convene, or implement industry or sector partnerships

JOB SEEKER SERVICES		
<u>Basic Career Services</u>	<u>Individualized Career Services</u>	<u>Training</u>
Outreach, intake and orientation to the information, services, programs, tools and resources available through the Local workforce system	Comprehensive and specialized assessments of skills levels and service needs	Occupational skills training through Individual Training Accounts (ITAs)
Initial assessments of skill level(s), aptitudes, abilities and supportive service needs	Development of an individual employability development plan to identify employment goals, appropriate achievement objectives, and appropriate combination of services for the customer to achieve the employment goals	Adult education and literacy activities, including English language acquisition (ELA), provided in combination with the training services described above
In and out of area job search and placement assistance (including provision of information on in-demand industry sectors and occupations and non-traditional employment)	Referral to training services	On-the-Job Training (OJT)
Access to employment opportunity and labor market information	Group counseling	Incumbent Worker Training
Performance information and program costs for eligible providers of training, education, and workforce services	Literacy activities related to work readiness	Programs that combine workplace training with related instruction which may include cooperative education
Information on performance of the Local workforce system	Individual counseling and career planning	Training programs operated by the private sector
Information on the availability of supportive services and referral to such, as appropriate	Case management for customers seeking training services; individual in and out of area job search, referral and placement assistance	Skill upgrading and retraining
Information and meaningful assistance on Unemployment Insurance claim filing	Work experience, transitional jobs, registered apprenticeships, and internships	Entrepreneurial training
Determination of potential eligibility for workforce Partner services, programs, and referral(s)	Workforce preparation services (e.g., development of learning skills, punctuality, communication skills, interviewing skills, personal maintenance, literacy skills, financial literacy skills, and professional conduct) to prepare individuals for unsubsidized employment or training	Customized training conducted with a commitment by an employer or group of employers to employ an individual upon successful completion of the training
Information and assistance in applying for financial aid for training and education programs not provided under WIOA	Post-employment follow-up services and support (→ <i>This is not an individualized career service, but listed here for completeness.</i>)	Other training services as determined by the workforce partner's governing rules

YOUTH SERVICES	
Tutoring, study skills training, instruction, and evidence-based dropout prevention and recovery strategies that lead to completion of the requirements for a secondary school diploma or its recognized equivalent (including a recognized certificate of attendance or similar document for individuals with disabilities) or for a recognized postsecondary credential.	Alternative secondary school services, or dropout recovery services, as appropriate.
Paid and unpaid work experiences that have as a component academic and occupational education, which may include: Summer employment opportunities and other employment opportunities available throughout the school year, pre-apprenticeship programs, internships and job shadowing, and on-the-job training opportunities.	Occupational skill training, which shall include priority consideration for training programs that lead to recognized postsecondary credentials that are aligned with in-demand industry sectors or occupations in the local area involved.
Education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster.	Leadership development opportunities, which may include community service and peer-centered activities encouraging responsibility and other positive social and civic behaviors, as appropriate.
Supportive services.	Adult mentoring for the period of participation and a subsequent period, for a total of not less than 12 months.
Follow-up services for not less than 12 months after the completion of participation, as appropriate.	Comprehensive guidance and counseling, which may include drug and alcohol abuse counseling and referral, as appropriate.
Financial literacy education.	Entrepreneurial skills training.
Services that provide labor market and employment information about in-demand industry sectors or occupations available in the local area, such as career awareness, career counseling, and career exploration services.	Activities that help youth prepare for and transition to postsecondary education and training.

Partner On-Site Representation Schedule

See **Attachment A: Partner On-Site Representation Schedule**

Roles and Responsibilities of Partners

The Parties to this agreement will work closely together to ensure that all One-Stop Centers are high- performing work places with staff who will ensure quality of service.

◆ All Parties

All Parties to this agreement shall comply with:

- ❖ Section 188 of the WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38; Final Rule, published December 2, 2016),
- ❖ Title VI of the Civil Rights Act of 1964 (Public Law 88-352),
- ❖ Section 504 of the Rehabilitation Act of 1973, as amended,
- ❖ The Americans with Disabilities Act of 1990 (Public Law 101-336),
- ❖ The Jobs for Veterans Act (Public Law 107-288) pertaining to priority of service in programs funded by the U.S. Department of Labor,
- ❖ Training and Employment Guidance Letter (TEGL) 37-14, Update on Complying with Nondiscrimination Requirements: Discrimination Based on Gender Identity, Gender Expression and Sex Stereotyping are Prohibited Forms of Sex Discrimination in the Workforce Development System and other guidance related to implementing WIOA sec. 188,
- ❖ The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR part 99),
- ❖ Confidentiality requirements governing the protection and use of personal information held by the VR agency (34 CFR 361.38),
- ❖ The confidentiality requirements governing the use of confidential information held by the State UI agency (20 CFR part 603),
- ❖ all amendments to each, and
- ❖ all requirements imposed by the regulations issued pursuant to these acts.

The above provisions require, in part, that no persons in the United States shall, on the grounds of race, color, national origin, sex, sexual orientation, gender identity and/or expression, age, disability, political beliefs or religion be excluded from participation in, or denied, any aid, care, services or other benefits provided by federal and/or state funding, or otherwise be subjected to discrimination.

Additionally, all Parties shall:

- ❖ Collaborate and reasonably assist each other in the development of necessary service delivery protocols for the services outlined in the Partner Services section above,
- ❖ Agree that the provisions contained herein are made subject to all applicable federal and state laws, implementing regulations, and guidelines imposed on either or all Parties relating to privacy rights of customers, maintenance of records, and other confidential information relating to customers, and
- ❖ Agree that all equipment and furniture purchased by any party for purposes described herein shall remain the property of the purchaser after the termination of this agreement.

◆ Chief Local Elected Official

The CLEO for the Southern Georgia LWDA is Peggy Murphy, Mayor, City of Alma. The CLEO will, at a minimum:

- ❖ In Partnership with the SGWDB and other applicable Partners within the planning region, develop and submit a single regional plan that includes a description of the activities that shall be undertaken by the LWDB and its Partners, and that incorporates plans for each of the Local areas in the planning region,
- ❖ Approve the SGWDB budget and workforce center cost allocation plan,
- ❖ Approve the selection of the one-stop operator following the competitive procurement process, and
- ❖ Coordinate with the SGWDB to oversee the operations of the One-Stop Center network.

◆ Southern Georgia LWDB

The SGWDB ensures the workforce-related needs of employers, workers, and job seekers in the LWDA and/or the region are met, to the maximum extent possible with available resources. The LWDB will, at a minimum:

- ❖ In Partnership with the CLEO and other applicable Partners within the LWDA, develop and submit a LWDA/Regional plan that includes a description of the activities that shall be undertaken by the LWDB and its Partners, and that aligns its strategic vision, goals, objectives, and workforce-related policies to the regional plan and economy,
- ❖ In collaboration and Partnership with the CLEO and other applicable Partners within the planning region, develop the strategic regional vision, goals, objectives, and workforce-related policies,
- ❖ In cooperation with the CLEO and the LWDB, design and approve the One-Stop Center network structure. This includes, but is not limited to:
 - ❖ Adequate, sufficient, and accessible one-stop center locations and facilities,
 - ❖ Sufficient numbers and types of providers of career and training services (including eligible providers with expertise in assisting individuals with disabilities and eligible providers with expertise in assisting adults in need of adult education and literacy activities),
 - ❖ A holistic system of supporting services, and
 - ❖ One or more competitively procured one-stop operators.
- ❖ In collaboration with the CLEO, designate through a competitive process, oversee, monitor, implement corrective action, and, if applicable, terminate the one-stop operator(s),
- ❖ Determine the role and day-to-day duties of the one-stop operator,
- ❖ Approve annual budget allocations for operation of the One-Stop Center network,
- ❖ Help the one-stop operator recruit operational Partners and negotiate MOUs with new Partners,
- ❖ Leverage additional funding for the One-Stop Center network to operate and expand one-stop customer activities and resources, and
- ❖ Review and evaluate performance of the LWDA and one-stop operator.

◆ Local Workforce Development Board Staff

Specific responsibilities include, at a minimum:

- ❖ Assist the CLEO and the LWDB with the development and submission of a single regional plan,
- ❖ Support the LWDB with the implementation and execution of the regional vision, goals, objectives, and workforce-related policies, including all duties outlined above,
- ❖ Provide operational and grant-specific guidance to the one-stop operator,
- ❖ Investigate and resolve elevated customer complaints and grievance issues,
- ❖ Prepare regular reports and recommendations to the LWDB, and
- ❖ Oversee negotiations and maintenance of MOUs with one-stop Partners.

◆ One-Stop Operator

GDOL will employ one (1) “Mall Manager” (see [One-Stop Centers](#) section above) who will act as a “functional leader”. As such, they will have the authority to organize and supervise Partner staff, in order to optimize and streamline service delivery efforts. Formal leadership, supervision, and performance responsibilities will remain with each staff member’s employer of record. The one-stop operator, through the Mall Manager, will, at a minimum:

- ❖ Manage daily operations, including but not limited to:
- ❖ Managing and coordinating Partner responsibilities, as defined in this MOU,
- ❖ Coordinating daily work schedules and work flow based upon operational needs, and
- ❖ Coordinating staff vacations/unscheduled absences with the formal leader to ensure service coverage by center staff.
- ❖ Assist the LWDB in establishing and maintaining the One-Stop Center network structure. This includes but is not limited to:
- ❖ Ensuring that State requirements for center certification are met and maintained,
- ❖ Ensuring that career services such the ones outlined in WIOA sec. 134(c)(2) are available and accessible,
- ❖ Ensuring that LWDB policies are implemented and adhered to,
- ❖ Adhering to the provisions outlined in the contract with the LWDB and the LWDB Business Plan,
- ❖ Reinforcing strategic objectives of the LWDB to Partners, and
- ❖ Ensuring staff are properly trained by their formal leadership organizations and provided technical assistance, as needed.
- ❖ Integrate systems and coordinate services for the center and its Partners, placing priority on customer service.
- ❖ Integrated Workforce Service Delivery, as defined by WIOA, means organizing and implementing services by function (rather than by program), when permitted by a program’s authorizing statute and as appropriate, and by coordinating policies, staff communication, capacity building, and training efforts.
- ❖ Functional alignment includes having one-stop center staff who perform similar tasks serve on relevant functional teams, e.g. Skills Development Team or Business Services Team.
- ❖ Service integration focuses on serving all customers seamlessly (including targeted populations) by providing a full range of services staffed by cross-functional teams, consistent with the purpose, scope, and requirements of each program.
- ❖ The services are seamless to the customer, meaning the services are free of cumbersome transitions or duplicative registrations from one program service to another and there is a smooth customer flow to access the array of services available in the workforce center.

- ❖ Oversee and coordinate partner, program, and One-Stop Center network performance. This includes but is not limited to:
- ❖ Providing and/or contributing to reports of center activities, as requested by the LWDB,
- ❖ Providing input to the formal leader (partner program official) on the work performance of staff under their purview,
- ❖ Notifying the formal leader immediately of any staff leave requests or unexcused absences, disciplinary needs, or changes in employee status,
- ❖ Identifying and facilitating the timely resolution of complaints, problems, and other issues,
- ❖ Collaborating with the LWDB on efforts designed to ensure the meeting of program performance measures, including data sharing procedures to ensure effective data matching, timely data entry into the case management systems, and coordinated data batch downloads (while ensuring the confidentiality requirements of FERPA, 34 CFR 361.38, and 20 CFR part 603),
- ❖ Ensuring open communication with the formal leader(s) in order to facilitate efficient and effective center operations,
- ❖ Evaluating customer satisfaction data and propose service strategy changes to the LWDB based on findings.
- ❖ Manage fiscal responsibilities and records for the center. This includes assisting the LWDB with cost allocations and the maintenance and reconciliation of one-stop center operation budgets.

GDOL will not assist in the development, preparation and submission of Local plans. They cannot manage or assist in future competitive processes for selecting operators or select or terminate one-stop operators, career services providers, or Youth providers. The operator cannot negotiate local performance accountability measures or develop and submit budgets for activities of the LWDB. The LWDB is responsible for the negotiated performance measures, strategic planning, budgets, and one-stop operator oversight (including monitoring).

◆ Partners

Each Partner commits to cross-training of staff, as appropriate, and to providing other professional learning opportunities that promote continuous quality improvement.

Partners will further promote system integration to the maximum extent feasible through:

- ❖ Effective communication, information sharing, and collaboration with the one-stop operator,
- ❖ Joint planning, policy development, and system design processes,
- ❖ Commitment to the joint mission, vision, goals, strategies, and performance measures,
- ❖ The design and use of common intake, assessment, referral, and case management processes,
- ❖ The use of common and/or linked data management systems and data sharing methods, as appropriate,
- ❖ Leveraging of resources, including other public agency and non-profit organization services,
- ❖ Participation in a continuous improvement process designed to boost outcomes and increase customer satisfaction, and
- ❖ Participation in regularly scheduled Partner meetings to exchange information in support of the above and encourage program and staff integration.

Data Sharing

Partners agree that the use of high-quality, integrated data is essential to inform decisions made by policymakers, employers, and job seekers. Additionally, it is vital to develop and maintain an integrated case management system, as appropriate, that informs customer service throughout customers' interaction with the integrated system and allows information collected from customers at intake to be captured once.

Partners further agree that the collection, use, and disclosure of customers' personally identifiable information (PII) is subject to various requirements set forth in Federal and State privacy laws. Partners acknowledge that the execution of this MOU, by itself, does not function to satisfy all of these requirements.

All data, including customer PII, collected, used, and disclosed by Partners will be subject to the following:

- ❖ Customer PII will be properly secured in accordance with the LWDB's policies and procedures regarding the safeguarding of PII.
- ❖ The collection, use, and disclosure of customer education records, and the PII contained therein, as defined under FERPA, shall comply with FERPA and applicable State privacy laws.
- ❖ All confidential data contained in UI wage records must be protected in accordance with the requirements set forth in 20 CFR part 603 and O.C.G.A. § 34-8-120, *et.seq.*
- ❖ All personal information contained in VR records must be protected in accordance with the requirements set forth in 34 CFR 361.38.
- ❖ Customer data may be shared with other programs, for those programs' purposes, within the One-Stop Center network only after the informed written consent of the individual has been obtained, where required.
- ❖ Customer data will be kept confidential, consistent with Federal and State privacy laws and regulations.
- ❖ All data exchange activity will be conducted in machine readable format, such as HTML or PDF, for example, and in compliance with Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794 (d)).

All One-Stop Center and Partner staff will be trained in the protection, use, and disclosure requirements governing PII and any other confidential data for all applicable programs, including FERPA-protected education records, confidential information in UI records, and personal information in VR records.

No part shall disclose PII or confidential information, requested by legal process or otherwise, received from another party pursuant to this MOU, without the express written approval of the Party from which the information originated. In such matters, the Party from which the information originated will determine whether the information may legally be disclosed. The Party for which the information was requested may only release the requested information after receiving written instructions from the Party from which the information originated.

Confidentiality

All Parties expressly agree to abide by all applicable Federal, State, and local laws and regulations regarding confidential information, including PII from educational records, such as but not limited to 20 CFR Part 603, O.C.G.A. § 34-8-120, *et.seq.*, 45 CFR Section 205.50, 20 USC 1232g and 34

CFR part 99, and 34 CFR 361.38, as well as any applicable State and local laws and regulations. In addition, in carrying out their respective responsibilities, each Party shall respect and abide by the confidentiality policies and legal requirements of all of the other Parties.

Each Party will ensure that the collection and use of any information, systems, or records that contain PII and other personal or confidential information will be limited to purposes that support the programs and activities described in this MOU and will comply with applicable law.

Each Party will ensure that access to software systems and files under its control that contain PII or other personal or confidential information will be limited to authorized staff members who are assigned responsibilities in support of the services and activities described herein and will comply with applicable law. Each Party expressly agrees to take measures to ensure that no PII or other personal or confidential information is accessible by unauthorized individuals.

To the extent that confidential, private, or otherwise protected information needs to be shared amongst the Parties for the Parties' performance of their obligations under this MOU, and to the extent that such sharing is permitted by applicable law, the appropriate data sharing agreements will be created and required confidentiality and ethical certifications will be signed by authorized individuals. With respect to confidential unemployment insurance information, any such data sharing must comply with all of the requirements in 20 CFR Part 603, including but not limited to requirements for an agreement consistent with 20 CFR 603.10, payments of costs, and permissible disclosures.

With respect to the use and disclosure of FERPA-protected customer education records and the PII contained therein, any such data sharing agreement must comply with all of the requirements set forth in 20 U.S.C. § 1232g and 34 CFR Part 99.

With respect to the use and disclosure of personal information contained in VR records, any such data sharing agreement must comply with all of the requirements set forth in 34 CFR 361.38.

Referrals

The primary principle of the referral system is to provide integrated and seamless delivery of services to workers, job seekers, and employers. In order to facilitate such a system, Partners agree to:

- ❖ Familiarize themselves with the basic eligibility and participation requirements, as well as with the available services and benefits offered, for each of the Partners' programs represented in the LWDA One-Stop Center network,
- ❖ Develop materials summarizing their program requirements and making them available for Partners and customers,
- ❖ Develop and utilize common intake, eligibility determination, assessment, and registration forms,
- ❖ Provide substantive referrals – in accordance with the LWDA Referral Policy – to customers who are eligible for supplemental and complementary services and benefits under partner programs,
- ❖ Regularly evaluate ways to improve the referral process, including the use of customer satisfaction surveys,
- ❖ Commit to robust and ongoing communication required for an effective referral process, and
- ❖ Commit to actively follow up on the results of referrals and assuring that Partner resources are being leveraged at an optimal level.

Accessibility

Accessibility to the services provided by the One-Stop Centers and all Partner agencies is essential to meeting the requirements and goals of the One-Stop Center network. Job seekers and businesses must be able to access all information relevant to them via visits to physical locations as well as in virtual spaces, regardless of gender, age, race, religion, national origin, disability, veteran's status, or on the basis of any other classification protected under state or federal law.

◆ Physical Accessibility

One-stop centers will maintain a culture of inclusiveness and the physical characteristics of the facility, both indoor and outdoor, will meet the latest standards of accessible design. Services will be available in a convenient, high traffic, and accessible location, taking into account reasonable distance from public transportation and adequate parking (including parking clearly marked for individuals with disabilities). Indoor space will be designed in an "equal and meaningful" manner providing access for individuals with disabilities.

◆ Virtual Accessibility

The LWDB will work with the Georgia State Workforce Development Board (SWDB) to ensure that job seekers and businesses have access to the same information online as they do in a physical facility. Information must be clearly marked and compliant with Section 508 of the U.S. Department of Health and Human Services code. Partners will comply with the Plain Writing Act of 2010; the law that requires that federal agencies use "clear Government communication that the public can understand and use" and all information kept virtually will be updated regularly to ensure dissemination of correct information.

Partners should either have their own web presence via a website and/or the use of social media, or work out a separate agreement with the LWDB to post content through its website.

◆ Communication Accessibility

Communications access, for purposes of this MOU, means that individuals with sensory disabilities can communicate (and be communicated with) on an equal footing with those who do not have such disabilities. All Partners agree that they will provide accommodations for individuals who have communication challenges, including but not limited to individuals who are deaf and hard of hearing, individuals with vision impairments, and individuals with speech-language impairments.

◆ Programmatic Accessibility

All Partners agree that they will not discriminate in their employment practices or services on the basis of gender, gender identity and/or expression, age, race, religion, national origin, disability, veteran's status, or on the basis of any other classification protected under state or federal law. Partners must assure that they have policies and procedures in place to address these issues, and that such policies and procedures have been disseminated to their employees and otherwise posted as required by law. Partners further assure that they are currently in compliance with all applicable state and federal laws and regulations regarding these issues. All Partners will cooperate with compliance monitoring that is conducted at the Local level to ensure that One-Stop Center programs, services, technology, and materials are physically and programmatically accessible and available to all.

Additionally, staff members will be trained to provide services to all, regardless of range of abilities, mobility, age, language, learning style, or comprehension or education level. An interpreter will be provided in real time or, if not available, within a reasonable timeframe to any customer with a language barrier. Assistive devices, such as screen-reading software programs (e.g., JAWS and DRAGON) and assistive listening devices must be available to ensure physical and programmatic accessibility within the One-Stop Center network.

Outreach

The LWDB and its Partners will develop and implement a strategic outreach plan that will include, at a minimum:

- ❖ Specific steps to be taken by each partner,
- ❖ An outreach plan to the region's human resources professionals,
- ❖ An outreach and recruitment plan to the region's job seekers, including targeted efforts for populations most at-risk or most in need,
- ❖ An outreach and recruitment plan for out-of-school youth,
- ❖ Sector strategies and career pathways,
- ❖ Connections to registered apprenticeship,
- ❖ A plan for messaging to internal audiences,
- ❖ An outreach tool kit for Partners,
- ❖ Regular use of social media,
- ❖ Clear objectives and expected outcomes, and
- ❖ Leveraging of any statewide outreach materials relevant to the region.

Dispute Resolution

The following section details the dispute resolution process designed for use by the Partners when unable to successfully reach an agreement necessary to execute the MOU. (Note: This is separate from the LWDA Customer Grievance and Complaint Management Policy.) A disagreement is considered to have reached the level of dispute resolution when an issue arises out of the development and negotiation of an MOU that is not easily coming to a point of resolution. It is the responsibility of the LWDB Chair (or designee) to coordinate the MOU dispute resolution to ensure that issues are being resolved appropriately. Any party to the MOU may seek resolution under this process.

- ❖ All Parties are advised to actively participate in Local negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally.
- ❖ Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. The petitioner must send a notification to the LWDB Chair (or designee) and all Parties to the MOU regarding the conflict within 108 business days.
- ❖ The LWDB Chair (or designee) shall place the dispute on the agenda of a special meeting of the LWDB's Executive Committee. The Executive Committee shall attempt to mediate and resolve the dispute. Disputes shall be resolved by a simple majority consent of the Executive Committee members present.
- ❖ The decision of the Executive Committee shall be final and binding unless such a decision is in contradiction of applicable State and Federal laws or regulations governing the Partner agencies.
- ❖ The right of appeal no longer exists when a decision is final. Additionally, final decisions will not be precedent-setting or binding on future conflict resolutions unless they are officially stated in this procedure.

- ❖ The Executive Committee must provide a written response and dated summary of the proposed resolution to all Parties to the MOU.
- ❖ The LWDB Chair (or designee) will contact the petitioner and the appropriate Parties to verify that all are in agreement with the proposed resolution.

Monitoring

The LWDB, or its designated staff, officials from the State and Local administrative entities, the U.S. Departments of Labor, Education, and Health and Human Services have the authority to conduct fiscal and programmatic monitoring to ensure that:

- ❖ Federal awards are used for authorized purposes in compliance with law, regulations, and State policies,
- ❖ Those laws, regulations, and policies are enforced properly,
- ❖ Performance data are recorded, tracked, and reviewed for quality to ensure accuracy and completeness,
- ❖ Outcomes are assessed and analyzed periodically to ensure that performance goals are met,
- ❖ Appropriate procedures and internal controls are maintained, and record retention policies are followed, and
- ❖ All MOU terms and conditions are fulfilled.

All Parties to this MOU should expect regular fiscal and programmatic monitoring to be conducted by each of the above entities, as appropriate.

Non-Discrimination and Equal Opportunity

All Parties to this MOU certify that they prohibit, and will continue to prohibit, discrimination, and they certify that no person, otherwise qualified, is denied employment, services, or other benefits on the basis of: (i) political or religious opinion or affiliation, marital status, sexual orientation, gender, gender identification and/or expression, race, color, creed, or national origin; (ii) sex or age, except when age or sex constitutes a bona fide occupational qualification; or (iii) the physical or mental disability of a qualified individual with a disability.

The Parties specifically agree that they will comply with Section 188 of the WIOA Nondiscrimination and Equal Opportunity Regulations (29 CFR Part 38; Final Rule December 2, 2016), the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), the Non-traditional Employment for Women Act of 1991, titles VI and VII of the Civil Rights of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1967, as amended, title IX of the Education Amendments of 1972, as amended, and with all applicable requirements imposed by or pursuant to regulations implementing those laws, including but not limited to 29 CFR Part 37 and 38.

Indemnification

All Parties to this MOU recognize the Partnership consists of various levels of government, not-for-profit, and for-profit entities. Each party to this agreement shall be responsible for injury to persons or damage to property resulting from negligence on the part of itself, its employees, its agents, or its officers. No Partner assumes any responsibility for any other party, State or non-State, for the consequences of any act or omission of any third party. The Parties acknowledge the LWDB and the one-stop operator have no responsibility and/or liability for any actions of the one-stop center employees, agents, and/or assignees. Likewise, the Parties have no responsibility and/or liability for

any actions of the LWDB or the one-stop operator.

Severability

If any part of this MOU is found to be null and void or is otherwise stricken, the rest of this MOU shall remain in force.

Drug and Alcohol-free Workplace

All Parties to this MOU certify they will comply with the Drug-Free Workplace Act of 1988, 41 U.S.C. 702 et seq., and 2 CFR part 182 which require that all organizations receiving grants from any Federal agency maintain a drug-free workplace. The recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension or debarment under 2 CFR part 180, as adopted by the U.S. Department of Education at 2 CFR 3485, and the U.S. Department of Labor regulations at 29 CFR part 94.

Certification Regarding Lobbying

All Parties shall comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. Section 1352), 29 C.F.R. Part 93, and 34 CFR part 82, as well as the requirements in the Uniform Guidance at 2 CFR 200.450. The Parties shall not lobby federal entities using federal funds and will disclose lobbying activities as required by law and regulations.

Debarment and Suspension

All Parties shall comply with the debarment and suspension requirements (E.O. 12549 and 12689) and 2 CFR part 180 and as adopted by the U.S. Department of Labor at 29 CFR part 2998 and by the U.S. Department of Education at 2 CFR 3485.

Priority of Service

All Parties certify that they will adhere to all statutes, regulations, policies, and plans regarding priority of service, including, but not limited to, priority of service for veterans and their eligible spouses, and priority of service for the WIOA title I Adult program, as required by 38 U.S.C. sec. 4215 and its implementing regulations and guidance, and WIOA sec. 134(c)(3)(E) and its implementing regulations and guidance. Partners will target recruitment of special populations that receive a focus for services under WIOA, such as individuals with disabilities, low-income individuals, basic skills deficient youth, and English language learners.

Buy American Provision

Each Party that receives funds made available under title I or II of WIOA or under the Wagner-Peyser Act (29 U.S.C. Section 49, et. seq.) certifies that it will comply with Sections 8301 through 8303 of title 41 of the United States Code (commonly known as the "Buy American Act.") and as referenced in WIOA Section 502 and 20 CFR 683.200(f).

Salary Compensation and Bonus Limitations

Each Party certifies that, when operating grants funded by the U.S. Department of Labor, it complies with TEGL 05-06, Implementing the Salary and Bonus Limitations in Public Law 109-234, TEGL 17-15, Workforce Innovation and Opportunity Act (WIOA) Adult, Dislocated Worker and Youth Activities Program Allotments for Program Year (PY) 2016; Final PY 2016 Allotments for the Wagner-Peyser Act Employment Service (ES) Program Allotments; and Workforce Information Grants to States

Allotments for PY 2016, Public Laws 114-113 (Division H, title I, Section 105) and 114-223, and WIOA section 194(15)(A), restricting the use of federal grant funds for compensation and bonuses of an individual, whether charged to either direct or indirect, at a rate in excess of the Federal Office of Personnel Management Executive Level II.

