North Lowndes Recreation Park and Hahira Elementary School Areas

*Study Area: 2021 Lowndes County Comprehensive Plan Character Areas*

What's  
your  
vision

We are creating a master plan and we need your help to establish a shared vision, promote safe access, align new transportation connections with public and private development plans, and ensure pedestrian-oriented design.

The Studies are a unique opportunity to coordinate transportation and development to promote the character envisioned by the community – including you!
