RE: FY18-21 TIP Admin Mod # 15 and Vision2045 MTP Admin Mod # 3

Dear Ms. Canizares:

Per the request of the Georgia Department of Transportation the attached administrative modification (Admin Mod) has been made to the FY18-21 Transportation Improvement Program (TIP) and the Vision2045 Metropolitan Transportation Plan for the Valdosta Urbanized Area. This administrative modification has been carried out in accordance with the guidelines set forth in this TIP and MTP. Please find attached the updated FY18-21 TIP Financial Plan, TIP Tier 1 Project List and Vision2045 MTP/FY18-21 Project Data Sheet.

Should you have any questions please feel free to contact me at amartin@sgrc.us or 229-333-5277.

Sincerely,

Amy Martin
Regional Planner

An Equal Opportunity Employer/Program

VLMPO Project Data Sheet

Project Name: South Valdosta Truck Bypass

PI Number: 0016898	City: 01	County: Lowndes
Local Name:	State/US #:	Local ID: G501
Sponsor: GDOT	GDOT Dist: 4	Congressional Dist: 08 - Scott
		RC: Southern GA

Project Description: Designed as a four-lane roadway with a grass median and will more efficiently serve freight generating facilities south of downtown through geometric improvements such as improved turning radii, stopping distances, and turning lanes. The proposed project utilizing the eastern segment of Gil Harbin Industrial Boulevard will include intersection design improvements and require additional ROW on the north side of the existing roadway. The segment between Madison Highway and South Patterson Street will also require widening to the four-lane typical section. Flyover ramps are also being proposed to provide more efficient access to the new bypass by avoiding railroad crossings. The proposed project would utilize existing roadway ROW along Tucker Road. Residential areas between Griffin Avenue and South Patterson Street will require additional consideration, as the properties are needed to connect the proposed alignment to existing Howell Road to US 41/Inner Perimeter Road. The final segment of the alignment follows Inner Perimeter Road north to US 84. Many of the Southern Bypass existing two-lane alignments that are utilized will need to be widened. These roads include Howell Road, Tucker Road, and Lloyd Jackson Road.

Purpose & Need: In a Valdosta MPO-sponsored study completed in 2009, local stakeholders identified safety, noise, air quality, operating, and economic concerns of trucks traveling in close proximity to passenger vehicles and pedestrians on the US 84 one-way-pairs through downtown Valdosta. The goal of this project is to re-designate the section of US 84 through downtown as a non-NHS route, such that local government could enact truck restrictions as they wish.