Non-Assingment

Except as otherwise indicated herein, no Party may, during the term of this MOU or any renewals or extensions of this MOU, assign or subcontract all or any part of the MOU without prior written consent of all other Parties.

Governing Law

This MOU will be construed, interpreted, and enforced according to the laws of the State of Georgia. All Parties shall comply with all applicable Federal and State laws and regulations, and Local laws to the extent that they are not in conflict with State or Federal requirements.

Steps to Reach Consensus

1. Notification to Partners

The LWDB Chair (or designee) must notify all Parties in writing that it is necessary to renew and execute the MOU and provide all applicable policies and preceding MOU documents, as applicable.

2. Kickoff Meeting

The LWDB Chair (or designee) is responsible for convening all required and optional One-Stop Center Partners to formally kick-off negotiations, and to ensure that, at a minimum, all One-Stop Center Partners from all counties within the LWDA are appropriately represented. The kickoff meeting should take place no later than within four (4) weeks of notification as it must be hosted in a timely manner to allow for all steps to be conducted in good faith and in an open and transparent environment.

At the kickoff meeting, the LWDB Chair (or designee) must provide a detailed review of all relevant documents, facts, and information and ensure all Parties have sufficient time to ask questions or voice concerns and are fully aware of expectations and the overall process.

3. Negotiations

Over the course of the four (4) weeks following the formal kickoff meeting, Partners must submit all relevant documents to the LWDB Chair (or designee) to begin the drafting of the MOU. During this time frame, additional formal or informal meetings (informational and negotiation sessions) may take place, so long as they are conducted in an open and transparent manner, with pertinent information provided to all Parties.

4. Draft MOU

Within six (6) weeks of the kickoff meeting, the LWDB Chair (or designee) must email a complete draft of the MOU to all Parties.

5. Review and Comment

Within three (3) weeks of receipt of the draft MOU, all Parties must review and return feedback to the LWDB Chair (or designee). It is advised that each Party also use this time to allow their

respective Legal Departments to review the MOU for legal sufficiency. It is the responsibility of the LWDB Chair (or designee) to ensure all One-Stop Center Partners to the MOU are aware of the comments and revisions that are needed.

6. Finalized Draft

The LWDB Chair (or designee) must circulate the finalized MOU and secure Partner signatures within four (4) weeks of receipt of feedback. The WIOA MOU will be considered fully executed once all signatories have reviewed and signed, and a signed copy has been returned to all Parties.

If determined that a Partner is unwilling to sign the MOU, then the LWDB Chair (or designee) must ensure that the dispute resolution process is followed.

Modification Process

1. Notification

When a Partner wishes to modify the MOU, the Partner must first provide written notification to all signatories of the existing MOU and outline the proposed modification(s).

2. Discussion/Negotiation

Upon notification, the LWDB Chair (or designee) must ensure that discussions and negotiations related to the proposed modification take place with Partners in a timely manner and as appropriate.

Depending upon the type of modification, this can be accomplished through email communications of all the Parties. If the proposed modification is extensive and is met with opposition, the LWDB Chair (or designee) may need to call a meeting of the Parties to resolve the issue. Upon agreement of all Parties, a modification will be processed.

If the modification involves substitution of a party that will not impact any of the terms of the agreement, it can be accomplished by the original party and the new party entering into an MOU that includes the LWDB, wherein the new party assumes all of the rights and obligations of the original party. Upon execution, the LWDB Chair (or designee) presents the agreement as a proposed modification to the MOU, and the remaining steps are followed.

If determined that a Partner is unwilling to agree to the MOU modification, the LWDB Chair (or designee) must ensure that the process in the [Dispute Resolution](#) section is followed.

3. Signatures

The LWDB Chair (or designee) must immediately circulate the MOU modification and secure Partner signatures within four (4) weeks. The modified MOU will be considered fully executed once all signatories have reviewed and signed.

The modification may be signed in counterparts, meaning each signatory can sign a separate document as long as the LWDB Chair (or designee) acquires signatures of each party and provides a complete copy of the modification with each party's signature to all the other Parties.

Termination

This MOU will remain in effect until the end date specified in the [Effective Period](#) section below, unless:

- ❖ All Parties mutually agree to terminate this MOU prior to the end date.
- ❖ Federal oversight agencies charged with the administration of WIOA are unable to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this MOU succeeding the first fiscal period. Any party unable to perform pursuant to MOU due to lack of funding shall notify the other Parties as soon as the party has knowledge that funds may be unavailable for the continuation of activities under this MOU.
- ❖ WIOA is repealed or superseded by subsequent federal law.
- ❖ Local area designation is changed under WIOA.
- ❖ A party breaches any provision of this MOU and such breach is not cured within thirty (30) days after receiving written notice from the LWDB Chair (or designee) specifying such breach in reasonable detail. In such event, the non-breaching party(s) shall have the right to terminate this MOU by giving written notice thereof to the party in breach, upon which termination will go into effect immediately.

In the event of termination, the Parties to the MOU must convene within thirty (30) days after the breach of the MOU to discuss the formation of the successor MOU. At that time, allocated costs must be addressed.

Any party may request to terminate its inclusion in this MOU by following the modification process identified in the [Modification Process](#) section above.

All Parties agree that this MOU shall be reviewed and renewed not less than once every 3-year period to ensure appropriate funding and delivery of services.

Pursuant to O.C.G.A. Section 50-5-64, this Contract shall not be deemed to create a debt of the State for the payment of any sum beyond the fiscal year of execution or, in the event of a renewal, beyond the fiscal year of such renewal. Further, pursuant to O.C.G.A. Section 50-5-64, this Contract will terminate immediately and absolutely if the State Entity determines that adequate funds are deappropriated such that the State Entity cannot fulfill its obligations under the Contract, which determination is at the State Entity's sole discretion and shall be conclusive.

Effective Period

This MOU is entered into on July 1, 2017. This MOU will become effective as of the date of signing by the final signatory below and must terminate on June 30, 2020, unless any of the reasons in the [Termination](#) section above apply.

One Stop Operating Budget

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the One-Stop Center network. The Parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the operating budget is to develop a funding mechanism that:

- ❖ Establishes and maintains the Local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area,
- ❖ Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program's effectiveness),
- ❖ Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs, and
- ❖ Ensures that costs are appropriately shared by One-Stop Center Partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received, and requiring that all funds are spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The Partners consider this one-stop operating budget the master budget that is necessary to maintain the LWDA's high-standard One-Stop Center network. It includes the following cost categories, as required by WIOA and its implementing regulations:

- ❖ Infrastructure costs (also separately outlined in the [Infrastructure Funding Agreement](#) (IFA)),
- ❖ Career services, and
- ❖ Shared services.

All costs must be included in the MOU, allocated according to Partners' proportionate use and relative benefits received, and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The one-stop operating budget is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

For details please see ***Attachment B: One-Stop Operating Budget***

Cost Allocation Methodology

All Partners in the Southern Georgia LWDA are physically co-located in the Comprehensive One-Stop Center as outlined in the [Partner On-Site Representation Schedule](#) section of the MOU, with the following exceptions:

Required Partners
Senior Community Service Employment Program – Legacy Link
Technical College – Southern Regional Technical College
Technical College – Wiregrass Georgia Technical College

These partners/programs are linked virtually through online service access to a program staff member via One-Stop Center resource rooms and through cross-trained front desk staff and other, physically co-located, partner staff who can provide information and referrals.

The LWDA a weighted square footage methodology as the allocation bases – as outlined in below to determine the overall Partner contributions.

This was done in an effort:

- 1) To remedy the imbalance of non-physically represented Partners, and
- 2) To comply with the requirement of Partners' contributions having to be in proportion to the Partners' use of the one-stop center(s) and relative benefit received.

Please see ***Attachment D: Cost Allocation Details***

Infrastructure Costs

◆ Physical Co-Location

The costs for infrastructure have been allocated to partners based on a weighted square footage methodology. All associated infrastructure costs are added together and then divided by the partner's square footage usage. We have identified the size of a cubicle (64 sq. ft.) and office (120 sq. ft.) based on the average square footage of those spaces in GDOL Career Centers. Partners will be charged for their direct square footage usage. The weighted direct square footage cost is then increased by 30% to include shared circulation costs. Shared circulation includes spaces such as waiting rooms, resources rooms, bathrooms, breakrooms, etc.. The formula for this calculations is (Direct Cost per Sq. Ft X 1.3). This percentage has been confirmed as reasonable by the State Properties Commission (SPC). The GDOL federally approved indirect rate is then applied to this calculation to cover the costs associated with property and contract management, as well as WIOA required invoicing and reconciliation. The space occupied by partners will include basic furniture, building related services, maintenance, security, and telephone and computer access. If GDOL is asked to supply additional software licensing based on partner usage, then any additional cost may be resolved during reconciliation.

If a partner will be in the one-stop 20 hours a week or less, the costs of the cubicle or office can be divided in half.

◆ Electronic Co-Location

The weighted square footage cost includes everything that should be calculated as an infrastructure cost, including technology. GDOL proposes to charge for electronic co-location based on the price of a cubicle. (The cubicle methodology is described above.) This cubicle represents a technology access spot that will be identified in every GDOL Career Center that has been chosen as the Comprehensive One-stop. The access spot will include a computer with Skype access, a VOiP phone line, and all required disability accommodations. The price for the access spot can be divided by the number of partners that are co-locating electronically.

◆ Other Shared Costs

The services that are utilized by all of the partners in this region is the staffing associated with ushering a customer from the door of the center to the point of partner referral. These services are generally carried out by front desk and resource room staff. Those individuals have the job title of either service specialist or service specialist assistant. To ensure uniformity, GDOL will charge for these salaries based on the State of Georgia mid-point plus the state benefits package. The costs for “other shared costs” will be allocated to partners based on a usage methodology. The Department of Labor will calculate usage based on the amount of referrals that each partners receives from the common area staff at the Comprehensive One-stop through the CICS data system. Partners will be given reports regularly, and will be able to confirm their totals using their own data systems. The “other shared costs” total will then be divided by the percentage of referrals that a program receives. For example, if the center staff completed 100 referrals, and WIOA received 10 referrals, then WIOA would be responsible for 10% of the “other shared costs”.

After the first quarter’s reconciliation, the amount each partner will be responsible for will be calculated. In-Kind Contributions may be used to offset other shared costs.

Please see ***Attachment C: Other Shared Costs Details***

Cost Reconciliation and Allocation Base Update

All Parties agree that a quarterly reconciliation of budgeted and actual costs and update of the allocation bases will be completed in accordance with the following process:

- ❖ Partners will provide the LWDB with the following information no later than fifteen (15) days after the end of each quarter, as applicable:
- ❖ Quarterly cost information and documentation of the actual costs,
- ❖ Updated staffing information (per the 1st day of the 1st month of each quarter), and
- ❖ Actual customer participation numbers (per the last day of the last month of each quarter).

Upon receipt of the above information, the LWDB will:

- ❖ Compare budgeted costs to actual costs,
- ❖ Update the allocation bases, and
- ❖ Apply the updated allocation bases, as described in the [Cost Allocation Methodology](#) section above, to determine the actual costs allocable to each partner.
- ❖ The LWDB will prepare an updated budget document showing cost adjustments and will prepare an invoice for each Partner with the actual costs allocable to each Partner

for the quarter.

- ❖ The LWDB will submit the invoices to the Partners and send a copy of the updated budget to all Parties no later than forty-five (45) days after the end of each quarter. The Partners understand that the timeliness of the LWDB's preparation and submission of invoices and adjusted budgets is contingent upon the timeliness of each Partner in providing the necessary cost information. For Partners that advance funds to the Local area, the LWDB will only send a copy of the updated budget.
- ❖ Upon receipt of the invoice and adjusted budget, each Partner will review both documents and will submit payment to the LWDB no later than fifteen (15) days following receipt. Payment of the invoice signifies agreement with the costs in the adjusted budget. For Partners that advance funds to the Local area, the LWDB may draw down funds for quarterly payments upon approval via email of the reconciled budget.
- ❖ Partners will communicate any disputes with costs in the invoice or the adjusted budget to the LWDB in writing. The LWDB will review the disputed cost items and respond accordingly to the Partner and LWDB within ten (10) days of receipt of notice of the disputed costs. When necessary, the LWDB will revise the invoice and the adjusted budget upon resolution of the dispute.

Infrastructure Funding Agreement

One-Stop Center infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the One-Stop Center, including, but not limited to:

- ❖ Rental of the facilities;
- ❖ Utilities and maintenance;
- ❖ Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- ❖ Technology to facilitate access to the One-Stop Center, including technology used for the center's planning and outreach activities.

All Parties to this MOU and IFA recognize that infrastructure costs are applicable to all required Partners, whether they are physically located in the One-Stop Center or not. Each partner's contributions to these costs, however, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner programs' authorizing laws and regulations and the Uniform Guidance.

Partners

Partners funding the costs of infrastructure according to this IFA are the same as identified in the [Partners](#) section of the MOU.

Cost Allocation Methodology

All Parties agree that the cost allocation methodology for this IFA will be the same as described in the [Cost Allocation Methodology](#) section of the MOU.

Cost Reconciliation and Allocation Base Update

All Parties agree that the cost reconciliation and allocation base update for this IFA will be the same as described in the [Cost Reconciliation and Allocation Base Update](#) section of the MOU.

Steps to Reach Consensus

All Parties agree that the steps to reach consensus for this IFA will be the same as described in the [Steps to Reach Consensus](#) section of the MOU. Partners will make a concerted effort to negotiate the IFA along with the remainder of the MOU, including the overall operating budget, for the One-Stop Center network.

Dispute and Impasse Resolution

All Parties will actively participate in Local IFA negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally. Should informal resolution efforts fail, the process outlined in the [Dispute Resolution](#) section of the MOU must be followed.

If Partners in a Local area have employed the dispute resolution process and have failed to reach consensus on an issue pertaining to the IFA, then an impasse is declared and the State Funding Mechanism (SFM) is triggered.

1. Notice of failure to reach consensus given to the Governor.

If the Parties cannot reach consensus on methods of sufficiently funding a one-stop center's infrastructure costs and the amounts to be contributed by each Local Partner program, the LWDB is required to notify the Governor. Notification must be given to the Governor by May 12, 2017 (three months prior to the projected MOU start date), according to the State of Georgia Workforce Development Policy.

2. Negotiation materials provided to Governor.

The LWDB Chair (or designee) must provide the appropriate and relevant materials and documents used in the negotiations to the Governor, preferably at the time of the notification of failure to reach consensus, but no later than five (5) business days thereafter. At a minimum, the LWDB Chair (or designee) must provide to the Governor:

- ❖ The Local WIOA plan,
- ❖ The cost allocation methodology or methodologies proposed by the Partners to be used in determining the proportionate share,
- ❖ The proposed amounts or budget to fund infrastructure costs,
- ❖ The amount of Partner funds included,
- ❖ The type of funds (cash, non-cash, and third-party in-kind contributions) available (including all documentation on how Partners valued non-cash and third-party in-kind contributions consistent with 2 CFR 200.306),
- ❖ Any proposed or agreed on One-Stop Center budgets (for individual centers or a network of centers), and
- ❖ Any partially agreed upon, proposed, or draft IFAs.

The LWDB may also provide the Governor with additional materials that they or the Governor find to be appropriate.

3. Governor Determinations and Calculations

The Governor will:

- ❖ Determine one-stop center infrastructure budget(s),
- ❖ Establish cost allocation methodology(s),
- ❖ Determine Partners' proportionate shares,
- ❖ Calculate statewide caps,
- ❖ Assess the aggregate total of infrastructure contributions as it relates to the statewide cap, and
- ❖ Adjust allocations.

Once all determinations and calculations are completed, the Governor will notify the LWDB Chair (or designee) of the final decision and provide a revised IFA for execution by the Parties.

4. IFA Execution

The IFA becomes effective as of the date of signing by the final signatory.

Modification Process

All Parties agree to abide by the process for modification, as outlined in the [Modification Process](#) section of the MOU.

Effective Period

This IFA is entered into on July 1, 2017. This IFA will become effective as of the date of signing by the final signatory below and must terminate on June 30, 2020, unless any of the reasons in the [Termination](#) section of the MOU apply.

Please see the following attachments for details regarding partner contributions:

Attachment E: Comprehensive One-Stop (Valdosta) Partner Contributions

Attachment F: Affiliate One-Stop (Douglas) Partner Contributions

Attachment G: Affiliate One-Stop (Tifton) Partner Contributions

Attachment H: Affiliate One-Stop (Waycross) Partner Contributions

Definitions

One-Stop Delivery System

The one-stop delivery system (herein also referred to as the One-Stop Center network) brings together workforce development, educational, and other human resource services in a seamless customer-focused service delivery network that enhances access to the programs' services and improves long-term employment outcomes for individuals receiving assistance. One-stop Partners administer separately funded programs as a set of integrated streamlined services to customers. [20 CFR 678.300(a); 34 CFR 361.300(a); and 34 CFR 463.300(a)]

Required One-Stop Partners

- ◆ Department of Labor
 - ❖ WIOA title I programs:
 - Adult, Dislocated Worker, and Youth formula programs;
 - Job Corps;
 - YouthBuild;
 - Native American programs;
 - Migrant Seasonal Farmworkers (MSFW) that includes the National Farmworker Jobs Program (NFJP);
 - ❖ Wagner-Peyser Act Employment Service program authorized under the Wagner-Peyser Act (29 U.S.C. 49 et seq.), as amended by WIOA title III;
 - ❖ Senior Community Service Employment Program (SCSEP) authorized under title V of the Older Americans Act of 1965;
 - ❖ Trade Adjustment Assistance (TAA) activities authorized under chapter 2 of title II of the Trade Act of 1974;
 - ❖ Unemployment Compensation (UC) programs;
 - ❖ Jobs for Veterans State Grants (JVSG) programs authorized under chapter 41 of title 38, U.S.C.;
 - ❖ Reentry Employment Opportunities (REO) programs (formerly known as Reintegration of Ex-Offenders Program (RExO)) authorized under sec. 212 of the Second Chance Act of 2007 (42 U.S.C. 17532) and WIOA sec. 169;
- ◆ Department of Education
 - ❖ Adult Education and Family Literacy Act (AEFLA) program, authorized under WIOA title II;
 - ❖ Career and technical education programs at the postsecondary level, authorized under the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins);
 - ❖ The State Vocational Rehabilitation (VR) Services program authorized under title I of the Rehabilitation Act of 1973 (29 U.S.C. 720 et seq.), as amended by WIOA title IV;

- ◆ Department of Housing and Urban Development
 - ❖ Employment and training programs

- ◆ Department of Health and Human Services
 - ❖ Employment and training activities carried out under the Community Services Block Grant (CSBG) programs (42 U.S.C. 9901 et seq.); and
 - ❖ Temporary Assistance for Needy Families (TANF) program authorized under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), unless exempted by the Governor under 20 CFR 678.405(b). [WIOA sec. 121(b)(1)(B); 20 CFR 678.400-405; 34 CFR 361.400-405, and 34 CFR 463.400-405]

Additional One-Stop Partners

Other entities that carry out a workforce development program, including Federal, State, or Local programs and programs in the private sector, may serve as additional Partners in the One-Stop Center network if the LWDB and CLEO approve the entity's participation.

Additional Partners may include employment and training programs administered by the Social Security Administration, including the Ticket to Work and Self-Sufficiency Program established under sec. 1148 of the Social Security Act (42 U.S.C. 1320b-19), employment and training programs carried out by the Small Business Administration, Supplemental Nutrition Assistance Program (SNAP) employment and training programs, authorized under secs. 6(d)(4) and 6(o) of the Food and Nutrition Act of 2008 (7 U.S.C. 2015(d)(4) and 2015(o)), Client Assistance Program authorized under sec. 112 of the Rehabilitation Act of 1973 (29 U.S.C. 732), programs authorized under the National and Community Service Act of 1990 (42 U.S.C. 12501 et seq.), and other appropriate Federal, State, or local programs, including employment, education, and training programs provided by public libraries or in the private sector, programs providing transportation assistance, and programs providing services to individuals with substance abuse or mental health issues.

[20 CFR 678.410; 34 CFR 361.410; 34 CFR 463.410; and TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (p. 7)]

Infrastructure Costs

Non-personnel costs that are necessary for the general operation of the one-stop center, including but not limited to applicable facility costs (such as rent), costs of utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities. Common identifier costs may be considered as costs of one-stop infrastructure. [WIOA sec. 121(h)(4); 20 CFR 678.700(a)-(b); 34 CFR 361.700(a)-(b); and 34 CFR 463.700(a)-(b)]

Additional Costs

Must include the costs of the provision of career services in Sec. 134(c)(2) applicable to each program consistent with Partner program's applicable Federal statutes and allocable based on cost principles of the Uniform Guidance at 2 CFR Part 200 and may include shared operating costs and shared services.

[WIOA Sec. 121(i)(1); 20 CFR 678.760(a); 34 CFR 361.760(a); 34 CFR 463.760(a); and TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp.

4- 5, Attachment II)]

Shared Operating Costs and Shared Services

Shared operating costs and shared services costs may include costs of shared services that are authorized for and may be commonly provided through the one-stop Partner programs, including initial intake, assessment of needs, appraisal of basic skills, identification of appropriate services, referrals to other one-stop Partners, and business services. [WIOA sec. 121(i)(2); 20 CFR 678.760(b); 34CFR 361.760(b); 34 CFR 463.760(b); and TEGL 17-16, RSA TAC 17-3, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 4-5, Attachment II)]

One Stop Operating Budget

The one-stop operating budget of one-stop centers is the financial plan that the one-stop partners, the CLEO, and the LWDB have agreed to in the MOU that will be used to achieve their goals of delivering services in a local area. The MOU must contain, among other things, provisions describing how the costs of shared services provided by the one-stop system and the operating costs of such system will be funded, including the infrastructure costs for the one-stop system (WIOA sec. 121(c)(2)(A) and 20 CFR 678.500(b)).

The one-stop operating budget may be considered the master budget that contains a set of individual budgets or components that consist of costs that are specifically identified in the statute: infrastructure costs, defined in WIOA sec. 121(h)(4); and additional costs which must include applicable career services and may include shared operating costs and shared services that are related to the operation of the one-stop delivery system and do not constitute infrastructure costs. These additional costs are described in WIOA sec. 121(i). The one-stop operating budget must be periodically reconciled against actual costs incurred and adjusted accordingly. This reconciliation helps to ensure that the budget reflect a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to the partner's use of the one-stop center and relative benefit received. The one-stop operating budget may be further refined by the one-stop partners, as needed, to assist in tracking their contributions. It may be necessary at times to separate the budget of a comprehensive one-stop center from a specialized one-stop center or an affiliate one-stop center.

One-Stop operating costs include infrastructure costs and additional costs, which are made up of applicable career service, shared operating costs and shared services.

[TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 3-4)]

Infrastructure Funding Agreement (IFA)

The IFA contains the infrastructure costs budget that is an integral component of the overall one-stop operating budget. The other component of the one-stop operating budget consists of applicable career services, shared operating costs, and shared services, which are considered additional costs. While each of these components covers different cost categories, an operating budget would be incomplete if any of these cost categories were omitted, as all components are necessary to maintain a fully functioning and successful local one-stop delivery system. Therefore, the Departments strongly recommend that the LWDBs, one-stop partners, and CLEOs negotiate the IFA, along with additional costs when developing the operating budget for the local one-stop system. The overall one-stop operating budget must be included in the MOU. IFAs are a mandatory component of the

local MOU, described in WIOA sec. 121(c) and 20 CFR 678.500 and 678.755. Similar to MOUs, the LWDB may negotiate an umbrella IFA or individual IFAs for one or more of its one-stop centers.

The Departments also consider it essential that the IFA include the signatures of individuals with authority to bind the signatories to the IFA, including all one-stop partners, CLEO, and LWDB participating in the IFA.

Changes in the one-stop Partners or an appeal by a one-stop partner's infrastructure cost contributions will require a renewal of the MOU. [TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 17-18 and Attachment II)]

Funding Types

- ◆ Cash
 - ❖ Cash funds provided to the LWDB or its designee by one-stop Partners, either directly or by an interagency transfer, or by a third party.
- ◆ Non-Cash
 - ❖ Expenditures incurred by one-stop Partners on behalf of the one-stop center; and
 - ❖ Non-cash contributions or goods or services contributed by a Partner program and used by the one- stop center.
- ◆ Third-party In-kind
 - ❖ Contributions of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with one-stop operations, by a non-one-stop Partner to:
 - ❖ Support the one-stop center in general; or
 - ❖ Support the proportionate share of one-stop infrastructure costs of a specific partner.

[20 CFR 678.720; 20 CFR 678.760; 34 CFR 361.720; 34 CFR 361.760; 34 CFR 463.720; and 34 CFR 463.760]

Allocation

Allocation means the process of assigning a cost, or a group of costs, to one or more cost objective(s), in reasonable proportion to the benefit provided or other equitable relationship. The process may entail assigning a cost(s) directly to a final cost objective or through one or more intermediate cost objectives. [2 CFR 200.4]

Cost Objective

Cost objective means a program, function, activity, award, organizational subdivision, contract, or work unit for which cost data are desired and for which provision is made to accumulate and measure the cost of processes, products, jobs, capital projects, etc. A cost objective may be a major function of the non-Federal entity, a particular service or project, a Federal award, or an indirect (Facilities & Administrative (F&A)) cost activity, as described in Subpart E—Cost Principles of this Part. See also §§ 200.44 Final cost objective and 200.60 Intermediate cost objective. [2 CFR 200.28]

Attachment I: Authority and Signature

- **One completed, signed, and dated Authority and Signature page is required for each signatory official (see list on page 10-11).**

By signing my name below, I, _____,
certify that I have read the above information. All of my questions have been discussed and answered satisfactorily.

My signature certifies my understanding of the terms outlined herein and agreement with:

- The MOU
 The Operating Budget
 The Infrastructure Funding Agreement (IFA)

By signing this document, I also certify that I have the legal authority to bind my agency (outlined below) to the terms of:

- The MOU
 The Operating Budget
 The Infrastructure Funding Agreement (IFA)

I understand that this MOU may be executed in counterparts, each being considered an original, and that this MOU expires either:

- a) In three years,
- b) Upon amendment, modification, or termination, or
- c) On June 30, 2020, whichever occurs earlier.

Effective Date: **07/01/2017**

I. Overview

WIOA creates a comprehensive workforce system known as the One-Stop System. The One-Stop System is intended to be customer-focused, to help Americans access the tools they need to manage their careers through information and high quality services, and help businesses find skilled workers.

II. Statement of Purpose

The purpose of certification is to ensure standard, best practices and quality service throughout the Southern Georgia Local Workforce Development Area (LWDA) #18/Region 11. Assessment and certification ensures that One Stop sites are working in alignment with key WIOA goals/principles as outlined in Section IV, and meeting federal requirements as defined in Section 121 of the Workforce Innovation and Opportunity Act. This policy and procedure defines the processes for One-Stop Certification for LWDA #18.

III. One-Stop System Goal

The One-Stop System goal is to increase the employment retention, and earnings of participants, and increase occupational skill attainment by participants, and, as a result improve the quality of the workforce, reduce welfare dependency and enhance the productivity and competitiveness of the nation.

IV. WIOA Key Principles

The certification of One Stop Career Centers and workforce centers is founded on the seven (7) key principles of the WIOA, specified below:

1. Streamlining Services – Streamlining services and programs allows for the integration of resources to ensure maximum efficiency and responsiveness.
2. Empowerment – One Stop Career Centers provide a wide range of service options as well as sufficient information and assistance to aid customers in making informed educational decisions, providing them with a sense of empowerment.
3. Increased Accountability – Success is calculated by measuring clear, quantifiable outcomes through evaluating the needs and expectations of employers, job seekers, and the workforce investment system.
4. Universal Access – Through One-Stop Career Centers, all LWIOA #18 residents, including individuals with disabilities, have access to a full array of job seeking and employment development services.

5. Providing Flexibility from State Partners – Allow local flexibility to implement innovative and comprehensive workforce investment systems to meet the needs of their communities.
6. Improve Youth Programs – By linking more closely to local labor market needs and the community.

V. Initial One-Stop Certification

Each LWDA must have at least one certified Comprehensive One-Stop and an executed Memorandum of Understanding (MOU) in place by July 1, 2017. The MOU, executed by all required partners present within the LWDA, outlines the service delivery structure and identifies the service delivery sites, both potential comprehensive one-stops and affiliate one-stops. Utilizing the prospective service delivery sites identified in the MOU, each LWDA must assign staff to perform certification.

VI. One-Stop Certification Criteria

One-Stop Certification Criteria has been established and can be found attached to this policy and procedure document. Criteria includes *Attachment A: Comprehensive One-Stop Certification Criteria*, *Attachment B: Affiliate One-Stop Certification Criteria* and *Attachment C: Accessibility and Equal Opportunity Certification*. LWDB staff will utilize the appropriate documents based upon their designations in the MOU.

One-Stop certification criteria must be reviewed every two years. For program year 2017 and 2018 the attached criteria will be utilized. Prior to the beginning of program year 2019 the LWDB must take formal action to readopt the One-Stop Certification Criteria.

VII. One-Stop Re-Certification

All certified one stop systems must be re-certified every two (2) years. Re-certification and LWDB approval must take place on or before June 30th of the program year of expiration. LWDB staff will notify the one stop operators and partners when the re-certification process will begin.

VIII. Business Plan

LWDB's are charged with utilizing criteria and quality standards for the purpose of holding Operators accountable for the One-Stop System or center(s) they oversee. In order to ensure certification creates a consistent level of quality in the services provided in the LWDA, the LWDB will be required to submit a business plan to the State Workforce Development Board (SWDB). See *Attachment E: Business Plan Requirements*.

IX. Review Process

1. Identify the prospective locations and schedule onsite inspections and interviews. These locations should only consist of those locations identified in the proposed MOUs.
2. Prior to the onsite visit, review the certification documents from prior year to ensure the One-Stop has no un-resolved findings from the prior monitoring visit.
3. Depending on the site designation, either comprehensive or affiliate, complete either *Attachment A* or *Attachment B*. *Attachment C* should be completed for every site.

The LWDB reserves the right to conduct review at any time necessary if there has been cause for concern.

X. LWDB Approval

LWDB staff will report to the board and give their recommendation regarding certification. The LWDB must vote to certify, based on the staff recommendations. Following the Board meeting, a letter will be sent to the One Stop operator identifying certification status and term of certification.

If a One-Stop site identified in the MOU is not certified, the LWDB must work with the site to develop a corrective action plan that will correct the deficiencies. In such a case, a return visit will be necessary to verify the corrective action has taken place. Once confirmed, the LWDB staff will present their findings to the board who will determine if the site will be certified.

XI. OWD Notification

Once the LWDB has approved the One-Stop certification, an executed certification page for each site must be submitted to OWD. The completed certification tools do not need to be submitted to OWD. They will be retained for review during the OWD annual onsite monitoring.

If any prospective site identified in the MOU is not certified, the LWDB must provide an explanation and justification as to why. The completed certification documents must be sent to OWD. OWD may provide technical assistance to remedy the failed certification.

Comprehensive One-Stop Certification Guidelines

Customer Intake and Flow of Services

1. Does the site use customer-focused processes such as integrated and expert welcoming and intake for all customers? Does the site provide seamless and coordinated customer centered services through the front-desk staff and counselors?

Yes No

2. Provide a brief overview of the One-Stop Operator's role and duties. Please address how the operator ensures the seamless provision of the required partner services.

Notes:

Memorandum of Understanding (MOU)

1. Does the LWDA have a fully executed MOU signed by all locally present required partners?
Yes No
2. Does the MOU describe the method in which each required partner program delivers services through the one-stop delivery system?
Yes No
3. Does the MOU identify how the one-stop operator will coordinate service delivery?
Yes No
4. Does the MOU describe how program integration is achieved and how the costs of these services will be funded?
Yes No
5. Does the MOU include an infrastructure funding agreement that ensures each present required partner contributes a proportionate share of infrastructure costs?
Yes No
6. Does the MOU address sharing of costs associated with "other shared costs," as defined by federal regulation? Specifically, are required basic career services proportionally shared amongst all present required partners?
Yes No
7. Does the MOU address the provision of career services? (Reference TEGL 10-16, released December 19, 2016).
Yes No
8. Does the MOU outline the methods for customer referrals between partners?
Yes No
9. Does the MOU have an amendment provision?
Yes No
10. How often does the board review and renew the MOU?
(MOU must be renewed at least once every three years.)
11. What is the date of the last renewal or the initial execution date?
12. Is there a process for periodic reconciliation of the Infrastructure Funding Agreement?
Yes No
13. Is the duration of the MOU defined?
Yes No

14. Does the MOU cover the period of time in which the infrastructure funding agreement is effective?

Yes No

15. Does the MOU describe the process for the parties to resolve disputes?

Yes No

Notes:

Operational Details

1. Is the one-stop center accessible to those in the area?

Yes No

Please describe the steps taken to make it accessible.

2. Is the one-stop center open outside of normal/standard business hours?

Yes No

3. Does the one-stop have secure document storage?

Yes No

Describe how customer personal identification information is kept secure.

Describe how information is transferred between customer and case manager and from case manager to case manager.

4. Detail and describe the site's resource area. Are both business and participant customer needs satisfied by the resources made available?

5. Describe the internet/network infrastructure.

6. Does the customer have seamless access to information and resources upon entering the one-stop?

Yes No

7. Does the one-stop center have options for customer access to Career Advisors or resources?

Yes No

8. Are customers referred to any partner services through virtual or electronic means?

Yes No

Describe:

9. Does the one-stop center provide knowledgeable staff with technical skills or training to assist customers in accessing available basic career services?

Yes No

10. Has the site completed the attached Accessibility and Equal Opportunity Certification? (Attachment C)?

Yes No

Notes:

Statewide Branding

Indicate whether the One-Stop signage complies with the statewide branding standards. For any “No” answer provide a plan for correcting.

1. Does the logo include the tagline “Connecting Talent with Opportunity?”
Yes No
2. Does the logo include the AJC tagline?
Yes No
3. Is there adequate clear space left around the logo?
Yes No
4. Is the logo symbol placed to the left of WorkSource?
Yes No
5. If in color, does the logo meet the guidelines of being in turquoise, orange, green and gray?
Yes No
6. If in one color, does the logo meet the requirements of being in either turquoise, black, or white (with shades of said color providing the distinction in shapes within the mark)?
Yes No
7. Does the One-Stop appropriately use the WorkSource brand? Reference: WIG-PS-16-002.
Yes No .

Notes:

Customer Satisfaction

1. How do you plan on gathering customer feedback?
2. How do you plan on gathering employer feedback?
3. How do you plan on having staff share and discuss feedback from customers and employers?
4. How will feedback be utilized and integrated into your practices, and how will you notify customers and employers of the incorporation?
5. How will you measure the success or failure of integrating customer and employer feedback?

Notes:

Continuous Improvement

1. How do you use data to improve upon the one-stop services?
2. How do you share this data with staff?
3. How do you incorporate staff ideas and feedback to improve the performance of the one-stop?
4. How is staff feedback utilized and incorporated into your practices?
5. How do you let staff know that their ideas have been incorporated?
6. How do you measure the success or failure of staff feedback integration?
7. Share any best practices of the one-stop that contribute to continuous improvement.
8. List any best practices to highlight and share continuous improvement of programmatic and physical accessibility.

Accessibility and Equal Opportunity Certification

1. Does the one-stop have policies and procedures to ensure that no individual is excluded from participation or denied the benefits any WIOA Title program on the basis of race, color, religion, sex, national origin, age, disability, or political affiliation or belief or, for beneficiaries, applicants, and participants only, on the basis of citizenship or participation? (29 C.F.R. § 38.5)

Yes No

If no, describe the corrective action plan.

2. Does the one-stop ensure that no qualified individual with a disability is excluded from participation in, or denied the benefits of a service, program or activity because the one-stop facility is inaccessible or unusable by individuals with disabilities? (29 C.F.R. § 38.13)

Yes No

If no, describe the corrective action plan.

3. Does the one-stop comply with the applicable provision of Title II of the ADA in the new facilities or alterations of facilities that began construction after January 26, 1992, comply with the applicable federal accessible design standards, such as the ADA Standards for Accessible Design (1991 or 2010) or the Uniform Federal Accessibility Standards? (29 C.F.R. § 38.13)

Yes No

If no, describe the corrective action plan.

4. Does the one-stop comply with the accessibility obligations under Section 504 of the Rehabilitation Act and the implementing regulations at 29 C.F.R. part 32? (29 C.F.R. § 38.13)

Yes No

If no, describe the corrective action plan.

5. Does the one-stop provide programming and activities that are programmatically accessible, which includes providing reasonable accommodations for individuals with disabilities, making reasonable modifications to policies, practices, and procedures, administering programs in the most integrated setting appropriate, communicating with persons with disabilities as effectively as with others, and providing appropriate auxiliary aids or services, including assistive technology devices and services, where necessary to afford individuals with disabilities an equal opportunity to participate in, and enjoy the benefits of, the program or activity? (29 C.F.R. § 38.13)

Yes No

If no, describe the corrective action plan.

6. Does the one-stop comply with the obligations outlined in subparts A and B of 29 C.F.R. § 38 which are the implementing regulations of WIOA Section 188?

Yes No

If no, describe the corrective action plan.

Attachment D: Partner Presence Instructions

Instructions:

1. Under "Physical Presence": Average Hours/Week On-Site", include the number of hours per week the agency is on site, if applicable.
2. Under "Agency Name" list the agency that represents the partner program.
3. Under "Agency Personnel Names" list the names of those on-site.
4. Under "Scheduled Hours" list the scheduled hours of the person.
5. Under "Scheduled Days" list the days the person is scheduled at the site.
6. Under "Electronic Presence" indicate whether or not the partner agency has an electronic presence on-site.
7. If questions do not apply to the particular agency, indicate so in the "Not Applicable" column.

One-Stop System Business Plan

LWDB's are charged with utilizing criteria and quality standards for the purpose of holding Operators accountable for the One-Stop System or center(s) they oversee. In order to ensure certification creates a consistent level of quality in the services provided in the LWDA, the LWDB will be required to submit a business plan to the State Workforce Development Board (SWDB).

The process shall include the following:

1. LWDA will submit a business plan to their Local Board that will be forwarded to the State Board for written determination within 90 days of submittal.
 - a. If denied, a written explanation will be given, and a Local Board may submit a revised plan to re-initiate the process at any time.
2. The Local Board conducts a site review within 60 days of the business plan approval. The reviewer will use the business plan, and interview site and partner staff to ensure compliance. Notification will be given within 30 days of the site review.
 - a. If denied, then a corrective plan is provided with written determination and technical support to aid in reaching compliance. Within 60 days of resubmission, the Local Board will conduct a new site review.
 - b. On-site reviews may be delegated to an administrative entity, as long as the reports are received by the Local Board.
3. Once the Local Board has completed the on-site review, the State Board grants certification status.

All business plans submitted to OWD must contain the following items:

1. A vision and mission statement;
2. A diagram or narrative of customer flow throughout the tiers of services;
3. Identification of the clear flow of services between all partners; Identification of the facility's service delivery structure, i.e., location service mix and customer flow;
4. Demonstration of a plan for increased enrollment in various programs and increased use of facilities;
5. Identification of a system for referral to training services and use of ITAs;
6. Identification of leveraged resources with various funding streams, educational grants, and other financial aid programs;
7. Identification of a community outreach plan; and
8. Identification of all One-Stop partners and the ways in which services are integrated

Notification of One-Stop Certification

Site Information

Georgia Department of Labor, Valdosta Career Center
201 S. Ashley Street
Valdosta, GA 31601

Based upon criteria outlined in the One-Stop Certification Tools, this center qualifies for certification as:

<input type="checkbox"/>	Comprehensive One-Stop (Complete Attachment A)
<p>A Comprehensive One-Stop Center, at a minimum, includes access to:</p> <ul style="list-style-type: none"> WIOA Title I Adult, Dislocated Worker, and Youth Services ★ Wagner-Peyser Employment Services programs ◆ Vocational Rehabilitation Services ◆ Adult Education and Literacy ◆ Job Corps Youthbuild Native American programs Migrant and Seasonal Farmworker programs Senior Community Service Employment program Carl D. Perkins programs Trade Adjustment Assistance programs Jobs for Veterans State Grants programs Community Services Block Grant employment and training programs Department of Housing and Urban Development employment and training activities Programs authorized under State unemployment and compensation laws Programs authorized under Sec. 212 of the Second Chance Act <p>★must be physically present ◆preference is for physical presence</p>	

<input type="checkbox"/>	Affiliate One-Stop
<p>At a minimum, includes access to:</p> <p>One or more of the above-required partners such that programs (other than Wagner-Peyser) have a physical presence of combined staff more than 50% of the time the center is open¹.</p>	

¹ § 678.310 What is an affiliated site and what must be provided there?

(a) An affiliated site, or affiliate one-stop center, is a site that makes available to job seeker and employer customers one or more of the one-stop partners' programs, services, and activities. An affiliated site does not need to provide access to every required one-stop partner program. The frequency of program staff's physical presence in the affiliated site will be determined at the local level.

§ 678.315 If [Wagner-Peyser Act](#) employment services are provided at an affiliated site, there must be at least one or more other partners in the affiliated site with a physical presence of combined staff more than 50% of the time the center is open. Additionally, the other partner must not be the partner administering local veterans' reemployment representatives, disable veterans' outreach representatives, disabled veterans' outreach program specialties, or unemployment compensation programs.

Definitions

One-Stop Delivery System – The One-Stop Service Delivery System is primarily composed of Comprehensive One-Stops that provide access to all of the required partner programs present within the Local Workforce Development Area (LWDA) and Affiliate One-Stops that provide access to one or more of the required partner programs. Federal service delivery requirements are different for Comprehensive and Affiliate One-Stops. Therefore, the certification guidelines separate the certification process and require LWDBs to complete distinct certification tools for each type of One-Stop.

Comprehensive One-Stop Center – is a physical location where job seeker and employer customers can access the programs, services, and activities of all required one-stop partners. A comprehensive one-stop center must have at least one Title I staff person physically present.

The comprehensive one-stop center must provide:

1. Career services, as described in §678.430;
2. Access to training services described in §680.200 of this chapter;
3. Access to any employment and training activities carried out under sec. 134(d) of WIOA;
4. Access to programs and activities carried out by one-stop partners listed in §678.400 through §678.410, including the Employment Service program authorized under the Wagner-Peyser Act, as amended by WIOA Title III (Wagner-Peyser Act Employment Service Program); and,
5. Workforce and labor market information.

Customers must have access to these programs, services, and activities during regular business days at a comprehensive one-stop center. The Local Workforce Development Board (LWDB) may establish other service hours outside of normal business hours to accommodate the schedules of individuals who work on regular business days. The State Workforce Development Board will evaluate operational hours as part of the evaluation of effectiveness in the one-stop certification process described in §678.800(b).

The site must be physically and programmatically accessible to individuals with disabilities, as described in 29 C.F.R. part 38 and the regulations implementing WIOA Sec. 188.

Affiliate One-Stop Center - An affiliate one-stop center, is a site that provides access to the job seeker and employer customers to one or more of the one-stop partners' programs, services, and activities. An affiliate site does not need to provide access to every required one-stop partner program. The frequency of program staff's physical presence in the affiliate site will be determined at the local level.

If Wagner-Peyser Act employment services are provided at an affiliate site, there must be at least one or more other partners in the affiliate site with a physical presence of combined staff more than 50% of the time the center is open. Additionally, the other partner must not be the partner administering local veterans' reemployment representatives, disable veterans' outreach representatives, disabled veterans' outreach program specialties, or unemployment compensation programs.

The site must be physically and programmatically accessible to individuals with disabilities, as described in 29 C.F.R. part 38 and the regulations implementing WIOA Sec. 188.

Access - the federal regulations define "Access" to each partner program and its services to mean:

1. Having a program staff member physically present at the one-stop center;
2. Having a staff member from a different partner program physically present at the one-stop center appropriately trained to provide information to customers about the programs, services, and activities available through partner programs; or
3. Making available a direct linkage through technology to program staff who can provide meaningful information or services.
 - a. A “direct linkage” means providing direct connection at the one-stop center, within a reasonable time, by phone or through a real-time web-based communication to a program staff member who can provide program information or services to the customer.
 - b. A “direct linkage” cannot exclusively be providing a phone number or website or providing information, pamphlets, or materials.

Firewalls & Conflict of Interest Agreement

Purpose

To provide necessary firewalls to avoid conflicts of interest for entities performing multiple roles in the Local Workforce Development Area (LWDA).

All parties included in this agreement are required to disclose any real or potential (real, apparent or organizational) conflicts of interest.

References

- "Paragraph (b) of § 679.420 provides a list of the key functions of a fiscal agent. The appropriate role of fiscal agent is limited to accounting and funds management functions.
- Entities serving multiple roles must adhere to WIOA title I, subtitle E (Administration) and § 679.430 to ensure appropriate firewalls within a single entity performing multiple functions, including when a fiscal agent also functions as a direct provider of services."

Roles Performed in the LWDA

1. Southern Georgia Regional Commission Board/Council – Oversight
2. Southern Georgia Regional Commission – Administrative Entity & Fiscal Agent
3. Local Workforce Development Board (LWDB) and Committees – Oversight
4. One-Stop Operator – Comprehensive One-Stop Services – Georgia Department of Labor
5. Service Provider/One-Stop Partner

Oversight includes guidance, effective communications, information sharing, records management, reporting, identification of risks, reviews of policy and procedures, and monitoring.

Monitoring occurs as a scheduled event and during regular day-to-day management. It also includes desk-top and on-site monitoring of records, information, finances, compliance, and performance.

The role of the SGRC Council/Board is to provide guidance and oversee the responsibilities of the Grant Recipient/Fiscal Agent, the Southern Georgia Regional Commission.

The role of the Southern Georgia Regional Commission is the Administrative Entity and Fiscal Agent for Workforce Innovation and Opportunity Act funds and programs. These duties include: accounting and fund management; monitoring and oversight of funds disbursed to service providers; oversight of daily operations for WIOA funded customer and employer services; oversight and monitoring of service providers; serving as staff to the Workforce Development Board, conduct Request for Proposal activities; certify Comprehensive and Affiliate One-Stop centers.

The role of the Workforce Development Board is to provide guidance and oversee the responsibilities of the Administrative Entity (SGRC) including the Workforce Development Board staff. To effectively manage this, the WDB receives input from WDB staff, SGRC Council/Board, WDB Committees and Chief Local Elected Officials.

The Georgia Department of Labor (GDOL) serves more than one role within the LWDA. GDOL serves as the One-Stop Operator and coordinates service delivery of the One-Stop Career Center partners and providers at the One-Stop. Additional responsibilities, as needed and allowable by law, may be added by the LWDA.

GDOL is also a core and mandatory WIOA One-Stop partner, providing Wagner-Peyser and Unemployment services. This dual role is allowable pursuant to 20 CFR § 679.430; however, the following firewalls are in place to prevent any conflict of interest:

- a) In coordinating services and serving as a one-stop operator, GDOL must refrain from establishing practices that create disincentives to providing services to individuals with barriers to employment who may require longer-term services, such as intensive employment, training and education services;
- b) GDOL as the OSO may not:
 - a. Convene system stakeholders to assist in the development of the local plan;
 - b. Prepare and submit local plans (as required under WIOA sec. 107);
 - c. Be responsible for the oversight of itself. The WDB and WDB staff will provide oversight including establishing performance measures and monitoring procedures;
 - d. Manage or significantly participate in the competitive selection process for one-stop operators;
 - e. Select or terminate
 - i. One Stop Operators
 - ii. Career Service Providers
 - iii. Youth Providers
 - f. Negotiate local performance accountability measures; or
 - g. Develop and submit budgets for activities of the WDB in the LWDA.

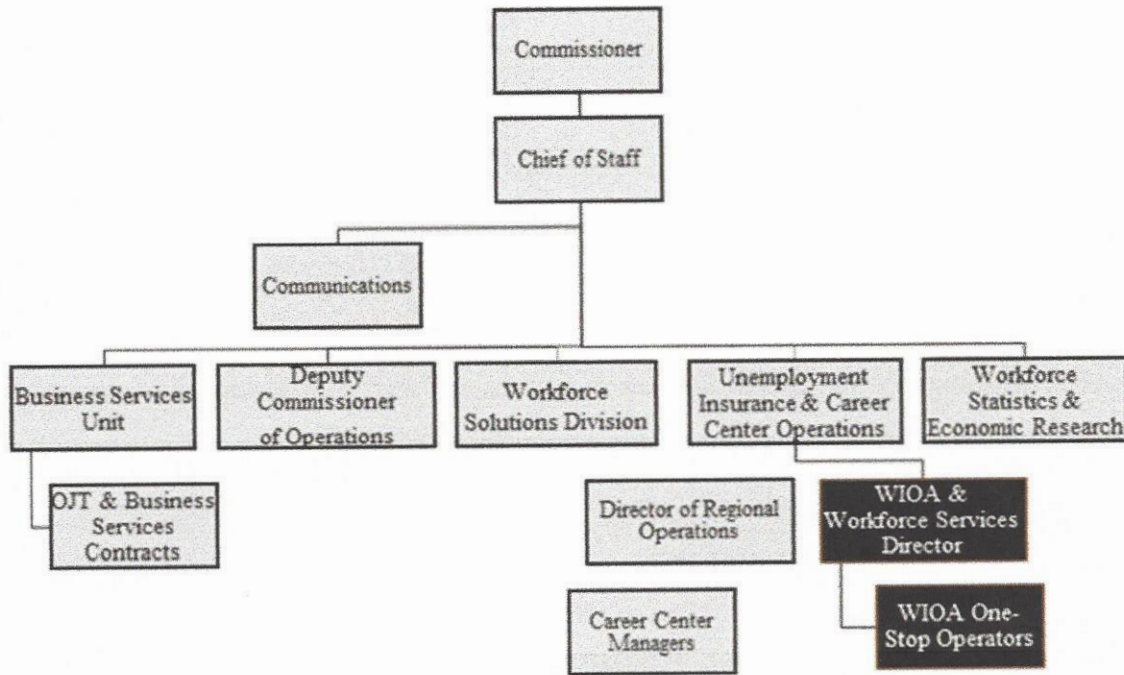

In addition, individuals who represent GDOL on the Workforce Development Board must not cast a vote, nor participate in any decision-making capacity, on the provision of services by the OSO, nor vote on any matter which would provide any direct financial benefit to GDOL. No employee, office, or agent may participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest.

LWDA Procurement Procedures

Policy/Procedure #: **18-004-100**

Policy Name: **LWDA Procurement Procedures**

Effective Date: **07/01/2015**

Revised: **02/26/2017**

The key principles and elements of the SGRC's WIOA procurement process include:

- A code of conduct to avoid conflicts of interest, real or apparent
- Fair and open competition
- Arm's length negotiations
- Consideration of small, minority and women-owned businesses
- Avoidance of unnecessary or duplicative purchases
- Documentation of the procurement

PROCUREMENT AUTHORITY, RESPONSIBILITY, AND DELEGATION

The SGRC executive director and division director(s) are authorized to procure goods and services. The SGRC executive director is the authorized signatory for contracts.

PROCUREMENT METHODS

Competitive procurement is the preferred method for purchasing goods and services. Several methods of competitive procurement may be utilized as per Uniform Guidance Subpart D 200.320.

1. Micro-Purchases – Micro-purchases are purchases of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchase procedures comprise a subset of the small purchase procedure. The method is used in order to expedite the completion of lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions). It is \$3,000 except as otherwise discussed in Subpart 2.1 of that regulation, but this threshold is periodically adjusted for inflation. To the extent practicable, micro purchases will be distributed equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the WDB/RC considers the price to be reasonable. For purchases of routine supplies, price quotations may be obtained periodically to ensure the WDB/RC is receiving the best price available.
2. Small Purchases – \$3,001 - \$25,000. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the Simplified Acquisition Threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified suppliers. At least three bids should

be obtained if the expected price exceeds \$3,001. Catalogs and current price lists may be used. As per OWD Policies & Procedures 2.2.9 (III) (2) if a purchase exceeds \$5,000 the local area must obtain and document prior approval for the purchase from OWD.

3. Formal advertising/sealed bid method - This method is appropriate and effective when the product or service being purchased can be described at a high level of precision, and the product or service purchased is for a firm, fixed price, and the contract will be awarded to the responsible bidder whose bid, conforming to all material terms and conditions of the solicitation, is the lowest in price.
4. Request for proposal method - This method is commonly used to procure training or services for participants when more than one source will be submitting a proposal and program specifications are usually too broad to compare responses solely on the basis of cost. The solicitation, or RFP, must specify deliverables, the basis for payment and information and requirements for the product or service being procured. The RFP must be publicized and distributed to any agency, organization, or individual that requests a copy. A bidder's list will be maintained to ensure maximum fair and open competition.

Staff members must review all proposals to determine responsiveness and competitiveness. Proposals to serve youth must be reviewed by the Southern Georgia WDB Youth Committee. The Youth Committee will make funding recommendations for youth providers/services to the WDB Budget and Proposal Committee. The WDB Budget and Proposal Committee will review Proposals to serve adults and/or dislocated workers and make recommendations to the Workforce Development Board for adult and/or dislocated worker services in addition to youth services. The Workforce Development Board will select proposals for funding. After proposals have been selected, negotiations will occur and a contract will be executed.

5. Intent to Bid - An intent to bid will be used when there is uncertainty about whether a sufficient number of proposals will be received. If an intent to bid results in multiple qualified providers, an RFP will be issued. If only one qualified provider responds, sole source procurement may be used. If no providers respond, SGRC staff may contact an organization (noncompetitive procurement) in order to provide the service.

Noncompetitive Procurement may be necessary in certain situations when competition is not feasible or practical. Noncompetitive procurement may be used in several situations.

1. Emergency - The SGRC may use this type of noncompetitive procurement when an emergency exists and the urgency of the requirement will not allow time to obtain competition. If the purchase is for services for participants, current providers and/or proposers who submitted proposals for the training/service needed but were not selected for award may be contacted to determine interest in providing the service. If the above is not feasible, the Workforce Development Board may select an alternative, qualified provider and enter into sole source procurement with the provider.
2. Tuition purchases - Tuition and related fees, books and supplies may be purchased noncompetitively for individuals enrolling in classroom training available to the general public in a public or proprietary institution of higher education or a public post-secondary vocational institution.
3. State authorized noncompetitive procurement - The SGRC may use noncompetitive procurement if it is authorized by a state agency.
4. On-the-Job Training (OJT) agreement – OJT agreements with employers may be procured noncompetitively.
5. One service provider - Noncompetitive procurement may be used if there is only one qualified provider for the service or product.

6. Failed competitive procurement - Noncompetitive procurement may be used if a competitive procurement process was conducted and no responsive and competitive proposal was received for the service being solicited.

DOCUMENTATION OF PROCUREMENT

Applicable and appropriate records for each procurement will be maintained. Necessary documentation will vary depending on the procurement method. Documentation may include, but is not limited to, requisitions, purchase orders, receipts, invoices, comparative price form, rationale for method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price, reasonableness of cost, review scores, and/or other documentation of the procurement.

COMPLAINTS

Southern Georgia complaint procedures are applicable when registrants, WIOA personnel, and other interested persons have complaints about WIOA activities and programs. These complaint procedures outline protest procedures to handle and resolve disputes relating to procurements and shall in all instances disclose information regarding the protest to the awarding agency as stipulated in the WIOA Proposed Rules and Section 181 of WIOA.

INFORMATION AND INSTRUCTIONS FOR STAFF

For Procurement

The purpose of these instructions is to ensure the SGRC staff follows appropriate procurement procedures and that a quality product/service is obtained at a fair price and that federal and state procurement requirements are met.

Prior to any purchase the following must be considered:

- Is the procurement necessary and appropriate?
- Is the cost allowable?
- Will the cost benefit the operation, administration, performance or image of the program?
- Has a cost/price analysis been completed to establish a contract amount for the procurement?
- Have these steps been documented?

The key principles and elements of the SGRC's procurement process are described in the following paragraphs.

1. Code of Conduct

The SGRC shall avoid conflicts of interest, real or apparent, and shall adhere to the following code of conduct. No officer, employee, or agent shall:

1. solicit or accept gratuities, favors, or anything of monetary value from suppliers or potential suppliers, including subcontractors under recipient contractor; or
2. participate in the selection, award, or administration of a procurement where to the individual's knowledge, one of the following has a financial or other substantive interest in any organization which may be considered for award:
 - a. the officer, employee, or agent;
 - b. any member of his or her immediate family;
 - c. his or her partner; or
 - d. a person or organization which employs, or is about to employ, any of the above.

Violations of these standards will result in appropriate action such as determined by the SGRC executive director. Such action may include, but is not limited to:

- a reprimand; and/or
- suspension from employment; and/or
- termination of employment

2. Fair and Open Competition

All procurement actions regardless of dollar amount or method used will be conducted in a manner that provides for maximum open and free competition. SGRC staff must ensure that procurement transactions:

- Do not place unreasonable requirements on firms in order for them to qualify to do business (e.g. prior or unnecessary experience in the local area, high net worth or excessive bonding in relation to the budget of the project);
- Prohibit or restrict noncompetitive awards to consultants who are on a retainer contract;
- Prohibit organizational conflicts of interest in the evaluation of bids and selection of providers;

- Facilitate open, objective, non-arbitrary actions by all participants in the procurement process.

3. **Arm's Length Negotiations**

The criterion for "arm's length" is that each representative involved in contract negotiations has an opposing economic interest. The executive director or the workforce development director shall negotiate WIOA contracts unless an opposing economic interest does not exist. In that case, the SGRC executive director shall appoint another staff person to negotiate the contract.

4. **Small, Minority, and Women-Owned Businesses**

The SGRC shall give consideration to SMW businesses. The SGRC will:

- Identify SMW businesses which are potential service providers/vendors and include them on the RFP mailing list
- Ensure that, when economically feasible, total requirements are divided into smaller units to permit maximum participation by SMW businesses.
- Ensure that the delivery schedule of a procurement is not limited as to preclude active participation by SMW organizations.

5. **Avoidance of Unnecessary or Duplicative Purchases**

The executive director or division director will review proposed procurements to avoid the purchase of unnecessary or duplicative items and to facilitate the acquisition of goods/services in the most economical manner.

6. **Documentation of the Procurement**

Applicable and appropriate records for each procurement will be maintained. Necessary documentation will vary depending on the procurement method. Documentation may include, but is not limited to, requisitions, purchase orders, receipts, invoices, comparative price form, rationale for method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price, reasonableness of cost, review scores, and/or other documentation of the procurement.

PROCUREMENT METHODS

COMPETITIVE PROCURMENT is the preferred method for purchasing goods and services. Several methods of competitive procurement may be utilized.

1. Micro purchase method – This method will be used only if the "per transaction" value of the procurement is under \$3,000.

In using the micro-purchase method, the following steps will be followed:

- a. An SGRC requisition form will be completed.
- b. The requisition must be approved by the division director. If the price is under \$500 then approval by the executive director is not required.
- c. If the price is over \$500 then approval by the executive director is required.
- d. Once all approvals have been obtained, a purchase order will be completed and given to the staff member who initiated the requisition.
- e. The staff member may proceed with purchasing the product/service.

The requisition, purchase order, comparable price form, invoices, sales receipt and/or other similar records will be maintained

2. **Small purchase method** - This method will be used only if the “per transaction” value of the procurement is under \$25,000. At least three bids should be obtained if the expected price exceeds \$3,001. Catalogs and current price lists may be used. If the price exceeds \$5,000 prior approval from OWD must be obtained and documented.

In using the small purchase method, the following steps will be followed:

- a. An SGRC requisition form will be completed.
- b. If the expected price will exceed \$3,001, a comparable price form must be completed and attached to the requisition. This form must identify three potential vendors and the price quoted from each vendor. Product or service catalogs and current price lists may be used.
- c. The reason for vendor selection must be recorded on the comparable price form.
- d. If the price exceeds \$5,000 written approval must be obtained from OWD.
- e. The requisition with the comparable price form (and OWD approval if required) must be approved by the division director. If the price is under \$500 then approval by the executive director is not required.
- f. If the price is over \$500 then approval by the executive director is required.
- g. Once all approvals have been obtained, a purchase order will be completed and given to the staff member who initiated the requisition.
- h. The staff member may proceed with purchasing the product/service.

The requisition, purchase order, comparable price form, invoices, sales receipt and/or other similar records will be maintained.

3. **Formal advertising/sealed bid method** - This method is appropriate and effective when the product or service being purchased can be described at a high level of precision, and the product or service purchased is for a firm, fixed price, and the contract will be awarded to the responsible bidder whose bid, conforming to all material terms and conditions of the solicitation, is the lowest in price.

This method typically involves the purchase of commodity-type goods/services that are widely available in the marketplace.

In using the formal advertising method, the following steps will be followed:

- a. A request for Quotation or an Invitation for Bids will be developed and will include the following information:
 1. Key performance dimensions or specifications;
 2. Clearly defined specifications and descriptions for the item or service(s) being purchased;
 3. Time frames including bid opening date and location;
 4. Format for submission of bids and submission deadline;
 5. Rights of the SGRC regarding acceptance and rejection of bids that are received.
- b. This RFQ/IFB will be posted on the SGRC website and advertised in the Waycross Journal-Herald and the Valdosta Daily (and other newspapers, as appropriate), and will be sent to known suppliers in the area at least three weeks before the bid opening date.
- c. All bids will be opened publicly at the time and location identified in the RFQ/IFB.

- d. An independent estimate of the expected cost will be prepared prior to receiving bids. Reasonableness of cost will be determined by comparing this cost to the bids.
- e. The contract will be awarded to the lowest bidder that conforms with all specifications in the RFQ/IFB. Selected bidder(s) will be notified within five working days.

The SGRC may reject any or all bids when there are sound, documented business reasons in the best interest of the SGRC. If a bid is rejected, the specific reasons for the rejection must be fully described and documented in the procurement file.

Documentation of the procurement will be maintained. Documentation shall include a copy of the RFQ/IFB, the publication notice; all bids received, and if the award is made to a bidder other than the lowest price, a memo detailing the reasons for non-responsiveness of the lowest bid to the RFQ/IFB specifications.

4. **Request for Proposal (RFP) Method** - An RFP is commonly used to procure training or services for participants, when more than one source may submit an offer, or proposal, and program specifications are usually too broad to compare responses solely on the basis of cost. The solicitation, or RFP, must specify deliverables, the basis for payment and information and requirements for the product or service being procured. The RFP must be publicized and distributed to any agency, organization, or individual that requests a copy. A bidder's list will be maintained to ensure maximum fair and open competition.

Developing the RFP Package

The Request for Proposal package is the solicitation document and it will be written by a staff member and reviewed by another staff person. After the decision has been made about types of programs and/or services, the RFP will be developed using the most recent RFP and these procedures as a guide.

Requirement for Information in the RFP Package

The following information must be included in the RFP Package:

1. Submission requirements, including due date, number of copies to be submitted, proposal submission format, and where to submit the proposal;
2. Who to contact for questions about the RFP and procedures for responding to questions;
3. A general description of the subgrant program including applicable federal and state laws and regulations with which proposers must comply (including OMB circulars);
4. The population group to be served and minimum service levels to specific target groups;
5. Approximate number to be served in each activity;
6. Type of training or service to be provided, including recruitment, assessment, case management, etc;
7. Funding parameters;
7. Performance goals and expected program results by activity;
8. Method for payment and invoicing;

9. Applicable coordination requirements;
10. Review criteria to be used to determine responsiveness and competitiveness, including specific criteria which will be used and the relative importance weight of each in the evaluation and the minimum score for determining competitiveness;
11. Record retention and availability requirements;
12. Appeal procedures;
13. Equal opportunity provisions;
14. Monitoring and reporting requirements;
15. Prohibition of political and religious activities;
16. Audit requirements;
17. Participation in the statewide computerized information system;
18. Line item budget for proposed cost;
19. Insurance and bonding requirements;
20. Non-duplication of facilities or services;
21. Schedule for receipt of proposals, evaluation, award and notification to proposers;
22. Documentation required to establish fiscal capability and capacity;
23. Training and meeting requirements;
24. A disclaimer that reserves the right to accept or reject any or all proposals;
25. A certification that the agency has not been debarred or suspended from receiving federal funds;
26. A certification regarding lobbying;
27. Documentation to establish programmatic capability, such as references and past performance data;
28. Prohibition against subcontracting without prior approval by the SGRC;
29. The period of performance, or contract period, with a clear explanation of contract extension(s) for additional years; and
30. Any other information that will assist potential providers in preparing a proposal.

Publication of the RFP

The availability of the RFP will be posted on the SGRC website and must be publicized and advertised in local newspaper(s) of general distribution in the area. A public notice must be posted on the SGRC website and placed in the Waycross Journal-Herald and the Valdosta Daily Times (and other

newspapers, as appropriate) at least three weeks prior to the proposal due date. A public notice or news release may be placed in other newspapers, if appropriate. The web post and public notice must include:

- The services being solicited
- The due date for proposals
- The person and place to contact for more information

Prior to the web post and public notice or on the same day the notice is posted on the web and the public notice is placed in the newspaper, a letter of availability of the RFP is mailed to every name on the RFP mailing list.

RFP Mailing List

The SGRC will maintain an RFP mailing list that contains the names and addresses of organizations, agencies and individuals who have expressed an interest in providing services. A request to be on the list may be verbal or written. Additionally, a name may be added to the list if it is known that the agency provides like or similar services being solicited. A name will be removed from the list if correspondence is returned and the SGRC has not received a current mailing address. The letter of availability will be mailed to all the names on this list. A letter of availability may be e-mailed.

RFP Information Meeting (Bidder's Conference)

The SGRC may hold an RFP information meeting to review the objectives and submission requirements of the procurement and to provide an opportunity for attendees to ask questions relative to the procurement. The division director and/or the assistant executive director will decide whether or not to conduct an RFP information meeting.

The meeting location, date and time will be included in the Letter of Availability and will be posted on the SGRC website and advertised in the Waycross Journal Herald and the Valdosta Daily Times (and other newspapers, as appropriate). The meeting should be held at least ~~three~~ two weeks prior to the proposal submission deadline.

Minutes (or notes) of the meeting must be taken and filed in the procurement file.

Disseminating Clarifying Information

A log of inquiries should be maintained. For all inquiries, except those that are clearly answered in the RFP, clarifying information will be sent to all organizations/individuals that received a copy of the RFP.

RFP Amendments

If an amendment is needed to the RFP to expand or restrict the solicitation, a copy of the amendment/changes will be sent to all organizations/individuals that received a copy of the RFP.

Receipt and Distribution of Proposals

The SGRC receptionist will receive, date stamp, assign numbers, and log each proposal. The receptionist will distribute the proposals appropriately.

Evaluation Procedures

An SGRC staff person will review all proposals to determine responsiveness. The criterion, which has been included in the RFP, will be used to determine responsiveness:

- The proposal is received by the deadline advertised;
- The proposal is in the required format; and
- The correct number of copies is submitted.

All proposals that are determined responsive will be evaluated for competitiveness. Prior to receipt of proposals, the division director and/or executive director will appoint an evaluation panel of at least three staff members (more if workload will allow) to review and rate proposals. The review panel will be selected on the basis of their independence and integrity (i.e. no conflict of interest), their competence and knowledge, and their availability. The review panel *must* consist of SGRC staff members and it *may* have individuals who have expertise in the services/activities being procured.

The panel will be briefed about the review process and will be given the review criteria. Reviewers must individually rate each proposal using the criteria (which was included in the RFP). The scores will be averaged for the total proposal score. All proposals scoring at or above the minimum score will be considered for funding. The minimum score will be 65, unless advertised differently in the RFP Package. The proposals receiving the highest score may not always be selected for funding. This rating establishes that a proposal meets a minimum standard and is competitive, and the Workforce Development Board may select the proposal for funding.

At a minimum, the review criteria will include the following:

1. The capacity and capability of the proposer to meet program design specifications and performance goals;
2. A satisfactory record of past performance;
3. Adequate financial resources and technical skills to perform the financial requirements; and
4. A reasonable cost.

Selection Procedures

For proposals to serve youth, a copy of each proposal is given to the members of the Southern Georgia WDB Youth Committee. Staff review scores, a cost comparison of proposals, and a summary of each proposal are also given to the committee. This committee reviews and discusses each proposal and makes recommendations for funding to the Southern Georgia WDB Budget and Proposal Review Committee. The Budget and Proposal Review Committee of the WDB reviews proposals and the Youth Committee's recommendations and makes funding recommendations to the WDB.

For adult and dislocated workers, review scores, a cost comparison of proposals, and a summary of each proposal are presented to the WDB Budget and Proposal Review Committee. This committee makes funding recommendations to the WDB. The WDB makes the final decision on which proposals to fund and authorizes the SGRC staff to negotiate contracts.

Determining Reasonableness of Cost – First Phase

The workforce development director or planner will prepare an independent estimate of cost for some items before proposals are received. Proposed cost will be compared to this estimation.

The director or planner will prepare a cost comparison/analysis. The cost comparison will exclude payments to participants and training costs paid to employers for OJT. The comparison may include, but is not limited to, the following:

1. All price quotations received for like services. This **comparative analysis** will be used when two or more responsive proposals are received for the same program activity and propose a project of similar scope and size for similar service area.
2. A **risk adjustment analysis** will be done when two or more responsive proposals are received for the same activity (as described in the comparative analysis above) except that one of the proposals includes a program design with a higher level of risk, such as target groups to be served or innovation in the design. The item(s) creating the risk will be identified on the cost comparison.
3. Past and/or current contract costs for like services in the area or in another area. This **historical analysis** will be used to compare the proposed cost to the past or current cost of the same or similar activity in the preceding year in the area or in another area.
4. Cost per participant; and/or
5. Cost per training hour.

This cost comparison/analysis is used by staff during the review process and is provided to the Youth Committee and WDB Budget and Proposal Review Committee. It may also be given to the full WDB.

Determining Reasonableness of Cost – Second Phase

The second phase of determining reasonableness of cost will occur after the WDB has selected proposals for negotiation. This phase consists of a line item budget review/analysis. The line item budget will include at least **two** of the following:

1. The evaluation of line item costs to each other within a proposal;
2. A comparison of specific line items to the same line items in other similar proposals;
3. A comparison of line items in the proposal to actual line item expenditures in a previous similar contract;
4. A comparison of line items to the area price ranges (independent cost estimate for some line items developed prior to receipt of proposals); and/or
5. A comparison of line items to market rates (market analysis).

In reviewing the line item budget, the following applies to each line item:

1. Allowable – This means that the cost is not disallowed in the state and federal policy, i.e., entertainment expenses are unallowable;
2. Necessary – The cost is necessary to provide the services under the contract. A rational relationship must exist between the level of expenditure and the purpose of the contract. For example, salary for a counselor is necessary for a contract that requires counseling and employer payments are not necessary for a contract that does not include On-the-Job Training.

3. Appropriate – The cost is appropriate in relation to the operational requirements and outcomes of the program activities/services to be provided. For example, Job readiness workbooks are an appropriate cost if participants will attend a job readiness workshop.
4. Allocable – The cost must be chargeable to a title and/or cost category.

Contingency List

A contingency list may be established by the WDB. The list will consist of proposers whose evaluation scores meet or exceed the minimum score and were not selected for award, but with whom contracts may be negotiated and awarded at a later date.

Notifications

The workforce development director or planner will notify all proposers of the status (i.e., selected, rejected, not selected for funding but on contingency list, audit review pending, pre-award survey pending, etc.) of their proposal in writing (email or correspondence) five days from the WDB's selection.

If the review and award schedule specified in the RFP Package must be extended, all proposers will be notified of such extension in writing (email or correspondence) by the director or planner.

Pre-selection Negotiations

The director or planner may contact proposers to obtain clarification of proposal content and/or to request a "best and final" proposal prior to selection. The WDB may select one or more proposers for contract negotiations, and the award will go to the proposer that is most advantageous to the WDB.

Verifying Business Operation Capability

After the WDB has selected a proposal for funding, the director or planner will verify the technical and financial capability of the proposer prior to finalizing the contract. In some cases, the SGRC administrative executive director, the SGRC's auditor, or other individuals may review/verify capability.

Any (or all) of the following items may be reviewed/verified:

- Registration with the Georgia Secretary of State
- Status of federal and state taxes
- County or city license requirements
- Status of Georgia unemployment insurance wage reports and taxes
- Observation of the facilities and equipment
- Review of most recent audit
- Qualifications and experience of staff
- Equal opportunity and grievance procedures
- Procurement procedures
- Other written (or practiced) policies and procedures

Documentation of the Procurement

The planner will maintain a file to document the RFP process. The following items will be maintained and constitute a record of the process:

1. The RFP Package
2. A copy of the public notification
3. A copy of the Letter of Availability
4. The RFP mailing list to which the Letter of Availability was mailed
5. A list of organizations requesting and receiving the RFP package
6. Agenda and minutes of the informational meeting, if applicable
7. A copy of inquiries and clarification updates
8. Log sheet of receipt of proposals
9. An original copy of each proposal received
10. A copy of the checklist used to determine responsiveness for each proposal
11. Completed copies of the review criteria for each member of the evaluation panel
12. The total score for each competitive proposal
13. Minutes of the WDB Youth Committee meeting and the WDB Budget and Proposal Committee meeting and any other meetings if applicable where decisions about the procurement are made
14. A copy of the cost comparison/analysis
15. A copy of the notification to each proposer with the status of the proposal
16. The negotiation memo for each contract, including documentation of reasonableness of cost
17. A copy of any written grievances and the resolution of each.

4. Intention to Bid

An intention to bid will be used when uncertainty exists about (1) the number of providers who have the capacity to provide the needed training/service and (2) the number of competitive proposals that would be received. An intention to bid will include the following steps:

- A. The workforce director or planner will develop a set of preliminary training/services specifications which includes the following:
 1. Specific type of training/services to be performed
 2. Estimated number of participants and specific target group(s) to be served

3. Available funds
 4. Expected period of performance
 5. Geographic area to be served
 6. Type of contract to be awarded
 7. Expected performance criteria, if applicable
 8. Date the proposed RFP will be issued.
- B. The planner will issue an intent to bid letter which includes the above specifications. This letter will also request capacity, capability, and experience information about the agency or organization. It will be mailed to organizations on the RFP mailing list. The letter will advertise a response deadline.
- C. The planner will post on the SGRC web site and publicize (by public notice) the intent to bid in the Waycross Journal Herald and the Valdosta Daily Times (and other newspapers, as appropriate) on the same day as the letter of intent is mailed and/or emailed, and a news release will be sent to other newspapers in the area.

The director or planner will establish criteria to be used to review and evaluate responses to the intent to bid.

If no organization responds, the SGRC may contact organization(s) (noncompetitive procurement) to locate a qualified provider for the training/service, if the SGRC still wants to provide the service. If only one qualified provider responds, the SGRC may use sole source (noncompetitive procurement) method to obtain the training/service. If more than one qualified organization responds, or if only one responds and the SGRC does not want to use this organization, the training/service must be competitively solicited through an RFP.

If an RFP is used, all organizations on the RFP mailing list will be notified of the RFP.

NONCOMPETITIVE PROCUREMENT may be necessary in certain situations when competition is not feasible. The SGRC may use noncompetitive procurement in the following circumstances:

1. **Emergency** – The SGRC will use this type of noncompetitive procurement when an emergency exists and the urgency of the requirement will not allow time to obtain competition.

The director or planner will document in writing the justification for the emergency and describe the circumstances supporting the emergency. If the necessity for the emergency stems from an oversight or normally controllable circumstance, the justification will include action to be taken to prevent the recurrence.

If the need generated by the emergency will continue over an extended period of time, a competitive procurement will be used after the emergency has been resolved.

2. **Tuition purchases** – Tuition and related fees, books, and supplies may be purchased noncompetitively for individuals enrolling in classroom training at institutions on the Eligible Provider List.

3. **State authorized noncompetitive procurement** – The SGRC may use noncompetitive procurement when a state agency has authorized the procurement. The director or planner will document in writing the authorization and maintain a copy of correspondence related to the authorization and purchase.
4. **One provider** – The SGRC may use noncompetitive procurement if only one qualified provider for the services being procured is available. The director or planner will document all efforts to identify providers.
5. **Failed Competitive Procurement** – The SGRC may use noncompetitive procurement if a competitive procurement process was conducted and only one responsive and competitive proposal was received.

Approval/Changes

Southern Georgia WIB Approved 04.11.13

Revisions for WIOA/OMB Uniform Guidance 07/01/2015

Revised to correct Micro & Small Purchase Discrepancies 02.26.17

Revised & WDB Approved 04.11.18

Revised and WDB Approved 11.14.18

Policy/Procedure #: 18-004-200
Policy Name: SGRC Procurement Procedures
Effective Date: 07/01/2015

The purpose of procurement procedures is to establish guidelines governing the purchase of supplies, equipment, contractual services, and other items by the Southern Georgia Regional Commission (RC). These procedures are designed to ensure that the RC's funds are expended in accordance with sound business practices, have sufficient documentation and approval, and that expenditures meet the requirements of federal, state, and local funding agencies. The RC will follow the guidelines established by 2 CFR 200.318-326 as part of these procurement procedures.

These procurement procedures are not intended to restrict or eliminate competition. All procurement transactions, regardless of whether by sealed bids or by negotiation and without regard to dollar value, shall be conducted in a manner that provides maximum open and free competition. All purchases, regardless of program, will be guided by these procedures and in accordance with applicable agency regulations.

Affirmative action steps will be taken to assure that small and minority businesses and women's business enterprises are used when possible. Affirmative steps will include placing qualified small and minority businesses and women's business enterprises on solicitation lists and assuring that they are solicited whenever they are potential sources.

DISADVANTAGED BUSINESS ENTERPRISE

It is the policy of the RC that Disadvantaged Business Enterprises (DBEs), as defined in 49 CFR Part 26, shall have the equal opportunity to participate in the performance of the RC's contracts which are funded, either wholly or partially, with federal funds from U.S. Department of Transportation financial assistance programs. RC staff is responsible for compliance with this policy within his/her department and will use his/her best efforts to carry out the policy in the solicitation and award of departmental contracts to the fullest extent possible consistent with the efficient operation of the department's work. The formal DBE Policy is contained in a separate document.

METHODS OF PROCUREMENT

Procurement procedures will not be applied to purchases of items or services if:

- The cost of a single item or service is \$500 or less,
- The purchase is made through online government surplus auctions (www.govdeals.com), or
- The purchase is made from state-approved vendors where a state agency has already satisfied procurement requirements.

For all other purchases, the RC will utilize one of the following methods of procurement:

Micro-purchase – A micro-purchase is the acquisition of supplies and services, the aggregate dollar amount of which does not exceed the micro-purchase threshold set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions). (As of July 2015, the micro-purchase threshold is \$3,000.) To the extent practicable, micro purchases will be distributed equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the RC considers the price to be reasonable. For purchases of routine supplies, price quotations may be obtained periodically to ensure the RC is receiving the best price available.

Small purchase – A small purchase is a relatively simple and informal procurement method to secure services, supplies, or other property that does not cost more than the Simplified Acquisition Threshold set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. (As of July 2015, the Simplified Acquisition Threshold amount is \$150,000.) If small purchase procedures are used, price or rate quotations shall be obtained from three qualified sources. Quotations may be obtained via phone, Internet or catalog.

When price quotations are required, a Comparable Price Documentation Form must be attached to the Requisition Form. This form includes a description of the item(s), the quantity, the vendors contacted, the date the quotes were received, the amounts quoted, any pertinent information regarding the quotes, the vendor selected, and the reason for the selection.

Sealed bid (formal advertising) – Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming to all the material terms and conditions of the invitation for bids, is the lowest in price. If sealed bids are used, the following requirements apply:

- The invitation for bids will be advertised as a public notice in the local newspaper and also submitted as a news release in other area newspapers. The RC will notify in writing known suppliers, providing them sufficient time prior to the date set for opening the bids;
- The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;
- All bids will be publicly opened at the time and place prescribed in the invitation for bids;
- A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest; and
- The RC may reject any and all bids, if there is a sound documented reason. Reasons for rejection include but are not limited to:
 - All bids are over available funds.
 - Funds are no longer available.
 - Bids do not meet specifications.

Competitive proposal – The RC will use the competitive proposal method when more than one source will submit an offer, and/or when program specs are too broad to compare bids solely on the basis of cost/price. If this method is used, the following requirements apply:

- Requests for proposals (RFP) will be publicized as a public notice in the local newspaper and submitted to other area newspapers as a news release. Any response to publicized requests for proposals shall be honored to the maximum extent practical;
- The RFP will identify all evaluation factors and their relative importance;
- Proposals will be solicited from bidders' list, and other appropriate sources;

- On the proposals received, evaluations will be conducted by appropriate staff, council members, and/or individuals with expertise/knowledge pertinent to the procured service; and
- Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered. As a result, the proposal with the lowest cost may not be awarded the contract.

Noncompetitive proposal – Noncompetitive proposal procurement is through solicitation of a proposal from only one source. Procurement by noncompetitive proposal may be used only when the award of a contract is not feasible under small or micro purchase procedures, sealed bids, or competitive proposals and one of the following circumstances applies:

- The item is available only from a single source;
- The need for the item or service is immediate;
- The awarding agency authorizes noncompetitive proposals; or
- After solicitation of a number of sources, competition is determined inadequate.

The need for noncompetitive procurement will be documented in writing and attached to the Requisition Form or contract, whichever is applicable.

VENDORS

For purposes of this section, vendors will include suppliers, consultants, contractors, and subcontractors. Awards will be made only to responsible suppliers and contractors who possess the potential ability to perform successfully. Consideration shall be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

All vendors providing supplies, equipment, or services to the RC shall be reputable firms or individuals having the demonstrated capacity to produce or provide supplies, equipment, and/or services within a reasonable amount of time. All new vendors must furnish a W-9 to the RC prior to receipt of payment.

Vendors shall be subject to disqualification if they are found to misrepresent quality, quantity, or price of supplies, equipment, services, or items delivered. Vendors will also be disqualified if time limits established for the purchases are exceeded.

DEBARMENT AND SUSPENSION

Consistent with federal regulations, RC staff will take necessary steps to ensure that its contractors are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in the transaction/contract.

CERTIFICATION REGARDING FEDERAL LOBBYING

Consistent with Public Law 101-121, Section 319 (31 U.S.C. 1352) RC staff will require contractors whose awards exceed \$100,000 to provide certification regarding compliance with lobbying restrictions.

PURCHASING PROCEDURES

Initiating a Purchase – Any staff member may initiate a purchase. A purchase is initiated by completing a standard Requisition Form, listing the supplies, equipment, services, or other item requested, quantity, cost, vendor name, and justification for purchase.

Purchases must have a Requisition Form signed by the originating staff person and approved by the Program Director and the Executive Director or designee. However, in the following exceptions, a Requisition Form may be processed with the signature of the originating staff person and the approval and signature of the Program Director only.

- The requisition total is \$250 or less or
- The cost will be reimbursed to the RC from a source other than the RC's program funding.
Example: Expenditures for client items in the Money Follows the Person (MFP) program.

Employee travel related items such as registration, lodging, parking, and airfare will not require a Requisition Form. Instead, an Authorization for Out of Area Travel Form signed by the originating staff person and approved by the Program Director and the Executive Director or designee is required. The Authorization for Out of Area Travel Form will list anticipated costs and requested method of payment for each cost (RC credit card, RC check, or reimbursement). If a registration payment by check is required, an original and one copy of the registration form must be attached to the

Authorization for Out of Area Travel Form, and the notes on the form must indicate the date by which the check must be received by the registrar.

A Requisition Form is not required for recurring monthly bills such as utility bills, telephone bills, building payment, and payment of items under a contract.

Purchase Orders – Purchases of supplies and equipment will be made by submission of a purchase order to the vendor, unless not required by the vendor.

Purchase orders are prepared in triplicate by the designated staff person only after an approved Requisition Form has been received. The original purchase order will be given to the initiating staff member to submit to the vendor as authorization for the purchase. The first copy will be filed sequentially and the file maintained by RC administrative staff. The second copy, along with the Requisition Form and any other documentation, will be filed in the outstanding purchase order file until an invoice is received.

Other Purchases – Purchases of gas for the RC vehicles are made on the RC gas cards. These cards are provided with each vehicle. Gas purchases will be logged in the vehicle's car book at the time of purchase. Reimbursement for cash purchases of gas will only be made when the gas card is not accepted. In these instances, receipts must be kept and request for reimbursement may be made on a Requisition Form.

ACQUISITION AND DISPOSITION OF PROPERTY

The acquisition and disposal of property is a necessary component of conducting business for the RC. Any purchase or disposition of a single piece of property where the value exceeds \$1,000 must be approved by the Executive Director or his/her designee. In addition, any purchase or disposition of a single piece of property where the value exceeds \$25,000 must be approved by the Executive Committee of the Council. This policy pertains to both real and personal property. All acquisitions and dispositions of property, regardless of program, will be guided by this policy and in accordance with applicable agency regulations.

PROCUREMENT PROTEST PROCEDURES

Any party registering a protest pertaining to the issuance of a contract or award under these procurement procedures must do so in writing within ten (10) calendar days from the date of issuance of the contract or award.

Any dispute concerning a question of fact arising either from a consultant or subrecipient selection decision, or under a consultant or subgrant contract, once executed, shall be decided by the RC Executive Director who,

after advisory consultation with all appropriate RC officials shall promptly reduce such decision concerning the question of fact to writing and mail, or otherwise furnish a copy thereof, to the disputing party. The Executive Director shall concurrently fully advise the disputing party, in writing, of the provisions outlined herein below concerning the disputing party's right to appeal the decision to the appropriate committee.

The decision of the Executive Director shall be final and conclusive unless, within ten (10) calendar days of receipt of such copy, the disputing party mails or otherwise furnishes a written appeal concerning the question of fact to the Executive Director, who shall arrange a formal hearing within thirty (30) calendar days after receipt of the appeal, before the appropriate committee. Both the disputing party and the appropriate Program Director shall be notified no less than five (5) calendar days in advance of the hearing and shall have the right to present witnesses and give evidence concerning the question of fact at such time. Within thirty (30) calendar days after the hearing, the Chair of the appropriate committee shall direct the committee to make a decision concerning the question of fact in writing to the disputing party and to the Executive Director.

STANDARDS OF CONDUCT

No employee, officer, agent, or council member of the RC shall participate in the selection, award, or administration of a contract if he/she has a real or apparent conflict of interest. Such a conflict of interest would arise when (1) the employee, officer, agent, or council member, (2) any member of his/her immediate family, (3) his/her partner, or (4) an organization which employs, or is about to employ, any of the parties indicated above, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The RC's officers, employees, agents, or council members will neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to subcontracts, other than items of nominal intrinsic value.

Violation of the standards of conduct may result in disciplinary action up to and including termination/dismissal.

Supportive Services Policy

Policy/Procedure #: **18-006-200**

Policy Name: **Supportive Services Policy**

Effective Date: **07/01/2015**

I. Statement of Purpose

The purpose of this policy and procedure is to set forth the necessary guidelines and implementation steps for the provision of supportive services to eligible Southern Georgia Workforce Development Board (SGWDB)/Workforce Innovation & Opportunity Act (WIOA) customers.

II. Definition of Supportive Services

Supportive Services are services, which are reasonable and necessary, to enable a WIOA participant who cannot afford to pay for such services to participate in activities authorized under Title I, Subtitle B of the Workforce Innovation and Opportunity Act. Such support services may include transportation, child care and dependent care. The provision of Supportive Services must be determined on an individual basis.

The use of supportive services is encouraged to enable the hard-to-serve population an opportunity to participate in longer-term interventions. The support payments are in no way intended to support the entire expense.

III. Supportive Service Cap

As per the Technical College System of Georgia (OWD) Supportive Service Policy, supportive services are limited to thirty-five percent (35%) of a funding stream allocation within a given program year. The total amount expended for LWDA #18 will be set at not greater than this 35% limit.

LWDA's may request a supportive service waiver for any of the three (3) funding streams. The request must be in writing using the described OWD format. Support documentation justifying the request must be included.

IV. Eligibility for Supportive Services

WIOA supportive services are provided on the basis of need. All supportive services must be approved prior to the participant receiving or obtaining the goods or services. Backdated requests for services will not be approved.

A participant may waive WIOA Supportive Service payments (except for Work Experience) if accepting payment would mean the loss of benefits. The participant may request the payment to start at a later date, but may not claim retroactive payments. Advances against future payments are not allowed.

WIOA funds will be used to pay support payments for Adults, Dislocated Workers, and Youth participants who are physically attending classroom training (ITAs) and to youth in specified out-of-school classroom training programs (GED). ITA participants must be attending "full time" as defined by their school/training provider policy.

Supportive services may only be provided to individuals who:

- Are actively participating in career services and/or training services. Limited supportive services may be provided to eligible applicants (e.g., paying for birth certificate), before they are enrolled as participants, to permit participation in assessment activities;
- Are unable to obtain supportive services through other programs providing such services;
- Are unable to afford the cost associated with addressing the need;
- May only be provided when they are proven necessary to enable individuals to participate in Title I activities [Subtitle B, Chapters 2 & 3].

Adults – Eligible adults are:

1. Individuals receiving some form of public assistance; or
2. Individuals having incomes at or below the Self-Sufficiency guidelines set by the local area.

Dislocated Workers – Eligible dislocated workers are:

1. Individuals determined eligible for WIA enrollment under the dislocated worker provisions.

Youth – Eligible youth are:

1. Households receiving some form of public assistance; or
2. Individuals/Families having incomes at or below the poverty guidelines set by OWD; or
3. Youth considered “Non-Dependent” based on LWIA 18’s local policy.

V. **Standard**

The guiding principle for the provision of any Supportive Service shall be based on the participant’s individual need. Through counseling and assessment, the determination of need and the level of assistance to be provided will be made on an individual basis.

VI. **Transportation Service Policy – ITA’s & OSY GED**

Transportation assistance may be provided to WIOA participants who are engaged in WIOA activities. Participants will be paid based on the round trip miles driven per day. The service provider must document the mileage using MapQuest or a similar mapping program. This documentation must be placed in the participant file. The following tiers are available to participants:

<u>Tier</u>	<u>Round Trip Miles</u>	<u>Amount</u>
1	0-15 Miles Round Trip	\$15/day
2	16-30 Miles Round Trip	\$17/day
3	31+ Miles Round Trip	\$19/day

Clarification #1: Participants who attend schools outside the local area will be paid transportation based on their school address, not their permanent home address.

VII. **Childcare Service Policy – ITA’s**

Childcare assistance may be provided to WIOA participants who are engaged in WIOA activities only if other resources are not available. Childcare will be paid for children under the age of thirteen (13) who are in the participant’s legal and physical custody. If both parents are in training, only one parent is allowed to receive the child care assistance. Payment is limited to \$10 per day regardless of the number of children under the age of thirteen who are in the participant’s legal and physical custody. Birth certificates or other approved documentation are required to verify the age of the children.

VIII. Unallowable Supportive Services

Payments are not allowed for titled or deeded items or when recovery of the expense is anticipated. Such items include:

- Rent deposits or housing deposits;
- Mortgage payments;
- Car payments;
- Purchase of vehicles; and
- Fines

IX. Documentation for Supportive Services

The WIOA service provider will compile all supportive service documentation prior to paying for services to support transportation costs. These documents will include the following:

1. Supportive Services Determination Form (**Attachment A**)
2. MapQuest (or other approved mapping program) showing round trip miles
3. Cost Commitment Worksheet (**Attachment B**)
4. Cost Commitment Modification (**Attachment C**)

All documentation will be placed in the participant file and/or entered in the Virtual One Stop System (VOS) participant profile.

All substantial changes to a participant's supportive services (e.g. receiving more money for existing services) must be updated in real time in VOS. The service provider will be responsible for notifying SGRC WIOA staff of these changes using the Cost Commitment Modification worksheet.

X. Approved Payment Amounts (ITA's)

Payments are made to qualifying Adults, Dislocated Workers, and Youth enrolled in the ITA training program in the following flat rates. Participants **must attend** class on a training day in order to receive the payment for that day, not to include time spent for breaks and /or lunch.

<u>Tier</u>	<u>Round Trip Miles</u>	<u>Transportation</u>	<u>Child Care</u>	<u>Total</u>
1	0-15 Miles Round Trip	\$15/day	\$10/day	\$25/day
2	16-30 Miles Round Trip	\$17/day	\$10/day	\$27/day
3	31+ Miles Round Trip	\$19/day	\$10/day	\$29/day

Participants may receive childcare assistance in the amount of \$10 per day based upon the guidelines stated in this document. The \$10 per day is in addition to the above mentioned transportation assistance.

XI. Approved Payments Amounts (GED)

Payments are made to qualifying out-of-school youth enrolled in GED training programs provided by LWDA #18 service providers. Each provider may set up a daily support amount; however, it must not exceed the above described ITA payment amounts. Childcare assistance **will not** be made available to participants in GED programs.

XII. Approved Payments Youth Incentives

Incentive payments may be made to qualifying youth enrolled in an ISY program or an OSY GED Program. Each provider may set benchmarks for youth incentives. All incentives will be approved by SGRC staff and clearly outlined in the service provider contract. Incentives may not exceed \$1,000 per participant.

XIII. Attendance

ITA participants are required to attend the classroom training for the duration of the respective class to be eligible for the support payment. For example, participants who attend only ½ of the class will not

be eligible for the support payment for that day. Service providers will work with instructors to ensure they do not sign off on a time sheet for someone who does not attend the full class session.

Payments will not be pro-rated for fewer hours of attendance, nor will payments be made for sick days or holidays.

GED participants are required to attend classroom training in order to be eligible for the support payments. The required length of time will be set by each service provider; however, each participant must attend a minimum of three (3) hours in order to be eligible to receive their support payment for that day.

Payments will not be pro-rated for fewer hours of attendance, nor will payments be made for sick days or holidays.

XIV. Exceptions/Exclusions

Participants enrolled in On-the-Job Training (OJT) will not qualify for support payments.

In-school youth may receive support payments as determined on a case-by-case basis for support services not otherwise available. Such support must be pre-approved by the Southern Georgia Regional Commission (SGRC), and will not be commonly granted. Participants must be making satisfactory progress and cooperating with the instructional process in order to continue to receive the support payments.

XV. Payments

The WIOA service provider will make payments to participants every two weeks based upon timesheets turned in. The WIOA service provider may be reimbursed for supportive service payments and invoices upon compliance with the following requirements:

1. The WIOA service provider must ensure that WIOA participants are enrolled and actively participating in any allowable WIOA activities for which support payments have been approved.
2. The WIOA service provider must arrange coordination with other human service agencies to eliminate duplication of services and all documentation must be completed prior to utilizing WIOA funds.
3. The WIOA service provider must provide proper documentation of any supportive service payments to be submitted to the SGWDB.
4. The WIOA participant must meet attendance requirements of the WIOA program. The WIOA service provider will maintain participant's time sheets documenting daily attendance. A copy of these timesheets must be submitted with the monthly WIOA service provider invoice.
5. Reimbursement for supportive service payments and invoices will be made monthly to WIOA service providers as per contract requirements.

XVI. Procedure

1. All WIOA program applicants and participants shall be informed of paid and unpaid supportive services available through the local One-Stop system. This is to include services provided by the One-Stop partners, Service Providers and any applicable community resources.
2. Supportive services may only be provided to individuals who:
 - o Are actively participating in career services and/or training services. Limited supportive services may be provided to eligible applicants (e.g., paying for birth certificate), before they are enrolled as participants, to permit participation in assessment activities;

- Are unable to obtain supportive services through other programs providing such services;
 - Are unable to afford the cost associated with addressing the need;
 - May only be provided when they are proven necessary to enable individuals to participate in Title I activities [Subtitle B, Chapters 2 & 3)].
3. To ensure successful participation in the appropriate employment or training activity(ies), career facilitators shall determine the supportive service needs of each individual to be enrolled. Such determination shall be based on a comprehensive assessment and include documentation of the participant's need to receive supportive series in order to participate in the training.
 4. The need for supportive services and all supporting documentation shall be maintained in the participant's file.
 5. Cost Commitment Worksheet will be completed and submitted to the SGRC as well as maintained in the participant file.
 6. Participant obligations and vouchers will be entered in VOS. Obligations/vouchers will be entered by program year.
 7. SGRC Staff will reconcile all supportive service payments annually in VOS.
 8. At the conclusion of each semester, staff and service providers review the remaining obligations/vouchers and adjust as needed. Revisions are entered in VOS.
 9. Participants must be making satisfactory progress and cooperating with the instructional process in order to continue to receive the support payments.
 10. Service providers are responsible for tracking participant attendance, time keeping and related duties. Educational/training institutions receiving ITAs must perform time keeping, participant activity tracking and related duties.

Supportive Services Determination Form - Southern Georgia LWDA #18 Attachment 7

Participant Name: _____	SSN#: _____
-------------------------	-------------

Adult

Dislocated Worker

Youth

Supportive Service benefits ***may be*** available to assist WIOA eligible participants with costs associated with participating in WIOA funded training activities. Supportive services means services such as transportation, childcare, and/or dependent care that are necessary to enable an individual to participate in activities authorized under the Workforce Innovation & Opportunity Act.

Supportive Service benefits may only be provided when:

1. They are necessary to enable an individual to participate in WIOA funded training services; and
2. They cannot be obtained through other programs providing such services.

I understand that WIOA Supportive Service benefits may change and/or be eliminated at any time based on funding availability. I understand that if I have provided fraudulent information that I can be terminated from the Southern Georgia WIOA program and may be held liable for repayment of any monies received by me while in the WIOA funded services. I understand that I cannot receive supportive services benefits for transportation, childcare and/or dependent care if funds are being provided and/or available to me by another agency/resource.

1. Does the participant need assistance with transportation/travel/meals in order to attend WIOA funding training? Yes No

2. If yes to question #1 how many miles round trip per day? _____
**MapQuest or a similar mapping program must be utilized to document mileage.
 A copy of this documentation must be attached (or placed in participant file).*

3. Does the participant need assistance with childcare for any child under the age of thirteen who is in the participant's legal and physical custody? Yes No
 If yes, number of dependents under the age of 13 _____

4. Does DFCS or any other agency assist you with transportation and/or childcare costs?
 Yes No
 If yes, please list the agency that will be assisting you and the amount that they give you for each:

Agency: _____

Transportation Amount: _____ Amount Not Covered: _____

Childcare Amount: _____ Amount Not Covered: _____

I attest that I am in need of supportive services in order to participate and complete my WIOA funded occupational training activity. I further attest that these services are not being provided to me by any other agency/resource.

Eligible Provider Policy and Procedure

Policy/Procedure #: **18-005-100**

Policy Name: **Eligible Training Providers/Programs List (ETPL)
Policy & Procedure**

Effective Date: **04/12/2017**

Purpose

WIOA emphasizes informed customer choice, job-driven training, program performance and continuous improvement. The quality and selection of training providers and programs is vital to achieving these core principles. The Eligible Training Provider/Program List (ETPL) is available for review at www.workreadyga.org.

Initial Eligibility

The Southern Georgia Workforce Development Board (WDB) evaluates providers and proposed training programs for eligibility based on the Individual Training Account (ITA) provider/program application. This application is available upon request and can be found on the Southern Georgia Regional Commission (SGRC) website. The WDB will only consider applications for occupationally specific programs of study that meet the accreditation requirements of the occupation for which training is provided.

Applications include detailed information such as: program title, program description (occupation), program authorization/accreditation, credentials, costs, duration of training, entry criteria, financial aid, performance criteria, graduate/employer references, etc. Each training program that the provider wants included on the ETPL **must submit a separate application for each training program**. The provider must also furnish the most recently published catalog/brochure that includes information regarding tuition, fees, location of training facility, etc. EEO assurance, Standard of Conduct assurance, and Standard Certifications Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion forms must be signed and authorized by all applicants.

Applications and general instructions can be found at: www.sgrc.us. Please refer to Attachment A & B.

In addition, the WDB adheres to the following:

- ETPL's from Georgia will be recognized and applications are not necessary;
- Organization has submitted an application for the training program to be on the ETPL in the area in which it was disapproved;
- Only training programs for demand occupations that are not otherwise available in Southern Georgia will be reviewed;

- Only complete applications will be considered. However, applications submitted in Region 11 should indicate “n/a” in items that do not apply and a complete explanation should be furnished for this response.
- Organizations must furnish a 12-month history of past performance that meets or exceeds the performance criteria below. At least five participants per program must be included in the performance. Region 11 adheres to the state’s minimum performance criteria and is as follows:

Median Earnings – \$11.50

Average Wage at Placement – \$10.70

Attainment of Post-Secondary Credential – 60%

Completion Rate – 70%

Employment Rate – 70%

Training-Related Employment Rate – 70%

The SGRC Workforce Development Staff will verify that the applicant complies with the following to be considered for inclusion on the state ETPL:

- Applicant must have been in business for at least six months prior to the initial application and must have a current business license or proof of active compliance with the Secretary of State Corporations Division;
- Training programs must be available to the general public, have published catalog price structures;
- Training facilities must comply with ADA requirements for accessibility and reasonable accommodation;
- An onsite visit to ensure compliance with ADA requirements will take place, and a pre-award checklist will be utilized (see monitoring form 18-008-001 Facilities Accessibilities Checklist);
- Each training program must have proven outcomes and have successful program completions and training-related employment;
- Applicant must be current on all federal and state taxes (Must supply certification from accounting/tax firm of current tax standing regarding federal and state taxes, including Unemployment Insurance taxes);
- Applicant must be in statutory compliance with the laws of the state related to operation as a training education institution. Proprietary colleges or schools operating in Georgia are required by the Nonpublic Post-Secondary Educational Institution Act of 1990 to have a certificate of authorization from the NPEC before beginning operation or advertising in the state;
- Applicant must provide documentation of current accreditation/authorization;
- Applicant must not have been found at fault in criminal, civil or administrative proceeding related to its performance as a training or educational institution. Must disclose any pending criminal, civil or administrative proceeding as either a defendant or a respondent;
- Applicant must disclose any and all conflicts of interest with state or LWDB staff or board members including, but not limited to family ties (spouse, child, and parent), fiduciary roles, and employment or ownership interests in common; and
- All applications must include a current federal tax identification number.

Registered Apprenticeships

Registered Apprenticeships (RA) programs that are registered with the USDOL Office of Apprenticeship (OA) are automatically eligible to be included on the state ETPL. RA programs are not subject to the same application and performance information requirements nor subject to

a period of initial eligibility as other providers because they go through a detailed application and vetting procedure to become an RA program sponsor with the United States Department of Labor, Office of Apprenticeship.

Applications and general instructions can be found at: www.sgrc.us. Please refer to Attachment C.

Out-of-State Training Providers

In order for WIOA students to access training through out-of-state training providers not currently on the ETPL, the training providers must comply with the conditions set forth below:

- Submit an application for initial eligibility, including program description attachments;
- Submit evidence that the provider is accredited by an accreditation agency approved by the US Department of Education (If regulated by government entities such as the Department of Transportation, the provider should include applicable accreditation);
- Submit evidence that the institution is currently on its state eligible training provider list and in good standing; and,
- Report student completion data (employment and wage information to the OWD) consistent with WIOA performance information. Regarding performance information, specific participant numbers shall be included to show satisfactory performance in any of the formats listed below:
 - A certified report or letter from the state's Title I or WIOA Administration agency, reporting on the provider's satisfactory performance; or
 - A certified report or letter from a Local Workforce Development Area within the provider's state reporting on the provider's satisfactory performance.
- Out-of-state postsecondary training providers that are not operating within the State of Georgia are not required to be licensed by the Non-Public Post-Secondary Commission of Georgia (NPEC).

The SGRC Staff will verify the performance, cost information, and any other required information. Staff will present the application to the WDB for approval or disapproval at the next scheduled meeting.

The Workforce Development Director will notify applicants of the WDB's decision. Staff will submit the approved application to the Technical College System of Georgia, Office of Workforce Development(OWD) for inclusion on the "statewide" ETPL list. Once approved on the statewide ETPL, an approved program is available to all Georgia WDBs and cooperative states.

Eligible Programs of Training Services

Not all allowable types of training services are subject to the requirement of the training provider provisions. Contracts for services may be utilized instead of ITAs only when one or more exceptions apply and the WDB has fulfilled the consumer choice requirements of 20. C.F.R § 60.340. An exception would include when the services provided are on-the-job training, customized training, incumbent worker training, transitional employment, internships, paid or unpaid work experience. For further exclusions, please refer to § 4.4.2 titled Eligible Programs and Training Services of the OWD policy and procedure manual. The manual can be found at:

Maintaining/Subsequent Eligibility

The Workforce Innovation and Opportunity Act requires a redetermination of ITA program eligibility through a “subsequent eligibility” process every twelve months. For a program to remain eligible to receive ITA funds for new enrollments after June 30th of each year, the state is required to compare program-level performance outcomes against established minimum standards. Applications for subsequent eligibility are administered through OWD.

Losing Program Eligibility

OWD will be responsible for the development, operation, and maintenance of the statewide internet-based eligible training provider list and certified programs. Providers may be removed under the following conditions.

- If inaccurate information regarding a program is intentionally supplied to the local WDB or OWD, a termination of eligibility may occur. The termination will remain in effect for a minimum of two (2) years;
- If the local WDB or OWD determines that an eligible provider has substantially violated any requirements under the act, the providers must commence corrective action as deemed appropriate or risk program removal that is effective for a minimum of two (2) years;
- Failure to reapply under subsequent eligibility procedures. If providers do not submit programs for reapplication, those programs will be removed from the list; or
- If a provider’s program fails to meet or exceed minimum established local and state performance levels, the provider’s eligibility to receive funds for that program may be suspended by OWD after consultation with the local WDB, for a period of not less than one (1) year. Providers may reapply 90 days following suspension. Unemployment insurance wage file data will be used for performance verification.
- For further information regarding violations, removal, and/or repayment, please refer to § 4.4.7 titled Notice of Denial of Eligibility of Removal of the OWD policy and procedure manual.

Training Provider Liability

A training provider may be held liable if a customer or WDB can substantiate the training received was inadequate based on the course description and/or the performance data was overstated. The remedy could include additional training, refund to the fiscal agent of amounts paid, or debarment from the ETPL. Aggrieved providers will have access to local and state appeals processes in such instances.

Local Appeal Procedures

If a training provider would like to file a dispute, they will first file it with the SGRC Workforce Development staff. A hearing will be set up to allow the training provider an opportunity to informally dispute the matter. A written solution will be mandatory for all disputes and should be filed within 30 days of the filing date of the appeal. Every attempt will be made for an informal resolution. Eligible training providers will be notified of their right to file a Second Level Appeal with OWD. For further guidance regarding appeals, please refer to § 4.4.9 titled Continued Eligibility – Biennial Review of the OWD policy and procedure manual.

Approval/Changes

WIB Approved 06/04/2013

Revised for WIOA 07/01/2015

Revised & WDB Approved 04/12/17

INSTRUCTIONS FOR COMPLETING THE GEORGIA ETP APPLICATION

Training Providers should first consult the Local Workforce Development Area (LWDA) for the appropriate application. LWDAs may have an Eligible Training Provider Application with additional local requirements. The Georgia Eligible Training Provider (ETP) Application may be utilized by LWDAs choosing to use the state application format.

The state application packet includes: General Information, a Proposal Responsiveness Checklist, an Application, and Assurances. Local Workforce Investment Boards (LWDBs) must review all responsive provider applications. If responsive, staff may conduct employer reference checks, program graduate reference checks, and conduct a training observation to ensure that customers receive quality services. LWDAs will input recommended providers/program information into the Georgia Work Ready Online Participant Portal (GWROPP) and alert the Technical College System of Georgia, Office of Workforce Development (OWD) that the provider information is ready for review, acceptance and inclusion on the State Eligible Training Provider Listing (ETPL). If the application is accepted by OWD, a completed provider agreement may be processed and submitted to the provider for signature by an LWDB. Each LWDB will be responsible for local provider policies, processes and agreements. Depending on LWDB policy, new providers may have limited referrals (as determined by the LWDB) until satisfactory performance outcomes are obtained.

Training programs included in the application must exist at the time of application and be approved by the NPEC; the program(s) must be currently available to the general public and not solely dedicated/availed to WIOA customers.

- **To be considered for review, each program must have at least five (5) students who have completed a program of study and obtained training related employment, with documentation available on their employment status. Newly formed programs should wait to apply until this has occurred. New programs without documented completion and employment records will not be reviewed.**
- **Respond to all questions. If the question does not apply indicate “not applicable”. When referring to a catalog or brochure, indicate, “See attached catalog”.**
- **The name of the training institution is the legal name of the entity.**
- **The contact person is the individual who may answer questions concerning the application.**
- **Program descriptions should be completed for each program or course of study. If a provider catalog contains the information requested, please attach.**
- **If the application is submitted via e-mail, it will be necessary to mail a provider certification as well as a catalog of courses of study, or reference website, if available online.**

Workforce Innovation and Opportunity Act Glossary and General Information

Workforce Innovation and Opportunity (WIOA): WIOA will help job seekers and workers access employment, education, training and support services to succeed in the labor market and match employers with the skilled workers they need to compete in the global economy. The purposes of WIOA include:

- Increasing access to and opportunities for the employment, education, training and support services that individuals need, particularly those with barriers to employment;
- Supporting the alignment of workforce investment, education and economic development systems, in support of a comprehensive, accessible, and high quality workforce system;
- Improving the quality and labor market relevance of workforce investment, education and economic development efforts;
- Promoting improvement in the structure and delivery of services;
- Increasing the prosperity of workers and employers;
- Providing workforce development activities that increase employment, retention and earning of participants and that increase post-secondary credential attainment and as a result, improve the quality of workforce, reduce welfare dependency, increase economic self-sufficiency, meet skill requirements of employers and enhance productivity and competitiveness of the nation.

WIOA Services: A customer may access the array of services and program information available on the statewide ETPL and may choose from a variety of Eligible Training Providers. There is no guarantee that a customer will enroll in a specific course or program of study after referral. It is the responsibility of the customer and the career adviser to develop a career plan. A customer may be determined WIOA eligible during WIOA career services. If it appears that the customer is eligible and suitable for provider training, they will be approved for enrollment by LWDA staff. Once approved for enrollment, LWDA staff will provide written authorization to both the customer and the training organization through an Individual Training Account (ITA).

Career Services: Services that LWDA's are responsible for providing for adults and dislocated workers under WIOA. Career services may include initial assessment of skill levels, job search and placement assistance, provision of information on in-demand sectors and occupations, information on nontraditional employment, labor market information, provision of information about the performance and cost of education and training providers in the area, career counseling, information about filing unemployment compensation claims, information relating to the availability of supportive services such as child care and transportation, specialized assessments of individual skill levels and service needs, individual or group counseling and career planning, development of an individual employment plan, short-term job-readiness activities, literacy activities related to basic workforce readiness, etc.

Credentialing: WIOA performance standards now include the attainment of recognized post-secondary credential received by participants. It is the Provider's responsibility to assure that Credentialing goals are obtained for each student.

All training programs must prepare WIOA participants through job training and preparation to sit for testing in order to achieve attainment of industry-recognized credentials as specified by WIOA. Such nationally recognized industry, association or organizations include:

- A state education body
- An institution of higher education eligible to participate in federal financial aid programs
- A registered apprenticeship
- A public regulatory agency
- A professional, industry or employer association

Eligible Training Provider: An organization, entity, or institution, such as a public or private college and university, community-based organization, or proprietary school whose application has been approved by the local workforce Board and submitted to the state for inclusion on the state ETPL to provide training services through the use of an ITA or training provided (WIOA exception) through a contract for services. Reference NPRM sec.680.410

Eligible Training Provider List: A statewide compilation of providers that are approved to provide services through the One-Stop system described by WIOA. These lists contain consumer information, including cost and performance information for each provider, so that customers may make informed choices.

Initial Eligibility for New Providers:

All providers that were not previously approved as an eligible training provider under WIOA (except Registered Apprenticeship programs) must submit required information to be considered for initial eligibility under WIOA. Under WIOA, providers may receive initial eligibility for only 1 fiscal year for a provider specific program.

Apprenticeship Programs registered under the National Apprenticeship Act (NAA) are exempt from initial eligibility procedures. Registered apprenticeship programs must be included and maintained on the list of eligible providers of training services as along as the corresponding program remains registered. See Section on Registered Apprenticeship Programs)

For providers seeking initial eligibility, verifiable program specific performance information must be provided. Applicants must provide the following:

1. A detailed description of each training program to be considered
2. Performance information for each training program will include (See Required Performance Information below)
 - a. Median earnings
 - b. Average wage at placement
 - c. Attainment of Post-secondary Credential
 - d. Completion rate
 - e. Employment rate
 - f. Training Related Employment Rate
3. Describe in detail provider partnerships with business
4. Describe the recognized post-secondary credential attained after training completion
5. Describe how the training program(s) aligns with in demand industries and occupations
6. A provider must also comply with the following to be considered for inclusion on the ETPL:
 - a. In business for at least 6 months prior to the initial application and have a current business license or proof of active compliance with the Secretary of State Corporations Division.
 - b. Training must be available to the general public, have published catalog price structures and each program must have completed and placed in training related employment at least 5 students per program.
 - c. Current of all federal and state taxes (Must supply certification from accounting/tax firm of current tax standing regarding federal and state taxes, including Unemployment Insurance taxes).
 - d. In statutory compliance with the laws of the state related to the operation as a training of education institution. Proprietary colleges or schools operating in Georgia are required by the Nonpublic Post-Secondary Educational Institution Act of 1990 to have a certificate of authorization from the NPEC before beginning operation of advertising in the state.
 - e. Provide documentation of current accreditation/authorization.
 - f. In good standing with the Better Business Bureau with no outstanding complaints.
 - g. Not be found in fault in criminal, civil or administrative proceeding related to its performance as a training or educational institution. Must disclose any pending criminal, civil or administrative proceeding as either a defendant or a respondent.
 - h. Disclose any and all conflicts of interest with state or local LWDB staff or Board members, including but not limited to family ties (spouse, child, parent), fiduciary roles, employment or ownerships interests in common.
 - i. Include a current federal tax identification number.

<u>STUDENTS PAST PERFORMANCE INFORMATION – past 12 months period</u>	Minimum Standard	<u>Definition</u>
<u>Must pass two of six measures</u>		
<u>Median Earnings</u>	<u>\$11.50</u>	The median earnings of program participants who are in unsubsidized employment during the second quarter after exit from the program
<u>Average Wage at Placement</u>	<u>\$10.70</u>	Average wage at placement of completers obtaining employment during the above period
<u>Attainment of Post-Secondary Credential</u>	<u>60%</u>	The percentage of program participants who obtain a recognized post-secondary credential or a secondary school diploma or its recognized equivalent during participation in or within 1 year after exit from the program
<u>Completion Rate</u>	<u>70%</u>	Program completion rate for student completing all coursework and exams
<u>Employment Rate</u>	<u>70%</u>	Employment rate for all students completing the program coursework
<u>Training-Related Employment Rate</u>	<u>70%</u>	Percent of completers exiting the program who have obtained training-related employment

Each LWDB may set minimum standards applicable to their local areas.

Registered Apprenticeship: Under WIOA, Registered Apprenticeship programs that request to be ETPs are automatically included on the list and will remain as long as the program is registered or until the program sponsor notifies the State that it no longer wants to be included on the list. Registered Apprenticeship programs are not subject to the same application and performance information requirements or to a period of initial eligibility or initial eligibility procedures as other providers because they are subject to a detailed application and vetting procedure to become a Registered Apprenticeship program with the United States Department of Labor.

Removal from Eligible Training Provider Listing: Providers may be removed from the State listing under the following conditions:

- If inaccurate information regarding a program is intentionally supplied to the LWDB or OWD, a termination of eligibility will occur and will remain in effect for not less than two years;
- If a LWDB or OWD determines that an eligible provider has violated any requirements under WIOA, or other state and federal laws, regulations or requirements, a termination of eligibility will occur and will remain in effect for a minimum of two years;
- If a LWDB or OWD make termination determination at any time during a training provider agreement to provide training services, there will be an opportunity for a hearing;
- A provider whose eligibility is terminated under the above conditions shall be liable for repayment of funds receive during the period of noncompliance;

- If a provider does not respond to any continuing eligibility requests, the programs undergoing continuing eligibility will be removed from the ETPL. If the provider desires to have those programs reapproved, they should reapply through a LWWD after a six-month period; or
- If a provider's program fails to meet or exceed minimum established local and state performance levels, the provider's eligibility to receive funds for that program may be suspended by a LWDB or OWD.

If it is deemed by a LWDB that training received by a WIOA customer did not adhere to program information as marketed by the training provider and/or the performance data was misrepresented by the provider, consequences levied upon the training provider may include: (additional training to the aggrieved customer at no cost; and/or (2) refund to the fiscal agent of amounts paid; and/or (3) debarment from the ETPL.

Continued Eligibility: WIOA requires a re-determination of ITA program eligibility through a "continuing eligibility" process. For a program to remain eligible to receive ITA funds for new enrollments, the State shall compare program-level performance outcomes against established minimum standards, covering the preceding program year. The State reserves the right to request sufficient information to complete continuing eligibility on any provider.

Training Providers previously eligible under WIOA will be subject to the application procedures for continued eligibility. Newly eligible WIOA training providers that were determined to be initially eligible under WIOA will be subject to the application procedure for continued eligibility after their initial fiscal year of eligibility expires. Newly eligible WIOA training providers will be required to apply with continuing eligibility provisions by July 2016.

Individual Training Account: A training plan obligation and expenditure account established on behalf of a WIOA eligible participant to establish a plan for payment for a program of training services, which may include tuition, books and fees.

Provider Entry Criteria: Training providers will be held accountable to meet certain performance standards established by the State and LWDA's and will qualify for the ETPL on performance. Training providers have responsibility in assessing the current skills, education and experience of candidates and providing training and employment for customers. Provider entry requirements will be a critical factor in establishing and attaining successful performance. They should be established with a purpose of determining whether the customer's current skills, education, experience, etc. will enable them to complete the training program, obtain the knowledge and skills necessary to receive certification, as well as obtain training-related employment with wages that meet standards and promote self-sufficiency.

Providers should be aware that entry requirements for reading, math and language should match those appearing on the ETPL. The Program Description, submitted by the Provider, contains all information regarding entry criteria. Testing for reading, math and language should be comparable to the Tests of Adult Basic Education (TABE). Letters of acceptance should include a statement that the student has met the entry requirements as stated on the ETPL. Persons not meeting the stated ETPL entry requirements should not attend training until the appropriate levels are achieved.

If customers are eligible for grants and scholarships such as the PELL Grant or HOPE Scholarship, applications must be made for these funds so that funds may be combined to provide for total costs of training expenses.

Program of Training Services: A program of training services is: (a) one or more courses or classes that, upon successful completion, leads to (a) a recognized post-secondary credential, secondary school diploma or its equivalent, (b) training-related employment, or (c) measurable skills gains toward such credential or employment..

PROVIDER/PROGRAM APPLICATION RESPONSIVENESS CHECKLIST

IF ORGANIZATION IS UNABLE TO MEET ANY REQUIREMENTS OF THE RESPONSIVENESS CRITERIA LISTED BELOW, THE PROGRAMS WILL NOT BE REVIEWED AND WILL BE CONSIDERED NON-RESPONSIVE.

NAME OF PROVIDER

REQUIREMENTS

- Must be in statutory compliance with the laws of this state as related to its operation as a training or educational institution
- Must have been in business for at least six months prior to initial application and must maintain legal active status to conduct business, evidenced by a current business license and/or proof of active compliance with the Secretary of State Corporations Division (attach to application).
- Must supply certification from accounting/tax firm of current tax standing regarding Federal and State taxes, including Unemployment Insurance (UI) taxes.
- Must be in good standing with the Better Business Bureau with no outstanding complaints.
- Must not be found in fault in criminal, civil, or administrative proceeding related to performance as a training or educational institution. Must disclose any pending criminal, civil or administrative proceeding as either a defendant or a respondent (sign Debarment Statement, Attachment A).
- Must disclose any and all conflicts of interest with state, or local LWDB staff or Board Members, including, but not limited to family ties, (spouse, child, parent), fiduciary roles, employment, or ownership interests in common.
- All applications must include the current federal tax identification number (the number used to file employee income taxes with the Internal Revenue Service).
- To be considered for review, each program must have at least five students who have completed the program and obtained training related employment, with documentation available on employment status. Newly formed programs should wait to apply until this has occurred. New programs without documented completion and employment records will not be reviewed.

TRAINING PROGRAM CRITERIA

- Training skills are specific and in demand in the labor market.
- A recognized post-secondary credential is attained after program completion
- The program/s are existent, ongoing and continuous.
- The training programs are open to the general public, have published catalog price structures and are not solely dedicated/availed to WIOA customers.
- Job search and/or placement assistance is provided by the organization.
- The organization does not appear on current federal, state or local debarment and suspension lists.
- The provider assures that the proposed training facility is handicapped accessible or are reasonable accommodations made for provision of services to handicapped individuals.

NPEC AND/OR OTHER ACCREDITATION/AUTHORIZATION

All program requests must be currently approved by NPEC (Include copy of NPEC certification for each program)

Proprietary colleges or schools operating in Georgia are required by the Nonpublic Post-Secondary Educational Institutions Act of 1990 (NPEIA) to have a certificate of authorization from the Georgia Nonpublic Post-Secondary Education Commission (NPEC) before beginning operation or advertising in the state. This certificate must be renewed annually. The NPECs' primary purpose is to ensure that each authorized college or school is educationally sound and financially stable.

Nonpublic Degree Granting Post-Secondary Educational Institutions in Georgia - The Nonpublic Post-Secondary Educational Institutions Act of 1990 provides that a post-secondary educational institution must apply for and be granted a Certificate of Authorization before beginning operation or advertising in Georgia. NPEC must authorize each degree program. Following initial authorization, the institution's Certificate must be renewed annually. Any institution operating or advertising to begin operation without acquiring the necessary Certificate of Authorization is in violation of Georgia law, and shall be subject to civil penalties.

Nonpublic Non-Degree Granting Post-Secondary Institutions in Georgia – Any instructional program defined as a proprietary school according to the Nonpublic Post-Secondary Educational Institutions Act of 1990 must apply for and be granted a Certificate of Authorization before beginning operation or advertising in Georgia. Following initial authorization, the institution's Certificate must be renewed annually. Any institution operation or advertising to begin operation without acquiring the necessary Certificate of Authorization is in violation of Georgia law, and shall be subject to civil penalties.

NPEC allows exemptions when another governmental agency is providing oversight. For example, the Georgia Department of Safety provides oversight of Truck Driver Training Programs. Proprietary schools interested in becoming a WIOA ITA provider will need to contact NPEC to begin the authorization process.

For additional information concerning NPEC, please contact:
 Carl Camann, Deputy Director
 Nonpublic Post-Secondary Education Commission
 2082 East Exchange Place, Suite 220
 Tucker, GA 30084
 (770) 414-3300
<http://www.gnpec.org>

Check below the agency/agencies providing accreditation/authorization for your organization and attach a copy of the certification document.

- Nonpublic Post-Secondary Education Commission (NPEC)
- Georgia Healthcare Partnership (GHP/GMCF)
- Department of Public Safety (DPS)
- Other(s): _____

Provide licensure documentation if another governmental agency is providing oversight (i.e., GA Public Safety or GA Medical Care Foundation).

Attach a copy of the credential and a confirming statement that graduates of the program may sit for the Credential Examination.

ATTACHMENTS TO APPLICATION

The following items have been included as an attachment to the application:

- Program Description(s)
- Signed EEO and Conflict of Interest Assurances
- Catalog or Brochure
- Current Business License *
- Schedule of Classes
- NPEC Certification *
- Debarment Form
- Accreditation/Authorization Documents (Include authorizing agency description) *
- Copies of credential(s) to be received by students
- Published Course Price Listing (Copy of catalog or website page, if price included)
- Training Provider Relationship Disclosure

*Please attach if applicable to your organization.

EEO ASSURANCE

As a condition to the award of financial assistance from Technical College System of Georgia, Office of Workforce Development, under WIOA, the applicant assures that it will comply with the nondiscrimination and equal opportunity provisions of the following laws:

The U.S. Department of Labor (Department) is issuing nondiscrimination and equal opportunity regulations to implement Section 188 of the Workforce Innovation and Opportunity Act (WIOA). Under Section 188(e) of WIOA, Congress required the Department to issue regulations implementing Section 188 no later than one year after enactment of WIOA. The Department's publication of this final rule complies with the statutory mandate. This final rule creates a new part in the CFR, which mirrors the regulations published in the CFR in 1999 to implement Section 188 of WIOA. The Department has made no substantive changes in this final rule; the changes are technical in nature. This final rule adopts the Department's regulatory scheme for Section 188 of WIOA verbatim, with technical revisions to conform to WIOA. Specifically, the Department has: Replaced references to the "Workforce Investment Act of 1998" or "WIOA" with "Workforce Innovation and Opportunity Act" or "WIOA" to reflect the proper statutory authority; and updated section numbers in the text of the regulation to reflect its new location.

Section 188 of WIOA prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIOA Title I financially assisted program or activity; Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the basis of race, color and national origin; Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination on the basis of age, and The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

ATTACHMENT A
Standard Certifications Regarding Debarment, Suspension, Ineligibility
And Voluntary Exclusion Form

This certification is required by the regulation implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98 Section 98.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

(BEFORE SIGNING CERTIFICATION, READ ATTACHED INSTRUCTIONS WHICH ARE AN INTEGRAL PART OF THE CERTIFICATION)

- (1) The prospective primary certifies to the best of its knowledge and belief, that it and its principals:
- (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) Have not within a three-year period preceding this proposal been convicted of a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining; attempting to obtain, or performing a public Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (c) Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1) (b) of this certification; and
 - (d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or Local) termination for cause or default.
- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach and explanation to this proposal.

Name and Title of Authorized Representative

WIOA REGISTERED APPRENTICESHIP INFORMATION AND INSTRUCTIONS FOR COMPLETING THE GEORGIA ETP INFORMATION FORM FOR REGISTERED APPRENTICESHIP PROGRAMS

Under WIOA, Registered apprenticeship programs are automatically eligible as WIOA training providers.

Under WIOA, all Registered Apprenticeship (RA) programs that are registered with the USDOL Office of Apprenticeship (OA) are automatically eligible to be included on the State Eligible Training Provider/Program List. RA programs are not subject to the same application and performance information requirements nor subject to a period of initial eligibility as other providers because they go through a detailed application and vetting procedure to become a registered apprenticeship program sponsor with USDOL/OA.

All RA programs will be informed of their automatic eligibility to be included on the list and will be provided an opportunity to consent to their inclusion, before being placed on the State ETPL.

There are no WIOA performance requirements for RA programs and RA programs are not required to provide ongoing reports to the state or local boards.

LWDAs may not impose additional criteria, information or reporting requirements on RA programs. Additionally, if an LWDA has a local ETPL, RA programs should be included and should be noted as 'in-demand occupations'. If an issue arises, LWDAs should contact the OWD for assistance.

RA programs must remain registered and in good standing with the OA to remain on the ETPL. Registered Apprenticeship program sponsors that have requested to be ETPs will remain on the ETPL as long as the program is registered or until the program sponsor notifies the OWD that it no longer wants to be included on the ETPL or until the RA program is determined to have intentionally supplied inaccurate information or to have substantially violated any provision of Title I of WIOA (e.g., civil rights of discrimination violations) or the WIOA regulations, including 29 CFR part 38. An RA program whose eligibility is terminated due to intentionally supplying inaccurate information or substantially violating WIOA provisions will be terminated for not less than 2 years and is liable to repay all youth, adult and dislocated worker training funds, if received during the period of noncompliance.

If instances of substantial violation are reported to the OWD, the OWD will work in concert with the OA to will make the determination of ineligibility. The opportunity for an appeal and hearing is described in the ETPL Appeal Procedures.

Biennial review will include verification of the registration status of RA programs and removal of any RA programs that are not currently registered or do not wish to continue as ETPs. Although RA programs are not required to provide ETP Performance reports, voluntary reporting of performance information is encouraged under WIOA regulations and outcomes for WIOA participants in WIOA funded RA programs must be included in the State's annual performance report. WIOA 116 (d) (2).

In order for Registered Apprenticeship programs to be included on the ETPL, completion of an abbreviated form is necessary to collect information needed for populating the ETPL. If the program is viable and active, the program will remain on the ETPL as long as the program is registered or until the program sponsor notifies the State that it no longer wants to be included on the list. Registered apprenticeship programs are not subject to the same application and performance information requirements or to a period of initial eligibility or initial eligibility procedures as other providers due to the detailed application and vetting procedure to become a registered apprenticeship program sponsor with the United States Department of Labor.

LWDAs will input providers/program information into the GWROPP and alert TCSG/OWD that the provider information is ready for inclusion on the State ETPL. Once the information is listed on the ETPL, local areas may develop a provider agreement.

Training programs must be approved by the Office of Apprenticeship and the Program Number Listed.

Registered Apprenticeship can take many forms and the sponsors are diverse, including:

- **Employers who provide related instruction.** A number of employers with Registered Apprenticeship programs provide

formal in-house instruction as well as on-the-job training at the work site.

• **Employers who use an outside educational provider.** Under this model, Registered Apprenticeship program sponsors do not provide the related instruction or educational portion of the apprenticeship, but rely upon an outside educational entity to deliver instruction. Employers can use two- or four-year post-secondary institutions, technical colleges, eligible providers of adult education and literacy activities under title II, or on-line courses for related instruction. The employer is the ETP and must identify their instructional provider as defined locally.

• **Joint Apprenticeship Training Programs.** These programs are made up of employers and unions. They have an apprenticeship training school where the instructional portion of the Registered Apprenticeship program is delivered. The training schools are usually administered by the union.

• **Intermediaries.** Intermediaries can serve as program sponsors when they take responsibility for the administration of the apprenticeship program. They can also provide expertise such as curriculum development, classroom instruction and supportive services, as appropriate. The intermediary is the ETP and must identify the instructional provider if an outside organization is providing the educational portion of the apprenticeship. Intermediaries include:

- Educational institutions including two and four year post-secondary institutions, technical colleges, or eligible providers of adult education and literacy activities under title II. In this model the educational institution administers the program, works with employers to hire apprentices and provides classroom or on-line instruction for the apprenticeship program;
- Industry associations administer the program and work with employer/members and educational entities to implement the apprenticeship program; and,
- Community based organizations administer the program and work with employers, educational entities and the community to implement the apprenticeship program.

Form completion instructions:

- **Respond to all questions. If the question does not apply indicate “not applicable”. When referring to a catalog or brochure, indicate, “See attached catalog”.**
- **The name of the Apprenticeship sponsor is the legal name of the entity.**
- **The contact person is the individual who may answer questions concerning the information.**
- **If the form submitted via e-mail, it will be necessary to mail a provider certification or submit an electronic signature as well as a catalog of courses or reference website, if available online.**

Workforce Innovation and Opportunity Act Glossary and General Information

Workforce Innovation and Opportunity (WIOA): WIOA will help job seekers and workers access employment, education, training and support services to succeed in the labor market and match employers with the skilled workers they need to compete in the global economy. The purposes of WIOA include:

- Increasing access to and opportunities for the employment, education, training and support services that individuals need, particularly those with barriers to employment;
- Supporting the alignment of workforce investment, education and economic development systems, in support of a comprehensive, accessible, and high quality workforce system;
- Improving the quality and labor market relevance of workforce investment, education and economic development efforts;
- Promoting improvement in the structure and delivery of services;
- Increasing the prosperity of workers and employers;
- Providing workforce development activities that increase employment, retention and earning of participants and that increase post-secondary credential attainment and as a result, improve the quality of workforce, reduce welfare dependency, increase economic self-sufficiency, meet skill requirements of employers and enhance productivity and competitiveness of the nation.

WIOA Services: A customer may access the array of services and program information available on the statewide ETPL and may choose from a variety of Eligible Training Providers. There is no guarantee that a customer will enroll in a specific course or program of study after referral. It is the responsibility of the customer and the career adviser to develop a career plan. A customer may be determined WIOA eligible during WIOA career services. If it appears that the customer is eligible and suitable for provider training, they will be approved for enrollment by LWDA staff. Once approved for enrollment, LWDA staff will provide written authorization to both the customer and the training organization through an Individual Training Account (ITA).

Career Services: Services that LWDA's are responsible for providing for adults and dislocated workers under WIOA. Career services may include initial assessment of skill levels, job search and placement assistance, provision of information on in-demand sectors and occupations, information on nontraditional employment, labor market information, provision of information about the performance and cost of education and training providers in the area, career counseling, information about filing unemployment compensation claims, information relating to the availability of supportive services such as child care and transportation, specialized assessments of individual skill levels and service needs, individual or group counseling and career planning, development of an individual employment plan, short-term job-readiness activities, literacy activities related to basic workforce readiness, etc.

Credentialing: WIOA performance standards now include the attainment of recognized post-secondary credential received by participants. It is the Provider's responsibility to assure that Credentialing goals are obtained for each student. All training programs must prepare WIOA participants through job training and preparation to sit for testing in order to achieve attainment of industry-recognized credentials as specified by WIOA. Such nationally recognized industry, association or organizations include:

- A state education body
- An institution of higher education eligible to participate in federal financial aid programs
- A registered apprenticeship
- A public regulatory agency
- A professional, industry or employer association

Eligible Training Provider: An organization, entity, or institution, such as a public or private college and university, community-based organization, or proprietary school whose application has been approved by the local workforce Board and submitted to the state for inclusion on the state ETPL to provide training services through the use of an ITA or training provided (WIOA exception) through a contract for services. Reference 20 CFR.680.410. Registered Apprenticeship programs may also request to be Eligible Training Providers and are automatically included on the ETPL.

Eligible Training Provider List (ETPL): A statewide compilation of providers that are approved to provide services through the One-Stop system described by WIOA. These lists contain consumer information, including cost and performance information for each provider, so that customers may make informed choices.

Individual Training Account (ITA): A training plan obligation and expenditure account established on behalf of a WIOA eligible participant to establish a plan for payment for a program of training services, which may include tuition, books and fees.

Provider Entry Criteria: Training providers have responsibility in assessing the current skills, education and experience of candidates and providing training and employment for customers. Provider entry requirements will be a critical factor in establishing and attaining successful performance. They should be established with a purpose of determining whether the customer's current skills, education, experience, etc. will enable them to complete the training program, obtain the knowledge and skills necessary to receive certification, as well as obtain training-related employment with wages that meet standards and promote self-sufficiency.

CERTIFICATION

I hereby certify that the information provided is true and correct. I assure that proposed training facilities are disabled accessible or reasonable accommodations will be made for the provision of services to disabled individuals.

EEO ASSURANCE

As a condition to the award of financial assistance from the Technical College System of Georgia, Office of Workforce Development, under WIOA, the training provider assures that it will comply with the nondiscrimination and equal opportunity provisions of the following laws:

Section 188 of WIOA prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIOA Title I financially assisted program or activity; Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination on the basis of race, color and national origin; Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination on the basis of age, and The Age Discrimination Act of 1975, as amended, which prohibits discrimination on the basis of age; and Title IX of the Education Amendments of 1972, as amended, which prohibits discrimination on the basis of sex in educational programs.

STANDARDS OF CONDUCT ASSURANCE:

The Training Provider agrees that in administering Workforce Innovation and Opportunity Act funded training services, it will comply with standards of conduct that maintain the integrity of the program in an impartial manner, free from personal, financial or political gain by avoiding situations which suggest that any decision was influenced by prejudice, bias, or special interest.

And Voluntary Exclusion Form**

This certification is required by the regulation implementing Executive Order 12549, Debarment and Suspension, 29 CFR Part 98 Section 98.510, Participants' responsibilities. The regulations were published as Part VII of the May 26, 1988 Federal Register (pages 19160-19211).

(BEFORE SIGNING CERTIFICATION, READ ATTACHED INSTRUCTIONS WHICH ARE AN INTEGRAL PART OF THE CERTIFICATION)

- 1) The prospective primary certifies to the best of its knowledge and belief, that it and its principals:
 - (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) Have not within a three-year period preceding this proposal been convicted of a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining; attempting to obtain, or performing a public Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (c) Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1) (b) of this certification; and
- 2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach and explanation to this proposal.

Name and Title of Authorized Representative

Signature

Instructions for Certification Regarding Debarment

1. By signing and submitting this proposal, the prospective recipient of Federal assistance funds is proving the certification as set below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal Funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the GOWD may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principle,” “proposal,” “voluntarily excluded,” as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective recipient of Federal assistance funds agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier that covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.
6. The prospective recipient of Federal assistance funds further agrees by submitting this proposal that it will include the clause titled “Certification Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transaction.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Nonprocurement Programs.
8. Nothing contained in the foregoing shall be constructed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.

Attachment 9:

Individual Training Account Policy (ITA)

Policy/Procedure #: **18-006-100**

Policy Name: **Individual Training Account Policy (ITA)**

Effective Date: **09/19/2016**

OVERVIEW

WIOA funds will be used for costs incurred during the pursuit of occupationally specific programs of study that lead to a diploma or certificate for WIOA eligible adults, dislocated workers and youth. In addition to the WIOA eligibility requirements, youth must be: a) 18 years old and no older than 21; b) not be actively pursuing a secondary school diploma or its equivalent on the date of participation.

PROGRAMS OF STUDY

Training must be in occupations identified in the local WIOA Local Plan as growth and/or demand occupations or documentation of employment prospects must be provided. Training must result in an employment wage sufficient to attain self-sufficiency without the aid of public assistance.

HOPE/PELL

WIOA funds will be used only when HOPE and Pell funds are inadequate to cover expenses. (A customer's total tuition and class-related expenses less his/her HOPE and Pell funds equals allowable WIOA training expenditure.)

RESIDENCY REQUIREMENTS

Services will be reserved for adult and youth customers who reside in the Southern Georgia area. However, in the case of dislocated workers, services will be provided to those individuals who reside in the Southern Georgia area or who have been terminated or laid off, or received a notice of layoff of employment, from an employer located in the Southern Georgia area.

Individual Training Account (ITA) Voucher

WIOA funds will be utilized in the form of a voucher for ITAs. ITAs will be used to purchase tuition, essential books/supplies that are instructor-required purchases for *all* students taking any given course, and for graduation and training-related purchases including, but not limited to, medical exams, vaccinations, uniforms, graduation fees, testing fees, etc. The maximum amount of an ITA voucher is \$6,000 per customer.

TIME LIMIT

ITAs have a 2.5-year time limit, regardless of the length of the customer's training program. Hence, customers must select programs that will be finished in 2.5 years or less.

SUPPORT PAYMENTS

Supportive Service benefits may be available to assist WIOA eligible participants with costs associated with participating in WIOA funded training activities. Supportive services means services such as transportation, child care, and/or dependent care that are necessary to enable an individual to participate in activities authorized under the Workforce Innovation and Opportunity Act.

WIOA funds will be used to pay support payments for customers who are physically attending training classes as verified by the instructor's signature on a timesheet. Participants are required to attend the classroom training for the duration of the respective class to be eligible for the support payment. For example, participants who attend only ½ of the class will not be eligible for the support payment for that

day. Service providers will work with instructors to ensure they do not sign off on a time sheet for someone who does not attend the full class session.

Payments will not be pro-rated for fewer hours of attendance, nor will payments be made for sick days or holidays.

SUPPORT PAYMENT AMOUNTS

Payments will be made to qualifying Adults, Dislocated Workers and Youth based upon round trip miles driven per day. Payments will be made as follows:

Tier	Round Trip Miles	Amount
1	0-15 Miles	\$15/day
2	16-30 Miles	\$17/day
3	31+ Miles	\$19/day

For additional details please see the **Southern Georgia WDB Supportive Services Policy**.

DEFAULT STATUS AND ACADEMIC PROBATION

WIOA funds will not be utilized for educational expenses of students who are ineligible for other types of student financial assistance because they are in “default status.”

WIOA funds will not be utilized for a customer who fails to make satisfactory academic progress. Specifically, funds will not be extended during a period of academic probation. However, upon a customer’s removal from academic probation status and recovery of standard admission status, WIOA funds may be accessed again if the 2.5-year time limit has not expired.

CHANGES IN COURSE OF STUDY

Customers may not change majors and continue to receive WIOA assistance. However, Southern Georgia Regional Commission (SGRC) staff may approve “minor” changes in a major (program of study) if customers stay within the same field and do not extend the total period of attendance beyond the 2.5-year training time limit.

ADDITIONAL DIPLOMA/CERTIFICATE

SGRC staff may approve WIOA assistance during the acquisition of an additional diploma/certificate that is closely related to the original diploma/certificate if doing so increases the customer’s marketability and does not violate the 2.5-year and \$6,000 limit.

LODGING

WIOA funds may be utilized, at the rate of \$40 per night, for lodging for a customer who is enrolled in training and is required to participate in an activity out of town (i. e., clinicals for nursing students).

EXCEPTIONS

The Southern Georgia Workforce Development Board’s Executive Committee will make decisions regarding exceptions to the local training policies on a case-by-case basis. When an exception is requested, the WIOA customer’s case manager may attend the Committee meeting to elaborate about the circumstances necessitating the exception. Also, the customer may attend and/or provide a brief essay (one page) justifying the appropriateness of the exception.

Attachment 10:

WIOA Complaint and Grievance Policy and Procedure

Policy/Procedure #: **18-006-1100**

Policy Name: **WIOA Complaint and Grievance Policy**

Effective Date: **02/14/2018**

Purpose

The purpose of the WIOA Complaint and Grievance Policy is to provide guidance for filing and resolving complaints/grievances alleging violations of any of the provisions of WIOA.

Types of Complaints

There are three basic types of complaints:

1. A complaint that involves suspected fraud, waste, abuse, misconduct, or other wrongdoing in a WIOA-funded program;
 2. A general complaint alleging a programmatic violation of WIOA; and
 3. A complaint which alleges discrimination.
-

Section I: Complaints for Fraud, Waste, Abuse, Misconduct or Other Wrongdoing Concerning DOL Programs and Operations

In the event that a complaint involves allegations of fraud, abuse, waste, misconduct, or illegal activity stemming from a WIOA-funded program, the complainant shall immediately contact one of the following entities listed below. Contact information can be found on *Attachment A* of this policy:

- Technical College System of Georgia, Office of Workforce Development
- Georgia Office of Inspector General
- United States Department of Labor, Office of Inspector General

In the event that the complainant contacts the Local Workforce Development Area (LWDA), LWDA shall document the allegations and assist the complainant in contacting the appropriate entity. The LWDA may document the allegations using the Office of Inspector General's Incident Report Form 1-156 (*Attachment B*). Additional guidance regarding what procedures shall be adhered can be found on the United States Department of Labor's Employment and Training's (ETA) Training and Employment Guidance Letter 2-12.

Section II: Process for General, Non-Discriminatory Complaints

The process for general complaints is intended to allow for resolution of the complaint at the most local level possible. Therefore, if a general complaint alleges that the Southern Georgia LWDA or a service provider of the LWDA violated the requirements of WIOA, then such complaint must be filed in compliance with the Southern Georgia LWDA complaint policies. Such complaints will not be resolved by the State (OWD) until such time that there has been a written ruling issued by the LWDA. The exception to this rule is if the complaint contains allegations directly against OWD. Such complaints must be directly filed with OWD. For these type of complaints, the contact person for the Southern Georgia LWDA is Amy Baldwin, WIOA Equal Opportunity Office. Please see *Attachment A* for contact information.

Complaint and grievance procedures along with instruction on how to file a complaint are available to the public. These procedures and instructions inform the public or any interested party's right to file a complaint as well as inform the public that an interested party has the opportunity to receive technical assistance in filing such a complaint. The complaint process and information is on the WIOA Customer Rights Form (*Attachment C*). This form is explained to each customer, and the customer reads, signs, dates and retains a copy of the form. The original is placed in the participant file. Service Providers must ensure that the WIOA Customer Right's Form is current (review to ensure all contact information for complaints is accurate) and that a signed copy is placed in the participant file.

The LWDA will provide assistance to any complainant, including those complainants filing a complaint against the LWDA. Assistance may include, but shall not be limited to, providing instructions on how to file a complaint; providing reasonable accommodations to complainants with disabilities in accordance with federal law; providing relevant copies of documents such as WIOA, regulations, local rules, contracts, etc.; and providing clarifications on the relevant provisions. This requirement shall not be interpreted as requiring the LWDA to release personally identifiable information.

All complaints must be filed in writing and within a reasonable timeframe from the date of the alleged action which gave rise to the complaint. However, reasonable time shall not exceed one hundred and twenty (120) days of the alleged event.

As required by WIOA, every complainant shall have the opportunity for a hearing for any complaint that is filed. A request for a hearing must be made in writing by the complainant, preferably at the time the complaint is initially filed. However, a complainant may file a written request for a hearing within sixty days of the date the complaint was filed. If a request for a hearing is made, then the hearing shall be held as soon as reasonably possible to enable a resolution of the complaint no later than sixty (60) days from the day the complaint is filed.

The LWDA will resolve any complaint within sixty (60) days of the complainants filing (as per U.S.C. § 3241 (c)(1)). Any entity within the Georgia Workforce System including, but not limited to customers, participants, recipients, sub-recipients, contractors, and service providers may file a complaint.

Process Flow for General Complaints

1. Submitting a Complaint

All general complaints must be submitted in writing using the WIOA General Complaint Form (*Attachment D*). The complaint must be signed by the complainant.

2. Required Elements of a Complaint

Each complaint filed must be filed in writing, either electronically or in hard copy, and must contain the following information:

- a. The complainant's name, mailing address, and if available, email address (or another means of contacting the complainant).
- b. The identity of the respondent (the individual or entity that the complainant alleges is

responsible for the discrimination.

- c. A description of the complainant's allegations. This description must include enough detail to allow the recipient to decide whether:
 - i. The recipient has jurisdiction over the complaint;
 - ii. The complaint was filed in time; and
 - iii. The complaint has apparent merit; in other words, whether the complainant's allegations, if true, would indicate noncompliance with the LWDA policies.
- d. The written or electronic signature of the complainant or the written or electronic signature of the complainant's representative.

3. Amending a Complaint

A complaint may be amended to correct a technical deficiency at any time up until the date of resolution or the date of a hearing, if a hearing is requested in writing prior to the issuance of a resolution. Complaints may be withdrawn by the complainant at any time prior to the issuance of a resolution.

4. Lack of Required Information

In the event a complaint is received which does not contain enough information to enable the LWDA to resolve the issue, the LWDA shall make reasonable efforts to contact the complainant and gather additional, necessary information.

5. Notice of Receipt (Initial Written Notice)

The local EO Officer must prepare a written letter of acknowledging receipt of the complaint. Notice of Receipt may be mailed by registered mail, certified mail or hand delivered with signatures indication receipt of the notice. The notice will include a list of issues raised in the complaint; and for each issue a statement on whether the LWDA will accept the issue for investigation or reject the issue, and the reasons for the rejection.

6. Lack of Jurisdiction

In the event that a complaint is filed and the LWDA lacks jurisdiction to resolve, the LWDA must notify the complainant, in writing within five business days of making such determination. This notice may be mailed by registered mail, certified mail or hand delivery with signature indicating receipt of the notice. This Notice of Lack of Jurisdiction must include:

- a. A statement of the reasons for that determination; and
- b. Notice that the complainant has the right to file a complaint with OWD or the CRC within 30 days of the date on which the complainant receives the notice.

7. Complaint Log

The LWDA will record all complaints in the LWDA's complaint log. The following information will be entered:

- a. Complainant's name and contact information;
- b. The date the complaint was filed;
- c. The date a formal or informal resolution was issued; and
- d. A brief description of the complaint.

Southern Georgia LWDA shall take every step necessary to ensure the information contained in the log is protected and only made available to staff or management authorized to view it.

8. Informal Resolution Attempts

As soon as a complaint is filed, the Workforce Development Director, or his/her designee, will begin an investigation within forty-eight (48) hours, and will inform the WDB Chair immediately. The WDB Chair, or his/her designee, will gather information and attempt to negotiate a resolution, which is acceptable to both parties.

9. Written Resolution

The Southern Georgia LWDA will issue written resolution for each complaint received no later than sixty (60) days from the date the complaint is filed. The written resolution will include:

- a. A recitation of the issues alleged in the complaint;
- b. A summary of any evidence and witnesses presented by the complainant and the respondent;
- c. An analysis of the issues as they relate to the facts; and
- d. A decision addressing each issue alleged in the complaint.

Remedies

Per 29 U.S.C. § 3241 (c)(3), a LWDA receiving an allotment or allocation under WIOA may only impose the following remedies for a violation of any requirement of WIOA:

- (1) Suspend or terminate payments made available under WIOA;
- (2) Prohibit the placement of a participant with an employer that violated any requirement under WIOA;
- (3) Where applicable, reinstate an employee, require the payment of lost wage and benefits, and reestablish other relevant terms, conditions, and privileges associated with the employee's employment; and
- (4) Where appropriate, other equitable relief.

Process for Appealing to OWD

As to general complaints, the complainant must first file at the local level unless the complaint alleges a violation of the provisions of WIOA by OWD. OWD shall not have jurisdiction over general complaints until the LWDA has issued a written resolution on a complaint. Once the LWDA has issued a written resolution on a complaint, a complainant may file an appeal of the LWDA's resolution with OWD by attaching the resolution to the OWD Complaint Form (located at <https://tcsq.edu/workforce/worksource-georgia/eo-and-grievance-procedure-information/>). Any appeal to OWD of a LWDA's resolution must be filed within sixty (60) days of the date of the LWDA issued its written resolution. However, a LWDA that fails to issue a written resolution of a locally filed complaint within sixty (60) days shall give the complainant the automatic right to file a complaint with OWD. For further guidance regarding the appeals process please review OWD's P&P Manual at : <https://tcsq.edu/wp-content/uploads/2018/06/Workforce-Policies-and-Procedures-Updated-11-20-2017.pdf>.

Hearing Procedures (if requested by complainant)

1. Request for a Hearing

Upon receiving written notice of the complainant's request for a hearing, the LWDA will respond in writing acknowledging the complainant's request and notifying the claimant and the respondent of the date of the hearing. Such acknowledgment and notice shall be transmitted to the complainant and the respondent within ten (10) business days of receipt of the complainant's request. The notice will include:

- a. The date of issuance;
- b. The name of the complainant;
- c. The name of the respondent against whom the complaint has been filed;
- d. A statement reiterating that the complainant and respondent may be represented by legal counsel at the hearing;
- e. The date, time and place of the hearing, including the name of the hearing officer serving as an impartial party;
- f. A statement of the alleged violations of WIOA. (This may include clarification of the original complaint, but must accurately reflect the content of the submitted documentation of the complainant);
- g. A copy of the policies and procedures for the hearing or identification of where such policies may be found; and

h. The name, address, and telephone number of the contact person issuing the notice.

2. Appointment of a Hearing Officer

The WDB Chair will appoint an impartial decision-maker to serve as the hearing officer. The hearing officer must have complete independence in obtaining facts and making decisions and must render decisions that are fair and impartial. The hearing officer will conduct the hearing.

Examples of hearing officers include: himself/herself, another WDB member, the SGRC Executive Director, a WDB chairman or WDB member from another area, management/supervisory level personnel of a governmental department, (i. e., Social Security Administration), an attorney, a college professor, a paralegal. The hearing officer must not be a subordinate of LWDA 18's staff involved in the administration of workforce development programs and should not be involved in any way in the issue causing the complaint. Any WDB member who is directly involved in the matter causing the grievance shall not be a hearing officer.

If either party to the complaint is aware of the facts or circumstances that put the designated hearing officer's independence or impartiality in question, the WDB Chair should be notified immediately. As appropriate, an alternative hearing officer will be appointed. In all cases, the EO Officer will maintain documentation in the complaint file regarding the allegation and how it was handled.

3. Responsibilities of the Hearing Officer

The responsibilities of the designated hearing officer are as follows:

- a. Directs preparation of and reviews complete file on the case prior to the hearing;
- b. Directs parties to appear at the hearing;
- c. Holds hearings;
- d. Receives evidence;
- e. Disposes of procedural requests;
- f. Considers and evaluates facts, evidence, and arguments to determine credibility;
- g. Renders the decision and issues it in writing to all parties involved; and
- h. Provides the complete record.

4. Complaint Hearings

Hearings will be conducted informally. Unnecessary technicalities (i. e., legal requirements that would be appropriate in court proceedings) should be avoided. The hearing should provide the flexibility to enable adjustment to the circumstances presented. These guidelines will be followed:

- a. Full regard should be given to the requirement of ensuring a fair and impartial hearing process.
- b. All testimony at the local level shall be mechanically recorded and minutes of the hearing will be kept.
- c. The hearing officer should begin the hearing by summarizing the record and the issues. Both parties will be given the opportunity to review the record. The hearing officer will explain the manner in which the hearing will be conducted, making sure that everyone involved understands the proceedings. Such explanation should be adapted to the needs of the specific situation. The hearing officer must take testimony under oath or affirmation to give some assurance of veracity of the hearing.
- d. The hearing officer determines the order of proof and ensures that the burden of proof is reasonable and flexible, depending upon the circumstances. Generally, the complainant establishes his/her case first.
- e. The parties involved may be represented, but these parties are responsible for finding their own representation. Otherwise, the parties are limited to their own abilities and the abilities of the hearing officer in obtaining testimony in the case.
- f. The hearing officer must ensure that all information is obtained for the record. If the parties involved or their representative do not ask the right questions to ensure due process, the hearing officer must assist in having all materials and facts elicited.

- g. The practice in informal hearings is generally not to apply strict rules of evidence in obtaining facts. However, the quantity of evidence required to support a decision on an issue should be sufficiently credible that a court, upon reviewing the decision, would conclude that it is supported by substantial evidence.
- h. The general rules in the law should be applied in decisions on remedies, which should be reasonable and fit the problem and/or violation.
- i. The hearing officer may accept any resolution of the issue agreeable to all parties prior to rendering a decision as long as the agreement does not violate any State or Federal law.

5. Documentation of the Hearing Record

The hearing record must contain the following in order to be complete:

- a. All pleadings, motions, and intermediate rulings;
- b. Detailed minutes or mechanical recording of the oral testimony plus all other evidence received or considered;
- c. A settlement of matters officially noted;
- d. All staff memoranda or data submitted to the decision-maker in connection with his/her consideration of the case;
- e. Findings of facts based on the evidence submitted at the hearing;
- f. Notification of further appeal procedures, if applicable; and
- g. The final decision of the hearing officer.

The EO Officer will maintain copies of all correspondence, the complaint, minutes of the hearing, and other documentation relevant to the complaint at the SGRC.

6. Written Decision

The hearing officer, considering the evidence presented by the complainant and respondent, shall issue a written decision which shall serve as the LWDA's official resolution of the complaint. The decision shall include the following information at a minimum:

- a. The date, time and place of hearing;
 - b. A recitation of the issues alleged in the complaint;
 - c. A summary of any evidence and witnesses presented by the complainant and the respondent;
 - d. An analysis of the issues as they relate to the facts; and
 - e. A decision addressing each issue alleged by the complaint.
-

Section II: Complaints Alleging Discrimination

Process for Complaints Alleging Discrimination

As a recipient of federal funds, the Southern Georgia LWDA is prohibited from, and does not engage in, discriminating against any individuals in the United States on the basis of race, color, religion, sex (including pregnancy childbirth and related medical conditions, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, political affiliation or belief, citizenship status, or participation in any WIOA-Title I funded program or activity. Further, any entity which receives funds authorized under WIOA is prohibited from discriminating against any individual on the grounds previously stated. Pursuant to U.S.C. § 3248, the Secretary of the United States Department of Labor shall issue regulations governing and implementing the nondiscrimination provisions of WIOA. Such federal regulations shall govern the process for reviewing and resolving any complaints for grievances alleging discriminatory action. The complainant or grievor has the right to file their discrimination-based complaint to any one of the following agencies (contact information can be found on Attachment A):

- Southern Georgia Regional Commission, EEO Officer
- Technical College System of Georgia, Office of Workforce Development, EEO Officer
- United States Department of Labor's Civil Rights Center (CRC).

The LWDA will provide assistance to any complainant, including those complainants filing a complaint against the LWDA. Assistance may include, but shall not be limited to, providing instructions on how to file a complaint; providing reasonable accommodations to complainants with disabilities in accordance with federal law; providing relevant copies of documents such as WIOA, regulations, local rules, contracts, etc.; and providing clarifications on the relevant provisions. This requirement shall not be interpreted as requiring the LWDA to release personally identifiable information.

All discrimination based complaints must be filed within one hundred and eighty (180) days of the alleged discrimination.

If a complainant chooses to file the discrimination complaint with the LWDA, a response shall be issued within ninety (90) days of the complaint's filing. The resolution shall be the written Notice of Final Action. Options for resolving the complaint shall include alternative dispute resolution (ADR), at the complainant's election.

The complainant and respondent has the right to be represented in the complaint process by an attorney or other representative.

If the complainant is dissatisfied with the resolution of his/her complaint by the LWDA, the complainant may file a new complaint with OWD or CRC within thirty (30) days of the date on which the complainant receives the Notice of Final Action. If the LWDA fails to issue the Notice within ninety (90) days of the date on which the complaint was filed, the complainant may file a new complaint with OWD or the CRC within thirty (30) days of the expiration of the ninety (90) day period (in other words, within one hundred and twenty (120) days of the date on which the original complaint was filed).

The LWDA shall fully cooperate with any local, state, or federal investigation in accordance with the aforementioned proceedings or with any criminal investigation.

The Equal Opportunity Officer will report to OWD all discrimination complaints received.

Non-Discrimination/Equal Opportunity Assurance and Policy Statement

Southern Georgia Workforce Development Area (WDA) is in compliance with the provisions of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, Section 188 of the Workforce Innovation and Opportunity (WIOA) and 29 CFR Part 38, and the Americans with Disabilities Act of 1990.

Designation and Duties of EO Officer

Amy Baldwin is the EO Officer for the Southern Georgia Workforce Development Area (WDA). A job description and responsibilities for the EO Officer are on file at the Southern Georgia Regional Commission. The EO Officer reports to the WIOA Director. The Southern Georgia WIOA EO Officer will function as a liaison between the LWDA and the state level Equal Opportunity Administrator and the WIOA Title I Equal Opportunity Officer. This LWDA EO Officer's name, title, address and telephone number has been made public through the "Customer's Rights under the Workforce Development Program" document which is signed by each applicant, as well as on brochures and posters, placed in areas of high visibility where WIOA-funded services are offered. The local EO serves as the local level focal point for taking and handling complaints that involve customer services, concerns, apparent violations, discrimination and related issues.

Equal Opportunity Notices

Equal Opportunity notices with an EO tagline are available in handouts, posters and handbooks to customers, applicants and employees. The non-discrimination notice is available in English and Spanish, and includes information for access to the TTY/TDD or relay system. Equal Opportunity notices are posted at the WIOA local offices and training sites throughout the eighteen county service area. The discrimination notice is also on the WIOA Customer's Rights Form which is explained to the customer, and the customer reads, signs, dates and retains a copy of the form. The original is placed in the participant file. Service Providers must ensure that the WIOA Customer Right's Form is current (review to ensure all contact information for complaints is accurate) and that a signed copy is placed in the participant file.

Equal Opportunity Complaint Log

The local EO Officer maintains a discrimination complaint log, which is maintained for a period of three years. These policies and procedures establish a process for handling complaints and grievances. The local workforce area has written procedures for conducting Equal Opportunity compliance monitoring reviews of service providers. Those procedures are contained within the WIOA Monitoring Policies and Procedures.

Process Flow for Discrimination Complaints

1. Submitting a Complaint

All discrimination complaints must be submitted in writing using the UDDOL Complaint Information Form found at <https://www.dol.gov/oasam/programs/crc/CIFmain.htm> or standard letter format. The complaint must be signed by the complainant.

2. Required Elements of a Complaint

Each complaint filed must be filed in writing, either electronically or in hard copy, and must contain the following information:

- a. The complainant's name, mailing address, and if available, email address (or another means of contacting the complainant).
- b. The identity of the respondent (the individual or entity that the complainant alleges is responsible for the discrimination).
- c. A description of the complainant's allegations. This description must include enough detail to allow the recipient to decide whether:
 - i. The recipient has jurisdiction over the complaint;
 - ii. The complaint was filed in time; and
 - iii. The complaint has apparent merit; in other words, whether the complainant's allegations, if true, would indicate noncompliance with any of the nondiscrimination and equal opportunity provisions of WIOA.
- d. The written or electronic signature of the complainant or the written or electronic signature of the complainant's representative.
- e. A complainant may file a complaint by submitting CRC's Complaint Information and Privacy Act Consent Forms, which may be obtained either from the recipient's EO Officer or from

CRC. The forms are available electronically on CRC's Web site, and in hard copy via postal mail upon request. The latter requests may be sent to CRC at the address listed in Attachment A.

3. Amending a Complaint

A complaint may be amended to correct a technical deficiency at any time up until the date of resolution or the date of a hearing, if a hearing is requested in writing prior to the issuance of a resolution. Complaints may be withdrawn by the complainant at any time prior to the issuance of a resolution.

4. Lack of Required Information

In the event a complaint is received which does not contain enough information to enable the LWDA to resolve the issue, the LWDA shall make reasonable efforts to contact the complainant and gather additional, necessary information.

5. Notice of Receipt (Initial Written Notice)

The local EO Officer must prepare a written letter acknowledging receipt of the complaint. Notice of Receipt may be mailed by registered mail, certified mail or hand delivered with signatures indication receipt of the notice. The following elements must be included in the Initial Written Notice:

- a. An acknowledgement that the recipient has received the complaint; and
- b. Notice that the complainant has the right to be represented in the complaint process 29 CFR § 38.71;
- c. Notice of rights contained in 29 CFR § 38.35;
- d. Notice that the complainant has the right to request and receive, at no cost, auxiliary aids and services, language assistance services, and that this notice will be translated into the non-English language as required in §§ 38.4(h) and (i), 38.34 and 38.36.

6. Written Statement of Issues

A written statement of issue(s) will be provided to the complainant, that includes the following:

- a. A list of issues raised in the complaint; and
- b. For each issue, a statement whether the recipient will accept the issue for investigation or reject the issue, and the reasons for the rejection.

10. Lack of Jurisdiction

If a recipient determines that it does not have jurisdiction over a complaint, it must notify the complainant, in writing within five business days of making such determination. This Notice of Lack of Jurisdiction must include:

- a. A statement of the reasons for that determination; and
- b. Notice that the complainant has the right to file a complaint with CRC within 30 days of the date on which the complainant receives the notice.

11. Complaint Log

The LWDA will record all complaints in the LWDA's complaint log. The following information will be entered:

- a. Complainant's name and contact information;
- b. The date the complaint was filed;
- c. The date a formal or informal resolution was issued; and
- d. A brief description of the complaint.

Southern Georgia LWDA shall take every step necessary to ensure the information contained in the log is protected and only made available to staff or management authorized to view it.

12. Informal Resolution Attempts/Fact Finding

As soon as a complaint is filed, the EO Officer and the Workforce Development Director, or his/her designee, will begin an investigation within forty-eight (48) hours, and will inform the WDB Chair immediately. The WDB Chair, or his/her designee, will gather information and attempt to negotiate a resolution, which is acceptable to both parties.

13. Alternate Dispute Resolution (ADR)

The procedure the recipient adopts must provide for alternative dispute resolution (ADR). The recipient's ADR procedures must provide that:

- a. The complainant may attempt ADR at any time after the complainant has filed a written complaint with the recipient, but before a Notice of Final Action has been issued.
- b. The choice whether to use ADR or the customary process rests with the complainant.
- c. A party to any agreement reached under ADR may notify the CRC Director in the event the agreement is breached. In such circumstances, the following rules will apply:
 - i. The non-breaching party may notify the CRC Director within 30 days of the date on which the non-breaching party learns of the alleged breach; and
 - ii. The CRC Director must evaluate the circumstances to determine whether the agreement has been breached. If the CRC Director determines that the agreement has been breached, the complaint will be reinstated and processed in accordance with the recipient's procedures.
- d. If the parties do not reach an agreement under ADR, the complainant may file a complaint with the CRC Director as described in 29 CFR §§ 38.69 through 38.71.

14. Notice of Final Action

The Southern Georgia LWDA will issue a written Notice of Final Action within ninety (90) days of the date on which the complaint was filed, that contains the following:

- a. For each issue raised in the complaint, a statement of either:
 - i. The recipient's decision on the issue and an explanation of the reasons underlying the decision; or
 - ii. A description of the way the parties resolved the issue; and
- b. Notice that the complainant has a right to file a complaint with CRC within 30 days of the date on which the Notice of Final Action is received if the complainant is dissatisfied with the recipient's final action on the complaint.

CUSTOMER'S RIGHTS UNDER THE WORKFORCE DEVELOPMENT PROGRAM

Equal Opportunity Is the Law

It is against the law for this recipient of Federal financial assistance, to discriminate on the following bases: Against any individual in the United States, on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, sex stereotyping, transgender status, and gender identity), national origin (including limited English proficiency), age, disability, or political affiliation or belief, or, against any beneficiary of, applicant to, or participant in programs financially assisted under Title I of the Workforce Innovation and Opportunity Act, on the basis of the individual's citizenship status or participation in any WIOA Title I-financially assisted program or activity.

The recipient must not discriminate in any of the following areas:

- Deciding who will be admitted, or have access to any WIOA Title I financially-assisted program or activity;
- Providing opportunities in, or treating any person with regard to, such a program or activity; or
- Making employment decisions in the administration of, or in connection with, such a program or activity.

Recipients of federal financial assistance must take reasonable steps to ensure that communications with individuals with disabilities are as effective as communications with others. This means that, upon request and at no cost to the individual, recipients are required to provide appropriate auxiliary aids and services to qualified individuals with disabilities.

What to Do If You Believe You Have Experienced Discrimination

If you think that you have been subjected to discrimination under a WIOA Title I-financially assisted program or activity, you may file a complaint within 180 days from the date of the alleged violation with either:

- The LWIOA 18's Equal Opportunity Officer; (recipient)
- The State WIOA EO Officer; or (recipient)
- The Director, Civil Rights Center (CRC), U.S. Department of Labor

If you file your complaint with a recipient, you must wait either until the recipient issues a written Notice of Final Action, or until 90 days have passed (whichever is sooner), before filing with the Civil Rights Center (see address below).

If the recipient does not give you a written Notice of Final Action within 90 days of the day on which you filed your complaint, you may file a complaint with CRC before receiving that Notice. However, you must file your CRC complaint within 30 days of the 90-day deadline (in other words, within 120 days after the day on which you filed your complaint with the recipient). If the recipient does give you a written Notice of Final Action on your complaint, but you are dissatisfied with the decision or resolution, you may file a complaint with CRC. You must file your CRC complaint within 30 days of the date on which you received the Notice of Final Action.

The Director, Civil Rights Center (CRC)
U. S. Department of Labor
200 Constitution Ave NW., Room N-4123
Washington, DC 20210
or electronically as directed by the CRC web site www.dol.gov/crc

Individuals with speech and/or hearing impairments may call:
State Relay at 1800-255-0056 (TDD/TTY) or 1 800-255-0135 (Voice).

LWIOA 18 will provide for alternative dispute resolution (ADR) if you, the complainant, request ADR in writing. Additionally, a party to any agreement reached under ADR may file a complaint with the CRC in the event the agreement is breached. If such a breach occurs, the following rules will apply:

- The non-breaching party may file a complaint with the Director within 30 days of the date on which the non-breaching party learns of the alleged breach;
- The Director must evaluate the circumstances to determine whether the agreement has been breached. If he or she determines that the agreement has been breached, you may file a complaint with CRC based upon your original allegation(s), and the Director will waive the time deadline for filing such a complaint.

If a complaint is filed with the State WIOA EO Officer, he/she shall adhere to the applicable federal and state policies and regulations.

If you believe you have been harmed by the violation or misapplication of a procedure or regulation of this program, you have the right to file a grievance. The grievance should be filed in accordance with the written procedures established by the Southern Georgia Workforce Development Board, which may be obtained by contacting WIOA Director, Southern Georgia Regional Commission, 1725 South Georgia Parkway West, Waycross, Georgia 31503.

I have read and understand the above statement, acknowledged so with my signature and received a copy.

DERECHOS DEL CLIENTE BAJO EL PROGRAMA DE DESARROLLO DE FUERZA DE TRABAJO

Igualdad de oportunidades es la ley

Es contra la ley que este destinatario de asistencia financiera Federal, discrimina a las siguientes bases: contra cualquier individuo en los Estados Unidos, sobre la base de raza, color, religión, sexo (incluyendo embarazo, el parto y médicos relacionados con condiciones, estereotipos de sexo, condición de transgénero e identidad de género), origen nacional (incluyendo el dominio limitado del inglés), edad, discapacidad o afiliación política o creencia, o contra cualquier beneficiario de, solicitante o participante en programas de financieramente asistida bajo título I de la ley de la oportunidad e innovación de la mano de obra en base a la condición de ciudadanía o participación en cualquier programa i WIOA título o actividad del individuo.

El destinatario no debe discriminar en cualquiera de las siguientes áreas:

- Decidiendo quien será admitido o tengan acceso a cualquier título WIOA I asistidos financieramente por el programa o actividad;
- Proveyendo oportunidades en, o tratando a cualquier persona con relación a tal programa o actividad; o
- Decisiones de empleo en la administración de o en conexión con, tal programa o actividad.

Los beneficiarios de asistencia financiera federal deben tomar pasos razonables para asegurar que las comunicaciones con personas con discapacidad son tan efectivas como la comunicación con los demás. Esto significa que, bajo petición y sin coste para el individuo, los receptores son necesarios para proporcionar adecuadas ayudas auxiliares y servicios a individuos calificados con discapacidades.

Qué hacer si usted cree que han experimentado discriminación

Si usted piensa que han sido sometidos a discriminación bajo un título WIOA programa o actividad, puede presentar una queja dentro de 180 días desde la fecha de la supuesta violación ya sea con:

- LWIOA 18 de agente de igualdad de oportunidades; (destinatario)
- El oficial de estado WIOA EO; o (destinatario)
- El Director, Civil Rights Center (CRC), Departamento de trabajo

Si usted presenta su queja con un destinatario, debe esperar hasta que el recipiente emita un aviso escrito de acción Final, o hasta que 90 días hayan pasado (sea más pronto), antes de presentar con el centro de derechos civiles (vea la dirección abajo).

Si el destinatario no te da un aviso escrito de acción Final dentro de los 90 días del día en que presentó su queja, puede presentar una queja con el CRC antes de recibir el aviso. Sin embargo, usted debe presentar su queja CRC dentro de 30 días el plazo de 90 días (en otras palabras, dentro de 120 días después del día en que presentó su queja con el recipiente). Si el destinatario te da un aviso escrito de acción Final de su queja, pero usted no está satisfecho con la decisión o resolución, usted puede presentar una queja con el CRC. Debe presentar su queja CRC dentro de 30 días de la fecha en que usted recibió la notificación de acción Final.

U.S. Department of Labor, Civil Rights Center
NOTICE ABOUT INVESTIGATORY USES OF PERSONAL INFORMATION

Attachment 10

Two Federal laws govern personal information to Federal agencies, including the Civil Rights Center (CRC), the Privacy Act of 1974, (5 U.S.C. 552) and the Freedom of Information Act (5 U.S.C. 552) or "FOIA". Please read the description of how these laws apply to information connected with your complaint. After reading this notice, please sign and return the consent agreement printed on the back of this notice, along with your complaint form.

The PRIVACY ACT protects individuals from misuse of personal information held by the Federal Government. The law applies to records that are kept and can be located by the individual's name, social security number, or other personal identification system. Anyone who submits information to CRC in connection with a discrimination complaint should know the following:

- CRC has been authorized to investigate complaints of discrimination on the basis of race, color, national origin, age, and handicap and in some programs on the basis of sex, religion, citizenship, and political affiliation or belief, in programs that receive Federal funds through the Department of Labor, CRC is also authorized to conduct reviews of federal funded program to assess their compliance with civil rights laws.
- Information that CRC collects is analyzed by authorized personnel with CRC. This information may include personnel or program participant records, and other personal information. CRC staff may want to reveal some of the personal information to individuals outside the office in order to verify facts related to the complaint, or to discover new facts which will help CRC determine whether the law has been violated. Such information could include, for example, the physical condition or age of a complainant. CRC may also have to reveal personal information to a person who submits a request for disclosure authorized by the Freedom of Information Act.
- Information submitted to CRC may also be revealed to persons outside of CRC because it is necessary in order to complete enforcement proceedings against a program that CRC finds to have violated the law or regulations. Such information could include, for example, the name, income, age, marital status or physical condition of the complainant.
- Any personal information you provide may be used only for the specific purpose for which it was requested. CRC requests personal information only for the purpose of carrying out authorized activities to enforce, and determine compliance with, civil rights laws and regulations. CRC will not release personal information to any person or organization unless the person who submitted the information gives written consent, or unless release is required by the Freedom of Information Act.
- No law requires that a complainant reveal personal information CRC, and no action will be taken against a person who denies CRC's request for personal information. However, if CRC cannot obtain the information needed to fully investigate the allegations in the complaint, CRC may close the case.
- Any person may ask for, and receive, copies of all personal materials CRC keeps in his or her file for investigatory use.

AS A POLICY, CRC DOES NOT REVEAL NAMES AND OTHER IDENTIFYING INFORMATION ABOUT INDIVIDUALS UNLESS IT IS NECESSARY TO COMPLETE INVESTIGATION OR ENFORCEMENT ACTIVITIES AGAINST A PROGRAM WHICH HAS VIOLATED THE LAW. CRC never reveals to the program under investigation the identity of the person who filed the complaint, unless the complainant first gave CRC written permission to do so.

The FREEDOM OF INFORMATION ACT (FOIA) gives the public maximum access to Federal government files and records. Persons can request and receive information from many types of records kept by the Federal government-not just materials that apply to them personally. The Civil Rights Center must honor most requests for information submitted under FOIA, but there are exceptions.

- CRC is usually not required to release information during an investigation or an enforcement proceeding if that release would limit CRC's ability to do its job effectively; and
- CRC can refuse to disclose information if release would result in a "clearly unwarranted invasion" of a person's privacy.

PLEASE READ AND SIGN SECTION A OR SECTION B OF THE CONSENT FORM PRINTED ON THE BACK OF THIS NOTICE, AND RETURN IT TO THE CIVIL RIGHTS CENTER WITH YOUR SIGNED COMPLETED COMPLAINT INFORMATION FORM.

CONSENT FORM

I have read the Notice about Investigatory Uses of Personal Information, printed on the front of this form. I understand the following provisions of the Privacy Act and Freedom of Information Act, which apply to personal information I reveal to the Civil Rights Center in connection with my complaint:

In the course of investigating my complaint, CRC may have to reveal my identity to staff of the program named in my complaint in order to obtain facts and evidence regarding my complaint;

I do not have to reveal any personal information to CRC, but CRC may close my complaint if I refuse to reveal information needed to fully investigate my complaint;

I may request and receive a copy of any personal information CRC keeps in my complaint file for investigatory uses; and

Under certain conditions, CRC may be required by the Freedom of Information Act to reveal to others personal information I have provided in connection with my complaint.

SECTION A

YES, CRC MAY DISCLOSE MY IDENTITY IF NECESSARY TO INVESTIGATE MY COMPLAINT. I have read and understand the notice, and I consent for CRC to disclose my identity during investigation of my complaint.

(Signature)

(Date)

SECTION B

NO, CRC MAY NOT DISCLOSE MY IDENTITY, EVEN IF NECESSARY TO PROCESS MY COMPLAINT. I have read and understand the notice, and I do not consent for CRC to disclose my identity during investigation on of my complaint. I request that CRC process my complaint, however, I understand that CRC may cancel my complaint if it cannot fully investigate without disclosing my identity. I also understand CRC may close my complaint if it cannot begin an investigation because I have not consented for CRC to reveal my identity.

(Signature)

(Date)

Persons are not required to respond to a collection of information unless it displays a currently valid OMB control number. Completing this form is voluntary; however, the requested information must be provided in order to file a complaint of discrimination. The Department of Labor's Civil Rights Center will use the information to investigate your complaint of discrimination. The estimated average response time to complete this form is 15 minutes per response. Send comments regarding this estimate or any other aspects of this collection of information to the U.S. Department of Labor, Office of the Assistant Secretary for Administration and Management, Civil Rights Center, Room N-4123, Washington, D.C. 20210. Please reference OMB control number 1225-0077.

Notificación Sobre Uso de Información Personal

Hay dos leyes que gobiernan el uso de información personal sometida por un ciudadano a una agencia federal, incluyendo el Centro de Derechos Civiles (CRC): la Ley de Privacidad (Privacy Act, 5 U.S.C. 552), y la Ley de Libertad de información (Freedom of Information Act, 5 U.S.C. 552). La siguiente información le ayuda a entender mejor estas leyes. Por favor, lea esta Notificación, luego firme y devuelva el formulario adjunto.

LA Ley de PRIVACIDAD protege al individuo contra el uso incorrecto de información personal en manos del Gobierno Federal. La Ley aplica a documentos que son mantenidos y que pueden ser identificados a base del nombre de la persona, número de seguro social o algún otro sistema de identificación personal. Las personas que sometan información al Centro de Derechos Civiles deben saber lo siguiente:

El Centro de Derechos Civiles está autorizado a investigar quejas de discriminación por razón de raza, color, origen nacional, edad e impedimento físico, y en algunos casos por razón de sexo, religión, ciudadanía, y afiliación política, en programas que reciben fondos Federales del Departamento del Trabajo. El Centro de Derechos Civiles está también autorizado a conducir inspecciones de programas que reciben fondos Federales para determinar si estos programas están cumpliendo con las leyes de derechos civiles.

La información recopilada por el Centro de Derechos Civiles es analizada por personal autorizado. Esta información puede incluir documentos sobre los empleados o sobre los participantes o sobre cualquier otro tipo de información personal. En el transcurso de una investigación, el personal de CRC puede tener la necesidad de revelar parte de esta información a personas fuera de la Agencia. La información revelada puede incluir, por ejemplo, datos sobre la condición física o la edad de la persona. CRC puede tener la necesidad de proporcionar parte de la información personal que posee a cualquier persona que lo solicite bajo los derechos provistos por la Ley de Libertad de información.

CRC también puede tener la necesidad de proporcionar la información que posee a otras personas fuera de la oficina que estén envueltas en procedimientos contra una agencia o programa. Esto puede incluir información sobre ingreso, edad, estado civil, o condición física del querellante.

Toda información personal provista se puede usar ÚNICAMENTE con el propósito por el que fue solicitada. La información ha de usarse en actividades relacionadas con el cumplimiento e implementación de las leyes de derechos civiles. CRC no proveerá la información a ninguna otra organización o personas a menos que la persona que proveyó la información lo autorice por escrito, o a menos que la información sea solicitada bajo la Ley de Libertad de Información. Ninguna ley obliga al querellante a proporcionar información personal a CRC, y no se le penalizará si rehusa proporcionar a CRC esta información. Sin embargo, si el CRC no logra obtener la información necesaria para investigar la alegación de discriminación, es posible que la investigación tenga que ser cerrada.

Cualquier persona puede solicitar y puede obtener copia del material personal que el CRC mantiene sobre dicha persona en sus archivos

COMO NORMA, EL CENTRO DE DERECHOS CIVILES NO REVELA EL NOMBRE U OTRO DATO QUE PUEDA IDENTIFICAR A UN INDIVIDUO A MENOS QUE ESTO SEA NECESARIO PARA COMPLETAR UNA INVESTIGACION O PARA PROCEDER CON MEDIDAS DE IMPLANTACION CONTRA UN PROGRAMA QUE HAYA VIOLADO LA LEY. CRC no revelará la identidad del querellante a una agencia que esté siendo investigada a menos que el querellante lo autorice por escrito.

LA LEY DE LIBERTAD DE INFORMACION proporciona al público máximo acceso a los archivos y documentos del Gobierno Federal. Las personas pueden solicitar y obtener información de varios tipos y de distintas categorías de documentos mantenidos por el gobierno en adición a material de información personal. El Centro de Derechos Civiles deberá honrar solicitudes de información sometidas bajo la ley de Libertad de información, excepto en las siguientes situaciones:

CRC normalmente no está obligado a divulgar ciertos documentos durante una investigación o procedimientos de implantación si esto afecta la habilidad de CRC de cumplir con sus responsabilidades; y, CRC puede rehusar divulgar información si esto constituye una "invasión de privacidad," claramente innecesaria.

FAVOR DE LEER Y FIRMAR LA SECCION A, O LA SECCION B DE ESTA FORMA. DEVUELVALA AL CENTRO DE DERECHOS CIVILES CON LA FORMA DE INFORMACION SOBRE QUERELLA/QUEJA.

No se requiere que ninguna persona responda a una recopilación de información a menos que se exhiba un número de control de OMB válido y actualizado. Completar este formulario es voluntario; sin embargo, la información requerida debe ser provista para poder radicar una querrela o queja por discriminación. El Centro de Derechos Civiles del Departamento del Trabajo utilizará la información para investigar su querrela por discriminación. El tiempo promedio que se ha estimado para completar este formulario es de 15 minutos por respuesta. Envíe sus comentarios en referencia a este estimado o cualquier otro aspecto sobre esta recopilación de información al Departamento del Trabajo Federal, Oficina del Asistente del Secretario para Administración y Gerencia, Centro de Derechos Civiles, Oficina N-4123, Washington, DC 20210. Favor de referirse al número de control de OMB 1225-0077.

CONSENTIMIENTO PARA EL USO DE INFORMACION PERSONAL

He leído y entendido la Notificación Personal que me ha provisto El Centro de Derechos Civiles (CRC). Dicha notificación describe las disposiciones aplicadas a la Ley de Privacidad (Privacy Act) y la Ley de Libertad de Información (Freedom of Information Act).

- **Durante el transcurso de la investigación, CRC puede verse en la necesidad de revelar mi identidad a personas de la agencia que está siendo investigada;**
- **No estoy obligado(a) a proveerle a CRC información personal, pero mi queja puede ser cerrada si me niego a proveer información necesaria para investigar la misma;**
- **Puedo solicitar y obtener una copia de cualquier información personal que el CRC mantenga en mi expediente; y, bajo ciertas circunstancias, la información personal que yo haya provisto a CRC se puede divulgar bajo la Ley de Libertad de Información.**

SECCION A

SÍ

Sí, CRC PUEDE REVELAR MI IDENTIDAD SI ES NECESARIO PARA LA INVESTIGACION DE MI QUEJA. He leído y entendido la Notificación Sobre Uso de Información Personal que me ha provisto el CRC.

SECCION B

NO, NO DOY MI CONSENTIMIENTO A EL CRC PARA DIVULGAR MI IDENTIDAD DURANTE LA INVESTIGACION DE MI QUEJA. Deseo que mi identidad se mantenga en confidencia durante la investigación; no obstante entiendo que si CRC determina que mi consentimiento es necesario para completar la investigación, puede cerrar mi queja/querella si me niego a darlo.

Attachment 11:

WIOA Adult & Dislocated Worker Priority of Service

WIOA Priority of Service for Veterans and Eligible Spouses

Policy/Procedure #: **18-006-1200**

Policy Name: **WIOA Adult & Dislocated Worker Priority of Service**

Effective Date: **07/11/2015**

Statement of Purpose

The purpose of career and training services is to provide eligible customers with the means to obtain the necessary skills to become gainfully employed or re-employed. This policy is intended to define and establish parameters for the priority of service with WIOA Title I Adult & DW funds.

Background

The Workforce Investment Act (WIA) required that if funds allocated to a local area for adult employment and training activities were limited, priority of service was to be provided to recipients of public assistance and other low-income individuals for intensive services and training services.

The Workforce Innovation and Opportunity Act (WIOA) made several changes to the priority of service requirement by adding individuals who are basic skills deficient as a priority population, changing intensive services to career individualized services, and removing the provision stating priority of service is only applied if funding is limited. WIOA Public Law 113-128, Sections 3 and 134.

Priority of Service

Priority for career and training services funded with WIOA Title I Adult & DW funds shall be given to recipients of public assistance, other low-income individuals and individuals who are basic skills deficient, as well as any covered person (as defined in LWDA #18 Veterans Priority of Service Policy) under the Veterans' priority, in the local area. Thus, the following sequence of services priority will apply:

First priority will be provided to recipients of public assistance, other low-income individuals (including those that are unemployed) and individuals who are basic skills deficient in the local area who are covered person with respect to Veterans' priority;

Second priority will be provided to recipients of public assistance, other low-income individuals (including those that are unemployed) and individuals who are basic skills deficient in the local area;

Third priority will be covered person with respect to the Veterans' priority (these covered persons not considered to be recipients of public assistance or low-income);

Fourth priority will be provided to serve the working poor. Working poor are those employed persons who have not yet achieved self-sufficiency (as defined by local policy – at or below 175% of poverty).

The above poverty requirements do not necessarily mean that only recipients of public assistance and other low-income individuals can receive WIOA adult and DW funded career and training services. LWDB's may serve other eligible individuals who are not low-income after first serving eligible individuals who meet the established priority selection criteria. Unemployed individuals may be considered low-income individuals.

Approvals

WDB Approved

09/09/2015

Policy/Procedure #: **18-006-400**

Policy Name: **WIOA Priority of Service Policy for Veterans & Eligible Spouses**

Effective Date: **07/01/2015**

A veteran who is eligible or spouse of an eligible veteran who is entitled to receive priority of service is a person who has served at least one day in the active military, naval, or air service, and who was discharged or released from service under any condition other than a condition classified as dishonorable is a covered person. This definition includes Reserve units and National Guard units activated for Federal Service.

In accordance with the Jobs for Veterans Act (P. L. 107-288) and its corresponding regulations (20 CFR Part 1010) that specify that there be a priority of service for veterans and eligible spouses in any workforce preparation, development, or delivery program or service directly funded in whole or in part, by the U.S. Department of Labor.

Veterans and eligible spouses are identified as covered persons and are entitled to priority over non-covered persons for employment, training and placement services, the following procedures will be followed:

Staff of the local comprehensive One-Stop centers will be provided timely information about the implementation of the priority of service policies and procedures for veterans and eligible spouses. Training will be provided in staff meetings at the One Stop and in One Stop partner meetings. These services will be delivered as follows:

- a) Upon accessing the One Stop System, information will be collected from customers to determine veteran/eligible spouse status;
- b) Services that do not entail eligibility determination will be provided upon request;
- c) Individuals who identify themselves as covered persons will be served prior to non-covered persons and must meet all eligibility and program requirements, where they exist;
- d) Individuals who identify themselves as covered persons will not be required to verify their status as veterans or eligible spouses at the point of service entry, unless they immediately undergo eligibility determination and formal enrollment into a program; if the individual does not have proper documentation of status as a covered person at that time, it is appropriate to give the customer priority, enroll him or her for the service and then request documentation of status. Note that documentation of status should be obtained for all covered customers receiving intensive or training services;
- e) Posters will be displayed indicating that priority of service will be provided to covered persons to eliminate any concern by non-covered persons if a covered person is served first. These posters will be available in English and Spanish;
- f) Brochures will be utilized that provide additional resources available to this population;
- g) Where resources are limited, the covered person will receive access prior to the non-covered person;
- h) WIOA program-eligible veterans and eligible spouses who meet mandatory or spending priorities, or who meet the area's applicable income eligibility requirements must receive the highest level of priority of service;

- i) WIOA program-eligible individuals who are not covered persons who meet mandatory spending priorities, or who meet the area's income eligibility requirements receive the second level of priority of service;
- j) Veterans and eligible spouses outside the program-specific mandatory priority or spending requirements receive the third level of priority of service
- k) Non-covered persons outside the program specific mandatory priority or spending requirements receive the fourth level of priority of service; and
- l) When a waiting list for services exists, veterans and eligible spouses will be selected first to receive the service, provided the covered person has been determined eligible and is qualified for the service; however, when a non-covered person is already receiving a service, a veteran or eligible spouse who is identified subsequently should not displace that non-covered person receiving the service.

Appropriate documentation of an individual's status as a covered person is as follows:

- A. A DD214 (Discharge Papers and Veterans Separation Documents)
- B. An official notice issued by the Department of Veterans Affairs establishing entitlement to a disability rating or award of compensation to a qualified dependent
- C. An official notice issued by the Department of Defense that documents veteran status or spousal rights
- D. An official notice issued by a state veterans' service agency that documents veteran status or spousal rights
- E. Eligible spouses whose eligibility is based on the disability of a living veteran spouse should obtain the relevant documentation from the U. S. Department of Veterans Affairs.

Local area will work cooperatively with Wagner-Peyser, Regional Veteran's Employment Representatives (RVERs) and Disabled Veterans Outreach Program (DVOP) specialists to encourage additional referrals to the WIOA programs.

Local area one stop staff and service providers will conduct outreach activities. All resources, (i. e., posters, brochures, printed materials to mail or email), will be utilized to integrate the services between Career Center staff and WIOA staff. Meetings will be held as needed between WIOA and Career Center staff to address concerns, best practices, and potential enhancements to service integration.

Approval/Changes

Southern Georgia WIB Approved 06/04/2013

Revised for WIO References 07/01/2015
